

Guide to your Health Benefits

January 2015 to December 2015

State of Maryland

Martin O'Malley, Governor

Anthony Brown, Lt. Governor

T. Eloise Foster, Secretary

MOVING FORWARD TO BETTER HEALTH

WHAT'S NEW IN 2015

- ▶ New Wellness Program
- ▶ New medical plan option – Integrated Health Model (IHM)
- ▶ Several plans DISCONTINUED: All POS plans, UCCI DHMO and Aetna EPO
- ▶ Contractual employees working 30 hours or more may be eligible for subsidized benefits.

THIS GUIDE IS NOT A CONTRACT

This guide is a summary of general benefits available to State of Maryland eligible employees and retirees through the State Employee and Retiree Health and Welfare Benefits Program (the Program). Wherever conflicts occur between the contents of this guide and the contracts, rules, regulations, or laws governing the administration of the various programs, the terms set forth in the various program contracts, rules, regulations, or laws shall prevail. Space does not permit listing all limitations and exclusions that apply to each plan. Before using your benefits, call the plan for information. Benefits provided can be changed at any time without the consent of participants.

For details about each specific plan, review the sections in this guide or see the inside of the front cover for contact information for each of the plans.

The State of Maryland provides a generous benefit package to eligible employees and retirees with a wide range of benefit options from health care to income protection. The following chart outlines your benefit options for the plan year January 1, 2015 - December 31, 2015.

Plan	Options	Coverage	Who Is Eligible*
Medical	PPO Plans • CareFirst BlueCross BlueShield • UnitedHealthcare EPO Plans • CareFirst BlueCross BlueShield • UnitedHealthcare IHM • Kaiser	Provides benefits for a variety of medical services and supplies. Benefit coverage levels vary by plan; review the information carefully. If you are enrolled in a medical plan, routine vision services and behavioral health coverage are included.	<ul style="list-style-type: none"> • Active Permanent State/Satellite employees • Contractual/Variable Hour State employees • Less than 50% part-time State employees • State retirees** • ORP retirees**
Prescription Drug	Express Scripts	Provides benefits for a variety of prescription drugs. Some limitations (quantity limits, prior authorization, and step therapy) apply for certain drugs. Plan wraps around Medicare Part D for Medicare-eligible retirees and their dependents.	<ul style="list-style-type: none"> • Active Permanent State/Satellite employees • Contractual/Variable Hour State employees • Less than 50% part-time State employees • State retirees • ORP retirees
Dental	DPPO • United Concordia DHMO • Delta Dental	Provides benefits for a variety of dental services and supplies.	<ul style="list-style-type: none"> • Active Permanent State/Satellite employees • Contractual/Variable Hour State employees • Less than 50% part-time State employees • State retirees • ORP retirees
Flexible Spending Accounts	ConnectYour Care • Healthcare Spending Account • Dependent Day Care Spending Account	Allows you to set aside money on a pre-tax basis to reimburse yourself for eligible healthcare or dependent day care expenses.	• Active Permanent State
Term Life	Minnesota Life Coverage for you in increments of \$10,000 up to \$300,000 Coverage for dependents in increments of \$5,000 up to 50% of your coverage	Pays a benefit to your designated beneficiary in the event of your death. You are automatically the beneficiary for your dependent's coverage. May be subject to medical review.	<ul style="list-style-type: none"> • Active Permanent State/Satellite employees • Contractual/Variable Hour State employees • Less than 50% part-time State employees • State retirees*** • ORP retirees***
Accidental Death and Dismemberment	Minnesota Life Coverage amounts for yourself and/or your dependents: \$100,000, \$200,000, or \$300,000.	Pays a benefit to you or your beneficiary in the event of an accidental death or dismemberment.	<ul style="list-style-type: none"> • Active Permanent State/Satellite employees • Contractual/Variable Hour State employees • Less than 50% part-time State employees
Long Term Care	The Prudential You may choose one of the following Facility Daily Benefits: • \$100, \$150, \$200 or \$250 Then select a Lifetime Maximum multiplier of: • 3 years or 6 years	Provides benefits for long term care. Long term care is the type of care received, either at home or in a facility, when someone needs assistance with activities of daily living or suffers severe cognitive impairment.	<ul style="list-style-type: none"> • Active Permanent State/Satellite employees • State retirees • ORP retirees • Other relatives

* To be eligible you must meet the eligibility requirements as outlined in the Eligibility section of this guide.

** For retirees and their dependents who are Medicare-eligible, all medical plans are secondary to Medicare Parts A & B regardless of whether the individual has enrolled in each.

*** Only retirees who are enrolled in life insurance as an active employee at the time of retirement may continue life insurance coverage.

What's New for 2015?

- Introducing a new Wellness Program:
 - participants get healthy or stay healthy;
 - preserve our current level of benefits;
 - promote more informed use of health care services by participants;
 - weight management, nutrition education and tobacco cessation programs will be provided at no cost for employees;
 - all lab services and x-rays will be covered 100%, with no copay or coinsurance when you visit an in-network provider; and
 - those who complete the healthy activities requirements for each year will be eligible for wellness rewards.
- A new Integrated Health Model (IHM) Plan will be available through Kaiser to participants in the Baltimore/DC/VA area.
- New copays for acupuncture for chronic pain management and chiropractic services.
- There will no longer be a separate plan provider for mental health and substance abuse treatment. Coverage will be offered as part of your medical plan.
- Delta Dental is our new carrier for the DHMO Plan, offering a national network. United Concordia will continue to be the carrier for the DPPO dental plan, with a new expanded network and a new higher annual maximum.
- Subsidized medical and prescription coverage for contractual/variable hour employees who work more than 30 hours/week or 130 hours/month.

Wellness Program

Members of SLEOLA are not eligible for the Wellness Program.

The Program will include a new Wellness Program for all State employees, retirees and enrolled spouses beginning January 1, 2015, except SLEOLA members who have a separate plan. Our goal is to encourage and educate our members to begin “moving forward to better health.”

The Wellness Program will call for employees, retirees and enrolled spouses (not enrolled children) to complete healthy activities throughout the calendar year. If these activities are completed, enrollees will enjoy enhanced benefits such as waived copays for all Primary Care Physician (PCP) visits. For each individual (employee, retiree, and covered spouse) who does not complete all healthy activities for that year, a surcharge will be deducted from the employee's or retiree's biweekly or monthly check/pension allowance in the following year.

In the event an enrollment member has religious, cultural, or conscientious objections to the wellness activities, or can provide reasonable support demonstrating that the year's healthy activities do not operate in the program member's best interests, he/she may submit a Request for Waiver Form for approval to the Employee Benefits Division no later than February 28, 2015 (and by the same date in following years).

In the event a member is unable to perform any or all of the required healthy activities due to medical reasons, alternative options will be available to receive the rewards and avoid the surcharge. Please contact the Employee Benefits Division for details.

The program is not asking participants to disrupt their work obligations and when participants are asked to exercise an option, any particular choice is ultimately voluntary. Participants and their PCPs engage a very high degree of involvement in the activities. If participants disagree with their PCPs recommendations, a request for waiver should be submitted.

What Do I Need to Do?

It's simple. In 2015, we are asking all State employees, retirees and their covered spouses to complete two Healthy Activities:

1. Designate a Primary Care Physician (PCP) when you enroll for medical coverage.

A Primary Care Physician (also known as a “PCP”) is your regular medical doctor. This is the physician you see most often. A PCP can be a general practitioner, a doctor who practices family medicine or internal medicine, an OB/GYN, GYN, a pediatrician, physician's assistant, or nurse practitioner; **AND**

2. Complete a Health Risk Assessment and discuss the results with your PCP.

A Health Risk Assessment is a questionnaire that asks about your age, your diet, how much you exercise and whether you use tobacco or alcohol. No matter which medical plan or carrier you elect, you can access their Health Risk Assessment via both their website and DBM's Health Benefits website. Once you've completed the questionnaire, you'll receive a report that will provide an overview of your current health and identify potential health risks. It's important to discuss these results with your physician to make sure you're taking steps to improve your health or maintain your good health.

Once you complete both Healthy Activities for 2015, you'll receive a wellness reward in 2015—your PCP visits will be covered **WITHOUT** a copayment. Both Healthy Activities for 2015 must be completed by September 30, 2015. If you do not complete both Healthy Activities in 2015, you will pay \$50 more for medical coverage in 2016.

Year 2015: Healthy Activity Requirements

- Employees, retirees and covered spouses must designate a Primary Care Physician (PCP) either on your plan's State of Maryland dedicated website or by calling your carrier.
- Employees, retirees and covered spouses must complete the health risk assessment which can be obtained on your plan's website or by calling your medical plan. Each employee/retiree and covered spouse must personally review their health risk assessment with their selected PCP. PCP must sign-off confirming review.

Rewards for meeting the 2015 Healthy Activity Requirements:

PCP copayments waived for employees, retirees and covered spouses.

Penalties for not meeting the 2015 Healthy Activity Requirements:

For each individual, the employee and retiree will have a \$50 surcharge which will be deducted from your bi-weekly (\$2.08) or monthly (\$4.16) pay starting January 1, 2016.

For 2016, you will have from October 1, 2015 to September 30, 2016 to complete the 2016 Healthy Activities. Your wellness reward for 2016 — your PCP visits will be covered WITHOUT a copayment — will begin once you complete the required 2016 Healthy Activities. If you do not complete both Healthy Activities for 2016, you will pay the required surcharge in 2017.

Year 2016: Healthy Activity Requirements

Participants not identified for participation in the Disease Management Program	Participants with a chronic condition identified for participation in the Disease Management Program
<ul style="list-style-type: none"> • Employees, retirees, and covered spouses are required to complete an online Nutrition Education or Stress Management program sponsored by your medical carrier. 	<ul style="list-style-type: none"> • Employees, retirees and covered spouses are required to actively participate in the disease management program sponsored by your medical carrier and follow all treatment guidelines of the care manager or complete the disease management program recommended.
<ul style="list-style-type: none"> • Employees, retirees and covered spouses are required to complete the health risk assessment which can be obtained on your plan's website or by calling your medical plan. Each employee and covered spouse must personally review their health risk assessment with their selected PCP. PCP must sign-off confirming review. 	<ul style="list-style-type: none"> • Employees, retirees and covered spouses are required to complete the health risk assessment which can be obtained on your plan's website or by calling your medical plan. Each employee and covered spouse must personally review their health risk assessment with their selected PCP. PCP must sign-off confirming review.
<ul style="list-style-type: none"> • Employees, retirees, and covered spouses are required to complete all recommended age/gender specific biometric screenings and discuss results with your PCP. 	<ul style="list-style-type: none"> • Employees, retirees, and covered spouses are required to complete all recommended age/gender specific biometric screenings and discuss results with your PCP.
Rewards for meeting the 2016 Healthy Activity Requirements:	PCP copayments waived for employees, retirees and covered spouses.
Penalties for not meeting the 2016 Healthy Activity Requirements:	<ul style="list-style-type: none"> • For each individual, the employee and retiree will have a \$75 surcharge which will be deducted from your bi-weekly (\$3.12) or monthly (\$6.25) pay starting January 1, 2017. • If you are identified as having a chronic condition you must engage with the plan's nurse and follow the recommended treatment plan. If you do not, an additional \$250 surcharge will be deducted from your bi-weekly (\$10.42) or monthly (\$20.84) pay starting January 1, 2017.

Future year requirements will be provided in future benefit guides.

Medical Benefits

There are no preexisting condition limitations for any of the medical plans, but there are other exclusions. Please contact the medical plans for further information on coverage exclusions, limitations, determination of medical necessity, preauthorization requirements, etc.

Not Sure Which Plan to Choose?

Use this link to see how the different plans rank under the Maryland Health Care Commission's Performance report: http://mhcc.dhmh.maryland.gov/healthplan/Documents/20130920_HBP_QPR_2013.pdf.

The State offers several comprehensive medical plan options—all designed to help cover the cost of most medically necessary services and promote wellness. Please note that prescription coverage must be elected separately. Members of the State Law Enforcement Officers Labor Alliance (SLEOLA) please refer to the SLEOLA Addendum for medical coverage options and rates.

Choosing a Medical Plan

You have five medical plans from which to choose:

Two PPO options:

- Carefirst BlueCross BlueShield PPO
- United Healthcare PPO

Two EPO options:

- Carefirst BlueCross BlueShield EPO
- United Healthcare EPO

And one IHM option:

- Kaiser Permanente IHM

You have the option to enroll in a PPO, EPO or IHM Plan for the 2015 plan year. Although they each have different provider networks, all plans cover the same services (like preventive care, specialty care, lab services and x-rays, hospitalization and surgery, routine vision care, and mental health/substance abuse treatment). Below is more information about each plan.

Preferred Provider Organization (PPO) Plan

With a PPO plan, you can see any doctor you want, whenever you want. However, the PPO plan has a national network of doctors, hospitals and other health care providers that you're encouraged to use. These "in-network" providers have contracts with the PPO plan and have agreed to accept certain fees for their services. Because their fees are lower, the plan saves money and so do you. You pay more for care if you use out-of-network providers.

PPO plans are available through Carefirst BlueCross BlueShield and United Healthcare. Both cover the same services, treatments and products. However, the cost of coverage and the provider networks are different. See the charts in this section to compare these two plans.

Exclusive Provider Organization (EPO) Plan

With an EPO plan, the Plan pays benefits only when you see an in-network provider (except in an emergency) within a national network. However, your monthly premium cost is lower. An EPO plan only covers eligible services from providers and facilities that are contracted in the EPO plan network.

EPO plans are available through Carefirst BlueCross BlueShield and United Healthcare. Both cover the same services, treatments and products, but the cost for coverage and the provider networks are different. See the chart in this section to compare these two plans.

Integrated Health Model (IHM) Plan

An IHM plan refers to care that allows doctors, hospitals and the plan to work together to coordinate a patient's care for a total health approach. It allows for a smooth transition from clinic to hospital or from primary care to specialty care. This plan option is available through Kaiser Permanente. If you elect this option, you must visit providers and facilities that are part of the Kaiser Permanente network in the Baltimore/DC/VA area only for all of your care (except in an emergency).

Medical Plan ID Cards

Once you enroll in a medical plan, you will receive ID cards in the mail. Take these cards with you every time you receive medical services. Depending on the type of medical plan you choose, the way you receive medical services and how much you pay at the time of service will vary.

Be sure to review the charts on the following pages to see what is covered by each type of plan and **check each carrier's website to find out if your providers and the facilities in which your providers work have contracts with the various plan networks.** You can also call the plan customer service centers that are listed on the inside front cover of this guide.

Two terms you should know

Allowed Benefit

The plan's **allowed benefit** refers to the reimbursement amount the plan has contractually negotiated with network providers to accept as full payment. Nonparticipating (out-of-network) providers are not obligated to accept the allowed benefit as payment in full and may charge more than the plan's allowed benefit. In the charts that follow, if it indicates a service is covered at 90%, you only pay 10% of the allowed benefit up to your out of pocket maximum. If it indicates the service is covered at 70% out-of-network, it means the plan pays 70% of the allowed benefit. You are responsible for 30% of the cost of coverage, including any amount above the plan's allowed benefit, when you receive services from nonparticipating (out-of-network) providers.

Out-of-Pocket Maximum

When the total amount of copayments and/or coinsurance you and/or your covered dependents reaches the out-of-pocket limits noted in the charts, the plan will pay 100% of your copays and coinsurance for the remainder of the plan year (through December 31).

Comparing Medical Plan Benefits

The following charts are a summary of generally available benefits and do not guarantee coverage. To ensure coverage under your plan, contact the plan before receiving services or treatment to obtain more information on coverage limitations, exclusions, determinations of medical necessity, and preauthorization requirements. In addition, you will receive a summary of coverage from the plan in which you enroll, providing details on your plan coverage.

If Your Provider Terminates from Your Plan's Network

Providers may decide to terminate from a plan's network at any time. If your provider terminates from your plan, it is not considered a qualifying status change that would allow you to cancel or change your plan election. You will need to select a new provider and will be able to change, if you choose, your plan election during the next Open Enrollment.

Coordination of Benefits

Coordination of Benefits (COB) occurs when a person has health care coverage under more than one insurance plan. All plans require information from State employees and retirees on other coverage that they or their dependents have from another health insurance carrier.

Residential Crisis Services	90% of allowed benefit	70% of allowed benefit after deductible	100% of allowed benefit
VISION SERVICES			
Vision – Medical (Services related to medical health of the eye)	\$15 copay (PCP) or \$30 copay (Specialist)	70% of allowed benefit after deductible	\$15 copay (PCP) or \$30 copay (Specialist)
Vision – Routine (One per plan year)	100% of allowed benefit	70% of allowed benefit after deductible	100% of allowed benefit
Frames (One per plan year)	Up to \$45 per frame		
Prescription Lenses	Single vision: \$52.00, Bifocal: \$82.00, Trifocal: \$101.00, Lenticular: \$181.00		
Contact Lenses (in lieu of frames & lenses)	Medically necessary: \$285.00, Cosmetic: \$97.00		
VISION SERVICES (Dependent children age 18 and under)			
Vision – Medical (Services related to medical health of the eye)	\$15 copay (PCP) or \$30 copay (Specialist)	70% of allowed benefit after deductible	\$15 copay (PCP) or \$30 copay (Specialist)
Vision – Routine (One per plan year)	100% of allowed benefit	70% of allowed benefit after deductible	100% of allowed benefit
Vision hardware (frames, lenses, contacts) are only covered in-network for covered dependent children 18 and under.			
Frames	100% of allowed benefit		
	No limits on the number of medically necessary frames purchased in a plan year for children through age 18.		
Basic Prescription Lenses	100% of allowed benefit		
	No limit on the number of medically necessary lenses for children through age 18.		
Contact Lenses (in lieu of frames & lenses)	100% of allowed benefit		
	No limit on medically necessary contacts for children through age 18.		
BENEFIT CHART FOOTNOTES			
* Laboratory testing services related to diabetes, hypertension, coronary artery disease, asthma and COPD are paid at 100%, including test strips for diabetics.			
** Habilitative Services, which include occupational therapy, physical therapy, and speech therapy, are covered for children under the age of 19 with congenital or genetic birth defects including but not limited to autism, autism spectrum disorder, and cerebral palsy.			
*** Newborns' and Mothers' Health Protection Act Notice. See Page 69 of the booklet.			
**** Cardiac rehabilitation benefits: 36 sessions in a 12-week period (or on a case-by-case basis thereafter) with physician supervision and in a medical facility. Cardiac rehabilitation must be medically necessary with a physician referral, and patient history of a heart attack in past 12 months; Coronary Artery Bypass Graft (CABG) surgery; angioplasty; heart valve surgery; stable angina pectoris; congestive heart failure; or heart and lung transplants. Inpatient care primarily for rehabilitation is not covered.			
Medicare COB	Retirees or their dependent(s) must enroll in Medicare Parts A & B upon becoming eligible for Medicare due to age or disability. If the Medicare eligible State retiree and their dependent(s) fail to enroll in Medicare, the Medicare eligible State retiree and their dependent(s) will be responsible for any claim expenses that would have been paid under Medicare Parts A or B, had they enrolled in Medicare. If a retiree or covered dependent's Medicare eligibility is due to End State Renal Disease (ESRD), they must sign up for both Medicare Parts A & B as soon as they are eligible.		
Non-Medicare COB	When the State's plan is the secondary payor, payments will be limited to only that balance of claim expenses that will reach the published limits of the State's plan.

Prescription Drug Benefits

The State offers prescription drug coverage through a separate plan from your medical plan. To have prescription drug coverage you **must** enroll in it.

The prescription drug plan is administered by Express Scripts. After you elect coverage, you will receive an ID card to present when you have your prescriptions filled.

Here are some important features of the program:

- Your prescription drug coverage has a “mandatory generics” feature. If you purchase a brand name medication when a generic medication is available, even if the brand name medication is prescribed by your doctor, you must pay the difference in price between the brand name and the generic, **plus** the applicable copayment.
- A home delivery service is available for prescribed maintenance medications (medications you take regularly for an ongoing health condition) with no cost for standard Prescription Drug Benefits shipping.
- There is no copayment for certain classes of generic medications filled at a retail pharmacy and through the Express Scripts Pharmacy home delivery program.
- If you are eligible for Medicare, your prescription drug coverage is sponsored through the Medicare Part D program. When you become eligible for Medicare, you will be enrolled in Express Scripts Medicare™ (PDP) for the State of Maryland.
- Active employees represented by Bargaining Unit I (SLEOLA) have a different premium schedule and plan design for prescription drug benefits. Please refer to the SLEOLA Addendum or visit the Employee Benefit Division’s website for more information: www.dbm.maryland.gov/benefits.

Express Scripts can provide you with additional plan information, participating pharmacy locations, the preferred drug list, prescription costs and other plan information. Please see the inside front cover of this guide for Express Scripts’ contact information.

Coverage for Generic Drugs

Generic drugs are those drugs approved by the FDA as being as safe and effective as their brand name counterparts; they are just less expensive.

Preferred Brand Name Medications

Preferred brand name medications are those medications that Express Scripts has on its formulary (preferred drug list). Express Scripts uses an independent panel of doctors and pharmacists to evaluate the medications approved by the U.S. Food & Drug Administration (FDA) for inclusion on the preferred drug list.

Each prescription medication is reviewed for safety, side effects, efficacy (how well it works), ease of dosage and cost. Preferred medications are reviewed throughout the year and are subject to change.

This list is subject to change at any time. You can review and/or print the list at www.express-scripts.com. You may also call Express Scripts for a copy of the list.

You may refill your medications online or by phone. Visit www.StartHomeDelivery.com or call (877) 213-3867 to get started with home delivery service from the Express Scripts Pharmacy.

Zero Dollar Copay for Generics Program

To support your efforts to improve your health and help stick with your doctor's recommended treatment you do not pay a copayment for specific classes of generic medications at a retail pharmacy and through the Express Scripts Pharmacy home delivery program. The five drug classes, including some examples of generic medications covered under this program, are listed in the chart below. Not all generic drugs in these drug classes are covered under the Zero Dollar Copay for Generics Program.

If you are currently taking a brand name medication in one of these drug classes, please consult with your doctor to determine if a generic alternative is appropriate.

Zero-Dollar Copayment for Generics Program		
DRUG CLASS	USED TO TREAT	GENERIC MEDICATION
HMG CoA Reductase Inhibitors (Statins)	High Cholesterol	simvastatin (generic Zocor) pravastatin (generic Pravachol)
Angiotensin Converting Enzyme Inhibitors (ACEIs)	High Blood Pressure	lisinopril (generic Zestril) lisinopril/HCTZ (generic Zestoretic) enalapril (generic Vasotec) enalapril/HCTZ (generic Vaseretic)
Proton Pump Inhibitors (PPIs)	Ulcer/GERD	omeprazole (generic Prilosec)
Inhaled Corticosteroids	Asthma	budesonide (generic Pulmicort Respules)
Selective Serotonin Reuptake Inhibitors (SSRIs)	Depression	fluoxetine (generic Prozac) paroxetine (generic Paxil) sertraline (generic Zoloft) citalopram (generic Celexa)
Contraception Methods	Prevention of Pregnancy	Oral Contraceptives, Diaphragm, Levonorgestrel (Generic Plan B)
Tobacco Cessation	Smoking	Bupropion (generic Zyban)

*The standards of quality are the same for generics as brand name. The FDA requires that all medications be safe and effective. When a generic medication is approved and on the market, it has met the rigorous standards established by the FDA with respect to identification, strength, quality, purity and potency.

Your Cost for Prescription Drug Coverage

When you have a prescription filled at a retail pharmacy or home delivery, your copayment depends on the type of medication and the quantity purchased.

Type of Medication	Prescriptions for 1-45 Days (1 copay)	Prescriptions for 46-90 Days (2 copays)
Generic	\$10	\$20
Preferred brand name	\$25	\$50
Non-preferred brand name	\$40	\$80

Home Delivery Program

Home delivery from the Express Scripts Pharmacy delivers your maintenance medications, (the prescription medication you take regularly to treat an ongoing condition), to your home with no cost for standard shipping.

Annual Out-of-Pocket Copayment Maximum for Prescription Drugs

The annual out-of-pocket copayment maximum for prescription drugs is separate from your medical plan's annual out-of-pocket maximum and is as follows:

- Active Employees: \$1,000 per individual and \$1,500 per family
- Retirees: \$1,500 per individual and \$2,000 per family.

This means that when the total amount of copayments you and/or your covered dependents pay for prescription drugs during the plan year reaches the annual out-of-pocket copayment maximum, the plan will pay 100% of your prescription drug costs for the remainder of the plan year (through December 31).

If you purchase a brand name medication when a generic medication is available, your copayment will count toward your annual out-of-pocket copayment maximum but the difference in cost you pay between the generic and brand name medication **will not** count toward the maximum.

Specialty Drug Management Program

Accredo®, the Express Scripts specialty pharmacy, ensures the appropriate use of specialty medications. Many specialty medications are biotech medications that may require special handling and may be difficult to tolerate.

The specialty medications included in this program may be used for the treatment of rheumatoid arthritis, multiple sclerosis, blood disorders, cancer, hepatitis C or osteoporosis. Specialty medications will be reviewed automatically for step therapy, prior authorization and quantity of dosage limits. These specialty medications will be limited to a maximum 30-day supply per prescription per fill. Some of these specialty drugs are listed in the chart below.

NOTE: You will still pay just two copayments per 90 days of medication. On your first and second 30-day fill, you will pay the standard under 46 day-fill copay. Your third fill will be covered 100% by the Plan and no copay will be required.

Disease	Specialty Medications in the Specialty Drug Management Program
Rheumatoid Arthritis	Enbrel, Humira, Kineret, Orencia, Orthovisc, Remicade, Synvisc
Multiple Sclerosis	Avonex, Copaxone, Mitoxantrone, Novantrone, Rebif, Acthar, HP, Tysabri, Gilenya, Aubagio, Tecfidera
Blood Disorder	Arixtra, Fragmin, Innohep, Lovenox, Nplate, Procrit, Leukine, Neulasta, Neupogen, Neumega, Proleukin, anti-hemophiliac agents
Cancer	Afinitor, Gleevec, Iressa, Nexavar, Revlimid, Sprycel, Sutent, Tarcva, Tassigna, Temodar, Thalomid, Treanda, Tykerb, Xeloda, Zolanza, Eligard, Plenaxis, Trelstar, Vantas, Viadur, Zoladex, Thyrogen, Aloxi IV, Anzemet IV, Kytril IV, Zofran IV, Bosulif, Stivarga, Pomalyst, Cometriq, Iclusig, Afinitor Disperz
Hepatitis C	Alferon N, Copegus, Infergen, Intron A, Pegasys, Rebetol, Ribasphere, Ribavirin, Roferon-A
Osteoporosis	Forteo, Reclast

*This list is subject to change without notice to accommodate new prescription medications and to reflect the most current medical literature.

Accredo emphasizes the importance of patient care and quality customer service. As an Accredo patient, you will have access to a team of specialists including pharmacists, nurse clinicians, social workers, patient care coordinators and reimbursement specialists who will work closely with you and your doctor throughout your course of therapy. Accredo also provides an on-call pharmacist 24 hours a day, 7 days a week. However, you may fill your specialty medications at any pharmacy in the Express Scripts network that carries the medication.

Prior Authorization Medications

Some prescription medications require prior authorization before they can be covered under the prescription drug plan. Your doctor will need to provide more information about why these medications are being prescribed so Express Scripts can verify their medical necessity (as opposed to being prescribed for cosmetic purposes). Prior authorization medications include, but are not limited to, the following:

- Retin-A (Retin-A micro is not covered)
- Dexedrine
- Desoxyn
- Growth hormones
- Adderall

Medications with Quantity Limits

Some medications have limits on the quantities that will be covered under the prescription drug plan. Quantity limits are placed on prescriptions to make sure you receive the safe daily dose as recommended by the FDA and medical studies. Some medications with quantity limits include, but are not limited to, the following:

- Erectile dysfunction medications
- Proton pump inhibitors
- Sedatives
- Hypnotics (e.g., sleeping pills)
- Nasal inhalers

When you go to the pharmacy for a prescription medication with a quantity limitation, your copayment will only cover the quantity allowed by the plan. You may still purchase the additional quantities, but you will pay the additional cost. The cost of the additional quantities will not count toward your annual out-of-pocket copayment maximum.

The list of quantity limitation medications is subject to change at any time and is available by visiting www.express-scripts.com.

Step Therapy

Step therapy is a process for finding the best treatment while ensuring you are receiving the most appropriate medication therapy and reducing prescription drug costs. Celebrex is the only current step therapy medication.

Medications are grouped into two categories:

- **First-Line Medications:** These are the medications recommended for you to take first — usually generics, which have been proven safe and effective. You pay the lowest copayment for these.
- **Second-Line Medications:** These are brand name medications. They are recommended for you only if a first-line medication does not work. You may pay more for brand name medications.

These steps follow the most current and appropriate medication therapy recommendations. Express Scripts will review your records for step therapy medications when you go to the pharmacy to fill a prescription. If your prescription is for a step therapy medication, the pharmacy will search your prescription records for use of a first-line alternative.

A note about the communications you will receive from Medicare.

Plan coverage documents and Explanation of Benefits will only show the Medicare Part D benefits. Remember that our plan wraps around those benefits so you don't have to pay the Part D cost share that appears in the communications you receive from Medicare.

If prior use of a first-line medication is not found, the second-line medication will not be covered. You will be required to obtain a new prescription from your doctor for one of the first-line alternatives, or have your doctor request a prior authorization for coverage of the second line medication.

Drug Exclusions

Some medications are excluded from coverage, including, but not limited to, the following:

- Vitamins and minerals (except for prescription prenatal vitamins).
- Prescription medications that are labeled by the FDA as “less than effective.”

Refer to the Express Scripts' State of Maryland website for a full list of excluded medications: www.express-scripts.com.

Medicare-Eligible Prescription Drug Coverage

If you are eligible for Medicare, your prescription drug coverage is provided through a Medicare Care Part D Standard plan. The official plan name is Express Scripts Medicare™ (PDP) for the State of Maryland. The common name for this type of plan is an Employer Group Waiver Plan (EGWP). You may see both names in the communications you receive. As an eligible retiree, you qualify for the EGWP as long as:

- You live in the United States;
- You are entitled to Medicare Part A, or you are enrolled in Medicare Part B (or you have both Part A and Part B); and
- You qualify for retiree health benefits from the State of Maryland.

Highlights of this plan include:

- You pay the same copays as noted in this guide for non-Medicare-eligible retirees.
- You have the same out of pocket maximums as non-Medicare-eligible retirees.
- You have one ID card.
- You don't deal with Medicare Part D – it's all handled behind the scenes.
- Many of the prescription drug step therapy, quantity limits and prior authorization requirements noted in this Section do not apply to you. Refer to your annual Notice of Coverage for information about what is and what is not allowed.

Those with limited incomes may qualify for Extra Help to pay for their Medicare prescription drug costs. If you are eligible to receive Extra Help, Medicare could pay up to seventy-five (75) percent or more of your drug costs, including monthly prescription drug premiums, annual deductibles and copayments. For more information about Extra Help, contact your local Social Security office or call Social Security at 1.800.772.1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call 1.800.325.0778.

Most people will pay the standard monthly Part D premium. However, some people pay an extra amount because of their yearly income. If your income is \$85,000 or above for an individual (or married individuals filing separately) or \$170,000 or above for married couples, you must pay an extra amount for your Medicare Part D coverage. If you have to pay an extra amount, the Social Security Administration, not your Medicare plan, will send you a letter telling you what that extra amount will be. For more information about Part D premiums based on income, you can visit <http://www.medicare.gov> on the Web or call 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048. Or you may also call the Social Security Administration at 1-800-772-1213. TTY users should call 1-800-325-0778.

Direct Member Reimbursement

If you or your covered dependent purchase a covered prescription medication without using your prescription drug card and pay the full cost of the medication, please do the following for your out-of-pocket expenses to be considered for reimbursement:

- Complete the Prescription Drug Claim Form. Forms are available by calling Express Scripts (877) 213-3867 or by going to www.dbm.maryland.gov/benefits and clicking on Prescription Drug.
- Attach a detailed pharmacy receipt. This includes medication dispensed, quantity and cost.
- Send the information to Express Scripts by mail to the address listed on the bottom of the form.

If the amount you paid is equal to or less than your copayment, it is not necessary to send in claims for reimbursement. The copayment is your responsibility and will not be reimbursed. However, if you have reached the annual out-of-pocket maximum, the copayment (or a smaller payment amount, if applicable) will be reimbursable.

All claimed reimbursements are subject to plan terms and conditions and therefore may not be eligible for reimbursement. All claims must be submitted within one year of the prescription fill date. Please allow 2 to 6 weeks for your reimbursement check to arrive at your address on file.

Dental Benefits

Dental coverage is available to all individuals who are eligible for State health benefits. You have two dental plans from which to choose:

- A Dental Preferred Provider Organization (DPPO) plan through United Concordia; or
- A Dental Health Maintenance Organization (DHMO) plan through Delta Dental.

How the Plans Work

The DPPO Plan

Under this plan, you do not have to select a Primary Dental Office (PDO). You may receive services from any dentist when you need care. If you use an out-of-network dentist, you must submit a claim form for reimbursement and may be billed for the amount charged that exceeds the allowed benefit. No referrals are needed for specialty care. Orthodontia services are only covered for eligible dependent children (not employees) age 26 or younger.

When you use an in-network DPPO dentist, the in-network dentist will bill the plan directly for the amount the plan will pay. You will be billed your share of the cost under the plan. You can access all of your dental information online any time on My Dental Benefits:

- Visit www.UnitedConcordia.com/statemid
- Select My Dental Benefits and sign in or create an account, then
- View all your Explanations of Benefits (EOBs) under Claims & Deductibles.

Feature	Benefit Coverage (In-Network and Out-of-Network Services)
Plan Year deductible	\$50 per individual; \$150 per family Only applies to Class II and Class III services
Plan Year Maximum	\$2,500 per participant; only applies to Class II and Class III services
Class I: Preventive services, initial periodic and emergency examinations, radiographs, prophylaxis (adult and child), fluoride treatments, sealants, emergency palliative treatment	Plan pays 100% of allowed benefit
Class II: Basic Restorative services, including composite/resin fillings, inlays, endodontic services, periodontal services, oral surgery services, general anesthesia, prosthodontic maintenance, relines and repairs to bridges, and dentures, space maintainers	Plan pays 70% of allowed benefit after deductible
Class III: Major services, including crowns and bridges, dentures (complete and partial), fixed prosthetics, implants	Plan pays 50% of allowed benefit after deductible
Class IV: Orthodontia (for eligible child(ren) only, age 26 or younger), diagnostic, active, retention treatment	Plan pays 50% of allowed benefit, up to \$2,000 lifetime maximum

The DHMO Plan

Delta Dental is the Program's DHMO carrier. Delta Dental offers quality, convenience, and predictable costs through their DeltaCare® USA network.

When you enroll, you'll select a DeltaCare USA primary care general dentist to provide services. Family members may select different dentists, as many as three per family, for treatment within the covered service area. You'll receive treatment from your primary care dentist. If you need treatment from a specialist, your DeltaCare USA primary care dentist will coordinate a referral for you.

With the DHMO there are no claim forms to complete, no deductibles or annual and lifetime dollar maximums. Preventive and diagnostic services are covered at low or no costs.

You must visit your selected primary care dentist to receive benefits under your plan. If you don't select a dentist, Delta Dental will choose one for you near your home address.

To select a primary care dentist:

- Visit deltadentalins.com/statemd and click on "Find a Dentist."
- Select "DeltaCare USA" as your plan network.
- Once you have selected a dentist, call Delta Dental's Customer Service at 844-697-0578 with the dentist's name and practice number.

Selections of or changes to primary dentists received by the 21st of the month will be effective the first day of the following month. You can also call Customer Service at 844-697-0578 for help with finding or changing a dentist.

Continuous orthodontic coverage:

If you or an eligible family member has started orthodontic treatment (banding has taken place) under a previous plan, you may be able to continue that coverage when you switch to Delta Dental DHMO dentist through a provision called orthodontic treatment in progress. Please contact Delta Dental at 844-697-0578 for details.

Out-of-area emergencies:

If you experience an emergency while traveling outside the service area of your network office, you may use your out-of-area emergency benefit. This benefit provides for emergency treatment up to a maximum allowance of \$100. You may initially be required to pay for services upon treatment. To receive reimbursement, simply submit a copy of the itemized treatment from the attending dentist to Delta Dental within 90 days of treatment. Depending on the plan benefits, copayments may apply.

Online Services Available:

You can access your eligibility and benefits information online with a secure, simple Online Services account:

- Visit deltadentalins.com/statemd
- Select "Register Today" in the "Online Services" box and create your profile. You can choose to go paperless and receive email alerts when new documents are ready to view, too!
- Read your information anytime from your desktop or mobile device.

Important note: Before enrolling, we strongly recommend that you contact your primary care dental facility to be sure that the facility participates in Delta Dental's DeltaCare® USA DHMO network. The plan cannot guarantee the continued participation of a particular facility or dentist.

Predetermination of Benefits

You or your dentist should seek predetermination of benefits before a major dental procedure so you and your dentist will know exactly what will be covered and what you will need to pay out-of-pocket.

If your dentist discontinues participation in the plan, is terminated from the network or closes his/her practice to new patients, you will need to select another primary care dentist. You will not be able to change your plan or withdraw from the plan until the next Open Enrollment period.

ADA Code	ADA Description	Member Pays \$
0120	Periodic oral evaluation - established patient	0
0140	Limited oral evaluation - problem focused	0
0150	Comprehensive oral evaluation - new or established patient	0

2790	Crown - full cast high noble metal	228
2792	Crown - full cast noble metal	264
2920	Recement or rebond crown	15
2950	Core buildup, including any pins	100
2954	Prefabricated post and core in addition to crown	108
3310	Root canal - Endodontic therapy, anterior tooth (excluding final restoration)	108
3320	Root canal - Endodontic therapy, bicuspid tooth (excluding final restoration)	144
3330	Root canal - Endodontic therapy, molar (excluding final restoration)	198
4341	Periodontal scaling and root planing - four or more teeth per quadrant	60
4910	Periodontal maintenance	30
7140	Extraction, erupted tooth or exposed root (elevation and/or forceps removal)	20
7210	Surgical removal of erupted tooth requiring removal of bone and/or sectioning of tooth, and including elevation of mucoperiosteal flap if indicated	27
7230	Removal of impacted tooth - partially bony	55
7240	Removal of impacted tooth - completely bony	65
9110	Palliative (emergency) treatment of dental pain - minor procedure	15
9220	Deep sedation/general anesthesia - first 30 minutes	205
PLEASE REFER TO THE DBM Website for a complete DHMO Copay Schedule at www.dbm.maryland.gov/benefits.		

Flexible Spending Accounts

A Flexible Spending Account (FSA) is an account that allows you to set aside pre-tax dollars from your pay to be reimbursed for qualified health care or dependent day care expenses. You choose how much money you want to contribute to an FSA at the beginning of each plan year. You can be reimbursed from your account throughout the plan year.

There are two types of FSAs: a health care FSA and a dependent day care FSA. The FSAs are administered by ConnectYourCare.

There are hundreds of eligible expenses for your FSA funds, including prescriptions, doctor office copays, health insurance deductibles and coinsurance for you, your spouse or eligible dependents, and day care for your eligible dependents while you work.

Tax Savings with an FSA

All FSA contributions are pre-tax, which means they come out of your pay before taxes. You save money by not paying taxes on the amount you contribute to your account to for eligible health care and dependent day care expenses.

Let's look at how much the average State of Maryland employee saves with an FSA. The example below illustrates what your coworkers saved with an FSA last year.

	With FSA	Without FSA
Average employee pre-tax contribution to FSA	\$1,535	\$0
Tax savings from FSA contributions*	\$460	\$0
Average savings your coworkers enjoyed from their 2013 FSA	=\$460	=\$0

* Assuming a 30% tax rate. Actual savings will vary based on your individual tax situation; please consult a tax professional for more information.

Health Care Flexible Spending Account

Through a Health Care Flexible Spending Account, you can be reimbursed tax-free for eligible out-of-pocket health care expenses not paid by insurance, including deductibles, copays or coinsurance for eligible medical, prescription, dental, vision and certain eligible over-the-counter (OTC) items. For a complete list of what's covered and what's not, visit www.irs.gov/publications/p502.

You can use the Health Care Flexible Spending Account to pay eligible health care expenses for yourself, your spouse, and your dependent children (as defined by the IRC Section 152 to include biological child, stepchild, adopted child, eligible grandchild or legal ward) who have not reached age 27 by the end of the taxable year. You and your dependents(s) do not have to be covered under a State medical plan to participate in an FSA. To change the contributions you make to this account, the same qualifying status change rules apply as for the medical plans.

For 2015, you may contribute between \$120 and \$2,500 on a pre-tax basis to your health care FSA. IRS regulations do not allow Health Care FSA funds to roll over from one year to the next, so be sure to plan carefully when deciding how much to contribute. **Any amount remaining in your account at year-end for which you did not file a claim will be forfeited.**

Healthcare FSA	Minimum	Maximum
Annually	\$120.00	\$2,500.00
12 pay period deductions	\$10.00	\$208.33
24 pay period deductions	\$5.00	\$104.16
19 or 20 Pay Faculty Scheduled deduction*	19 = \$6.31 20 = \$6.00	19 = \$131.57 20 = \$125.00

* 20 or 21 pay faculty members must contact the Personnel Office of their respective institution to determine their pay schedule for the multiple deduction pay periods. Multiple deduction schedules differ by institution.

This plan is intended not to discriminate in favor of highly compensated employees as to eligibility to participate, contribution and benefits in accordance with applicable provisions of the Internal Revenue Code. The Plan Administrator must take such actions as excluding certain highly compensated individuals from participation in the plan or limiting the contributions made with respect to certain highly compensated participants if, in the Plan Administrator's judgment, such actions serve to assure that the plan does not violate applicable nondiscrimination rules.

Use It or Lose It!

Estimate carefully so that you can be sure you will use all of your FSA funds by the end of the year!

You may still have to submit receipts for some of your purchases (per IRS regulations), so don't throw your itemized receipts away – you may be asked to show them even after reimbursement has been made.

Reimbursement

For the Health Care FSA, the easiest way to pay for eligible expenses is by using the health care payment card. But, when you cannot use your card for Health Care FSA purchases, you may pay the amount due out of your pocket and then submit a reimbursement request by following the steps below:

- When you pay for an eligible expense, keep your itemized receipt as documentation.
- Submit a claim online at www.connectyourcare.com/statemd or use the mobile application. (If you do not have web or mobile access, you may contact Customer Service to request a paper claim form.)
- For easy reimbursement, sign up to receive all reimbursements through direct deposit to your checking or savings accounts.

How does the payment card work?

The payment card is like a debit card. It allows you to access your FSA funds quickly and easily. At many retailers, doctors' offices, vision centers, hospitals, pharmacies and grocery stores (for eligible over-the-counter items), your charges may be verified automatically as an eligible expense, reducing the need for you to submit receipts.

When will my payment card expire?

Be sure to keep your card (even after your funds have been used for the plan year) for future plan years. Your card will remain active for four years from the date of issue; it is good through the last day of the month shown on your card. When your card is nearing its expiration date, a new card will be mailed to the address on file automatically, approximately two weeks before your current card expires as long as you continue to enroll in a Health Care FSA.

What items may I purchase using my payment card?

You can pay for most eligible expenses by using the card, including the cost of prescription drugs, certain over-the-counter items at most retailers, and doctors' charges at offices that accept debit cards. Your card will not work at retail locations that do not offer health care items or medical services. ***Dependent Day Care FSA funds cannot be paid by using the card.***

Health Care Payment Cards for Over-The-Counter (OTC) Medicines

Under the Affordable Care Act (also known as "health care reform"), all OTC items containing a drug or medication, like cold medicine, allergy treatment, and pain relievers, require prescriptions for reimbursement. Some retailers will accept your OTC prescriptions at the point of sale and will allow you to use your health care payment card for these items. However, for many of these purchases, you will have to pay out of pocket and submit an online or paper claim for reimbursement. Be sure to include a valid prescription along with your receipt in order to be reimbursed. Please see www.ConnectYourCare.com/statemd for details.

USING YOUR ONLINE HEALTH CARE ACCOUNT

The Health Care FSA comes with an online account feature. Use your online account to do the following:

- Get your account balance
- View payment card charges
- Enter a new claim
- View claim status
- Find answers to frequently asked questions
- Access WebMDSM health education tools

CYC Mobile

ConnectYourCare's secure mobile application, CYC Mobile, allows you to access all your health care account information from your mobile device. You may also obtain your account balance using the automated telephone service. Simply call the Customer Service Center at 866-971-4646.

FSA Distributions for Reservists

The Heroes Earning Assistance and Relief Tax Act of 2008 (HEART Act) allows plans to offer "qualified reservist distributions" of unused amounts in health care flexible spending accounts (FSAs) to reservists ordered or called to active duty for at least 180 days or on an indefinite basis. An Employee must request a qualified reservist distribution on or after the date of the order or call to active duty, and before the last day of the plan year (or grace period, if applicable) during which the order or call to active duty occurred. The Employee Benefits Division must receive a copy of the order or call to active duty (or extension thereof) to confirm compliance with the 180-day/indefinite requirement. To request a distribution of unused amounts contributed to the health care FSA, submit your request in writing along with a copy of your orders to the Employee Benefits Division before December 31 of the plan year.

Dependent Day Care Flexible Spending Account

The Dependent Day Care FSA covers dependent day care expenses that allow you (or you and your spouse, if married) to work or look for work, or allow you to work and your spouse to attend school full-time. The care may be provided inside or outside of your home and may include things like day care, before- and after-school programs, summer day camp and preschool tuition.

You can use the Dependent Day Care FSA to pay eligible expenses for the care of:

- Your dependent children under age 13; and
- Care of a child under age 13 at a day camp, nursery school, or by a private sitter for a child that lives in your home at least eight hours a day;
- Before- and after-school care (must be kept separate from tuition expenses);
- Care of an incapacitated adult who lives with you at least eight hours a day; and
- Expenses for a housekeeper whose duties include caring for an eligible dependent.

For 2015, you may contribute between \$120 and \$5,000 on a pre-tax basis (or up to \$2,500 a year pre-tax if married and filing separately), to your Dependent Day Care FSA to pay for eligible dependent day care expenses. IRS regulations do not allow dependent day care FSA funds to roll over from one year to the next, so be sure to plan carefully when deciding how much to contribute. **Any amount remaining in your account at year-end for which you did not file a claim will be forfeited.**

Dependent Day Care FSA	Minimum	Maximum
Annually	\$120.00	\$5,000.00
12 pay period deductions	\$10.00	\$416.66
24 pay period deductions	\$5.00	\$208.33
19 or 20 Pay Faculty Scheduled deduction*	19 = \$6.31 20 = \$6.00	19 = \$263.15 20 = \$250.00

* 20 or 21 pay faculty members must contact the Personnel Office of their respective institution to determine their pay schedule for the multiple deduction pay periods. Multiple deduction schedules differ by institution.

IMPORTANT NOTE: If you retire or terminate employment during the plan year, you may only seek reimbursement for claims incurred through your last day of employment. Remaining unused funds will be forfeited.

What's Not Covered

Eligible dependent day care services cannot be provided by a person you are claiming as your dependent. You will need the Social Security or tax identification number of the person or facility that provides the care. Sample ineligible expenses include the following:

- Education and tuition fees;
- Late payment fees;
- Overnight camps (in general);
- Sports lessons, field trips, clothing; and
- Transportation to and from a dependent day care provider.

Reimbursement

All Dependent Day Care Expenses must be submitted for reimbursement either online or using a paper claim form. Requests for reimbursements for Dependent Day Care Expenses cannot be made until the service is provided.

Timeline for Using Account Funds

You must use all of your FSA funds by the date below or the remaining funds will be forfeited, in accordance with IRS regulations. Be sure to plan carefully so you contribute the right amount.

Availability of FSA funds

You may be reimbursed from your Health Care FSA at any time throughout the plan year for expenses up to the full amount you elected to contribute. This means you have your full contribution amount available to you on the first day of the plan year.

However, you can only be reimbursed from the Dependent Day Care FSA up to the amount contributed at the time care is received. If you submit a reimbursement request for more than your current balance, it will be held until additional contributions have been added to your account during subsequent payroll deductions.

Deadline for Eligible Expenses

You have until **March 15, 2016** to incur eligible expenses for your Health Care FSA. You have until **December 31, 2015** to incur eligible expenses for your Dependent Day Care FSA.

Deadline for Submitting Reimbursement Requests

For both the Health Care FSA and the Dependent Day Care FSA, you have until **April 15, 2016** to submit claims for eligible expenses. Remember, even though you have until **April 15, 2016** to submit the claim, the service dates must be on or before the dates listed above to be eligible for reimbursement.

Term Life Insurance

Group Term Life insurance provides a base level of protection that will help protect your family against the unexpected loss of your life during your working years. Term Life insurance builds no cash value; it simply pays a benefit at your death.

Life Insurance Choices for Active Employees

Coverage for Yourself

If you are an eligible employee, you may elect coverage in \$10,000 increments up to \$300,000. If you are a public safety employee who scuba dives, or you fly in or pilot a helicopter as part of your job, you may elect coverage in \$10,000 increments up to a maximum of \$500,000.

You may choose up to \$50,000 of guaranteed coverage without completing an Evidence of Insurability (EOI) form. To receive guaranteed coverage, you must elect coverage within 60 days after your start date. If you select coverage greater than \$50,000 for yourself, or if you elect coverage after your initial eligibility, you must complete and submit an EOI form to Minnesota Life. Benefit amounts over \$50,000 will not be in effect, nor will the increased premiums be deducted from your pay, until Minnesota Life approves the additional coverage.

Coverage for Your Dependents

You may elect coverage for your dependents in \$5,000 increments up to a maximum of \$150,000 or half of your life insurance amount, whichever is less.

You may elect coverage up to the guaranteed coverage amount of \$25,000 for your Spouse and up to \$25,000 for each of your eligible child(ren), subject to the limit above, without providing an EOI form. If total coverage is greater than \$25,000, an EOI form is required.

PLEASE NOTE:

- Dependent eligibility requirements for term life insurance are the same as the requirements for all other plans.
- Dependents with life insurance who become ineligible may contact the plan for information to convert to an individual life insurance policy within 31 days after becoming ineligible. Please contact Minnesota Life at 1-866-883-3514 for more information.
- Premium changes due to age start at the beginning of each plan year (January 1) based on your age on January 1.
- The life insurance offered to you and your dependents is term life coverage. This type of life insurance has no cash value.

How the Plan Works During Active Employment

New Enrollment

For new enrollment in the Group Term Life Insurance plan offered through the State to begin, you must be employed by the State of Maryland and performing services for compensation on your regularly scheduled working days. "Actively at work" means the individual is performing the material duties of his/her own occupation at the employer's usual place of business. You are considered **Actively at Work** if an absence is due to a regularly scheduled day off, holiday or vacation day.

If you do not enroll when first eligible, you will have to wait until the next Open Enrollment period.

No Duplication of Benefits or Enrollment

You cannot have duplicate life insurance coverage under the State plan. If you and your spouse are both State employees and/or retirees, and you cover yourself for life insurance, you cannot be covered as a dependent of your spouse. Also, children of State employees and retirees cannot have duplicate coverage under both parents. If a child has coverage as a State employee, he or she cannot also be covered as a dependent. Minnesota Life will only pay benefits under one policy.

You are always the beneficiary for your dependent's life insurance coverage.

Changing Coverage and When Coverage is Effective

If you are currently enrolled in the plan, you may continue at your current coverage level each plan year without medical review. If your election requires proof of good health, you must submit the Evidence of Insurability (EOI) form directly to Minnesota Life. Your increased coverage amount will become effective when you pay increased premiums on the later of:

- The first payroll following January 1 of the new plan year;
- The next closest pay date following the date Minnesota Life approves your Evidence of Insurability; or

If your request for increased coverage is denied, your coverage will remain at your previous amount.

Plan Features

Accelerated Benefit

An Accelerated Benefit is available in the event of a terminal illness. An insured employee, spouse or child has the option to receive an accelerated benefit of up to 100% of the life insurance coverage amount, if the insured person is medically certified by Minnesota Life to be terminally ill with less than 12 months to live and has at least \$10,000 in coverage. (This only applies to active employees.)

Waiver of Premium During Total Disability

If you become totally disabled before you reach age 60 and are enrolled in the term life insurance plan as an active State employee on your date of disability, you may be entitled to a waiver of premium after nine months of total disability.

Conversion and Portability of Coverage

If you are no longer eligible for coverage as an active employee and are not retiring, you may transfer your Group Term Life insurance as well as your in-force dependent life insurance (portable coverage ends at age 70) or you may convert you and your dependent's life coverage to an individual life insurance policy. Premiums may be higher than those paid by active employees. **NOTE:** You have 31 days after your termination date to select one of the above options.

Additional Benefits

If you are covered under the Term Life Insurance Plan, you and your dependents have access to legal services, travel assistance services, and legacy planning services; your beneficiaries have access to beneficiary financial counseling.

Beneficiaries

Minnesota Life requires a valid beneficiary designation on file. If you do not name a beneficiary, or if you are not survived by your named beneficiary, benefits will be paid according to the plan provisions listed in Minnesota Life's certificate of group coverage.

Beneficiaries can be changed at any time throughout the year. Beneficiary designation forms are available from Minnesota Life's web site: www.LifeBenefits.com/Maryland.

Life Insurance Choices When You Retire

Coverage for Yourself

State retirees who retire directly from State service may:

- Continue life insurance at the same coverage level, subject to the age-related reduction schedule;
- Reduce life insurance coverage to a minimum of \$10,000, also subject to the age-related reduction;
- Cancel life insurance coverage; or
- Convert to an individual policy.

You cannot increase your life insurance coverage or add new dependents to your life insurance coverage when you retire or at any time after retirement. If you reduce or cancel life insurance coverage, you will not be permitted to increase coverage or re-enroll in the State Life Insurance plan. There cannot be a break in life insurance coverage between active employment and retirement.

Coverage for Your Dependents

As a retiree, you may choose to continue, reduce, or cancel your dependent life insurance coverage for any dependents that were covered under the life insurance plan while you were an active employee.

Your dependent's life insurance can never be more than half of your life insurance coverage amount. Spouse or children who had life insurance as the dependent of a deceased retiree can only continue life insurance coverage through a conversion policy.

Automatic Reduction of Benefits for You and Your Dependents

As a retiree, life insurance benefits for you and your dependents will reduce automatically based on your age, according to the chart below. The reduction schedule is as follows:

At Age...	Benefits Reduce To...
65	65% of your or your dependent's original amount
70	45% of your or your dependent's original amount
75	30% of your or your dependent's original amount
80	20% of your or your dependent's original amount

For more information or questions about additional services, conversion policies, limitations, definitions, restrictions, terminating events, or exclusions, please call Minnesota Life at 1-866-883-3514 or visit their dedicated website for the State of Maryland's Group Term Life Insurance Plan: www.LifeBenefits.com/Maryland.

Accidental Death and Dismemberment

Accidental Death and Dismemberment (AD&D) is available to all active employees and their dependents eligible for health benefits with the State. AD&D is offered through Minnesota Life Insurance Company. AD&D insurance provides beneficiaries with additional financial protection if an insured's death or dismemberment is due to a covered accident, whether it occurs at work or elsewhere. Evidence of insurability is not required.

You can choose individual or family coverage in an amount equal to:

- \$100,000,
- \$200,000, or
- \$300,000.

If you choose family coverage, the amount of Dependent's AD&D Insurance is based on the composition of the employee's family as follows:

Employee's Family Consists of	Amount of AD&D Insurance
Spouse and Eligible Children	Spouse: 55% of employee's amount of insurance Each Child: 15% of employee's amount of insurance*
Spouse and No Eligible Children	65% of employee's amount of insurance
No Spouse but Eligible Children	25% of employee's amount of insurance*

*The maximum benefit for child coverage is \$50,000

How the Plan Works

Benefits will be paid within 365 days after the date of an accident. The plan will pay a percentage of the principal benefit amount depending on whether there is a loss of life or dismemberment. If more than one covered loss is sustained during one accident, the plan will pay all losses up to the principal sum.

As with Term Life Insurance, coverage under the AD&D Plan entitles you to additional benefits through Minnesota Life Insurance Company. For more information or questions about additional services, conversion policies, limitations, definitions, restrictions, terminating events, or exclusions, please call Minnesota Life at 1-866-883-3514 or visit their dedicated website for the State of Maryland's Group Term Life Insurance Plan: www.LifeBenefits.com/Maryland.

Long-Term Care Insurance

Long Term Care (LTC) provides assistance for someone with severe cognitive impairment or the inability to perform the Activities of Daily Living (ADLs), including bathing, dressing, eating, toileting, transferring, and continence. Services may be provided at home or in a facility and care may be provided by a professional or informal caregiver, such as a friend or family member. Coverage is offered by The Prudential Insurance Company of America (Prudential LTC).

How the Plan Works

To receive benefits, you must be confirmed as having a chronic illness or disability by a licensed health care practitioner. A qualifying chronic illness or disability is one in which there is:

- A loss of the ability to perform, without substantial assistance, at least two of the ADLs. This loss must be expected to continue for at least 90 days, or;
- A severe cognitive impairment, which requires substantial supervision to protect you from threats to your health and safety.

It's never too early to purchase LTC coverage. The younger you are when you first purchase coverage, generally the lower your premium for the life of your coverage, regardless of your age or health status in later years.

NOTE: Under Federal guidelines, LTC premiums cannot be paid with pre-tax deductions.

Coverage Exclusions

Your coverage does not provide benefits for the following:

1. Health Services resulting from Work-Connected Conditions. A charge covered by a worker's compensation law, occupational disease law or similar law.
2. Illness, treatment or medical conditions arising out of a) War or an act of war, whether declared or undeclared, while you are insured; or b) Your participation in a felony, riot or insurrection; or c) Alcoholism and drug addiction.
3. Treatment provided in a government facility, unless payment of the charge is required by law or services provided by any law or governmental plan under which you are covered. This does not apply to a state plan under Medicaid, to services paid for or provided by the Maryland Department of Health and Mental Hygiene, or to any law or plan when, by law, its benefits are excess to those of any private insurance program or other non-governmental program.
4. Charges for services or supplies for which no charge would be made in the absence of insurance.
5. Charges for care or treatment provided outside the United States except as described in the International Coverage benefit.
6. Charges arising from intentionally self-inflicted injury or attempted suicide.
7. Prohibited Practitioner Referral. Payment of any claim bill or demand or request for payment for health care services that the appropriate regulatory board determine were made as a result of a prohibited referral.

Non-Duplication of Medicare Benefits

Benefits under your Coverage are not payable for expenses for Qualified Long-Term Care Services to the extent that:

1. Such expenses are reimbursable under Medicare; or
2. Such expenses would be reimbursable under Medicare but for the application of a deductible or coinsurance amount.

This provision does not apply if the following situations apply:

1. Such expenses are reimbursable by Medicare as a secondary payer.
2. Claim is under the Cash Alternative Benefit, Cash Benefit or Flexible Cash Benefit, if any.

Guaranteed Issue for Actively-at-Work Employees Who Enroll Within 60 Days of Their Date of Hire

If you are a new, permanent, actively-at-work State of Maryland/Satellite Account employee who works at least 20 hours per week, you can receive guaranteed issue coverage if you enroll within 60 days of your date of hire. That means you do not have to provide medical history to be approved for coverage. Employees enrolling under guaranteed issue must be actively at work on the coverage effective date. Current State employees, State retirees and all family members covered by active employees or retirees who do not enroll when first eligible must provide medical history to be approved for coverage.

PRUDENTIAL GROUP LONG-TERM CARE

Eligibility	Permanent, actively-at-work, regular full-time and part-time employees who work at least 20 hours per week, their spouses, retirees and their spouses, children age 18 and older and their spouses, siblings, parents, parents-in-law, grandparents, and grandparents-in-law are eligible.		
Coverage Amounts	Assisted Living & Facility Daily Benefit*	Home Care Daily Benefit*	Lifetime Maximum**
Plan 1	\$100.00	\$50.00	\$109,500
Plan 2	\$150.00	\$75.00	\$164,250
Plan 3	\$200.00	\$100.00	\$219,000
Plan 4	\$250.00	\$125.00	\$273,750
Plan 5	\$100.00	\$50.00	\$219,000
Plan 6	\$150.00	\$75.00	\$328,500
Plan 7	\$200.00	\$100.00	\$438,000
Plan 8	\$250.00	\$125.00	\$547,500
	*Benefits are paid up to the Facility Daily Benefit. **All benefits paid will be deducted from the Lifetime Maximum except for Private Care Management.		
Benefit Eligibility	Individuals must be assessed and certified by a Licensed Health Care Practitioner as having a Chronic Illness or Disability. This means that the insured is unable to perform, without substantial assistance, two out of the six activities of daily living (ADLs)—bathing, dressing, eating, toileting, transferring, or continence—for at least 90 days; or the insured has a severe cognitive impairment (loss or deterioration in intellectual capacity) that requires ongoing help or supervision. A Licensed Health Care Practitioner must then develop a Plan of Care, consistent with the certification. The Plan of Care will be used to determine benefits based on the plan option chosen.		
Waiting/Elimination Period	One time, 90-day period (counted in calendar days). No waiting period for Hospice Care, Home Support Services, Respite Care, Information and Referral Services or Private Care Management.		
Guaranteed Purchase Option	Every three years, Prudential will increase the benefit levels to keep up with inflation without insured having to provide proof of good health.		
Marriage Discount	Premiums for married persons are discounted 10%.		
Restoration of Benefits	If a claimant is no longer considered to have a chronic illness or disability for a period of at least six consecutive months, Prudential restores the Lifetime Maximum to the level in effect prior to claim.		
Cash Alternative	This feature provides you with an option to address your long-term care needs in any manner you choose. It provides a monthly fixed benefit in lieu of reimbursement for eligible charges for Home Care. The benefit is equal to 50% of the Daily Benefit for Home Care. The Cash Alternative benefit will reduce the Lifetime Maximum benefit and is subject to the Elimination Period.		
Death Benefit	A portion of the premiums an insured has already paid into the plan may be returned if the insured dies. The refund of paid premium is based on the insured's age at death and is decreased by any benefits paid under the plan. There is a 100% refund through age 64, reduced by 10% each year starting at age 65.		
Additional Benefits	Bed Reservation, Hospice Care, Respite Care, Home Support, Information and Referral Services, Private Care Management, International Benefit, and Alternate Plan of Care.		
Optional Features	Automatic Compound 5% Inflation Protection Option and Non-Forfeiture—Shortened Benefit Period Option.		
Payment Method	Choose from convenient payroll deduction, EFT payments, or direct billing. (Discounts are available for direct billing.)		
Waiver of Premium	After benefit eligibility criteria are met and any applicable Elimination Period is satisfied, premiums will be waived.		
Portability	If you change jobs or retire, you can take your coverage with you.		
Contact (for more information, employee enrollment, or to download enrollment forms)	Visit www.prudential.com/gltcweb/maryland OR Call 855-778-5821 Mon. – Fri., 8:00 a.m. to 8:00 p.m. (ET)		

Eligibility

The charts on the following pages explain if you are eligible for benefits under the State of Maryland Employee and Retiree Health and Welfare Benefits Program. If you are eligible, you may also cover your eligible dependents for certain benefits.

For plans in which you are enrolled, your dependents must be in one of the categories listed in the table on page 42. Beneficiaries of deceased State retirees can only cover dependents who would be eligible dependents of the State retiree if he/she were still living.

Refer to the Required Documentation for Dependents section for a list of documentation you must submit for all newly enrolled dependents.

NOTE: It is your responsibility to remove a covered dependent child or spouse immediately when he/she no longer meets dependent eligibility criteria provided on page 42. Children reaching age 26 with no disability certification are removed from coverage automatically at the end of the month in which they reach age 26. A notice will be sent to your address on file in advance of the termination of coverage.

When Coverage Begins

Generally speaking if enrolling during the annual Open Enrollment period, the coverage you elect will begin January 1 and remain in effect through December 31 of the same calendar year unless you have a qualifying status change that allows you to make a mid-year change in coverage, as described under the Qualifying Status Changes section. The Federal Affordable Care Act may alter timing in some particular circumstances.

Refer to the chart below to see when your coverage begins when not enrolling during the annual Open Enrollment period.

If you are...	Coverage becomes effective...
A new active employee enrolling for the first time	Either the 1st or 16th of the month, based on the pay period in which the first deduction is taken.
An active employee making an authorized mid-year change in coverage	Either the 1st or 16th of the month, based on the pay period in which the first deduction is taken following a qualifying status change. (Some employees have only one single monthly deduction.)
Newly retired and enrolling for retiree benefits for the first time	1st of the month, based on the month in which the first deduction is taken or when payment is received (for direct pay enrollees paying by coupons).
A retiree making an authorized mid-year change in coverage	1st of the month, based on the month in which the first deduction is taken from your retirement allowance or when payment is received for direct pay enrollees.

Special Note for Active Employees

Your effective date of coverage depends on the pay period ending date for which the first benefit deduction is taken. The pay period ending date is shown on each paycheck stub. Paychecks are distributed approximately one week after the pay period ending date.

If you miss any premium deductions (e.g., because of a short-term disability absence or a transfer between two State agencies), you must pay all missed premiums or your coverage may be canceled. Alternatively, you may be referred to the State Central Collections Unit (CCU) for collection. In some cases, you must pay the subsidy portion of your coverage as well. Missing one or two pay periods is considered a short-term leave of absence. Please review the policy in the Leave of Absence/COBRA Coverage. The Employee Benefits Division will bill you for missed premiums; the payment deadline is strictly enforced.

If you missed deductions because you transferred between two agencies or because of a payroll error, please contact your Agency Benefits Coordinator immediately so your Coordinator can calculate your

Two State employees and/or retirees may not be covered as both the employee and a dependent in the same plan. It is your responsibility to make sure that you and your dependents do not have duplicate State coverage. This includes your children who may also be State employees. **Duplicate benefits will not be paid.**

share of the premiums and submit a retroactive adjustment form. This must be done so your benefits continue without interruption for the remainder of the plan year.

If your benefits are canceled, you will not be permitted to re-enroll until the next Open Enrollment period.

Your Cost

The amount you pay for benefits coverage depends on several factors, including:

- The benefit plans you choose;
- Whom you choose to cover;
- Your age (for Life Insurance and Long Term Care Insurance only);
- Your Medicare eligibility;
- Your status (full-time permanent, part-time permanent, contractual/variable hour employee, retiree, ORP retiree, etc.); and
- Your length of service with the State (for retirees only).

If you are eligible for the maximum State subsidy, you pay the amount shown on the Employee and Retiree Rate Sheet. However, some individuals are eligible for only a percentage of the State subsidy or are not eligible to receive the State subsidy. Separate rate sheets are available for these individuals.

Part-time permanent (working less than a 50% work week), COBRA members, and employees on an approved personal leave of absence do not receive any State subsidy of their coverage and should refer to the Direct Pay Rate Sheet. Contractual/Variable hour employees who work less than 30 hours/week or 130 hours/month do not receive any State subsidy for their coverage. Contractual/Variable hour employees working more than 30 hours/week or an average of 130 hours/month receive an alternative State subsidy for medical and prescription coverage only. All Contractual/Variable hour employees regardless of the number of hours worked should refer to the Contractual/Variable Hour Rate Sheet. All rate sheets can be found at www.dbm.maryland.gov/benefits.

It is your responsibility to verify your benefit deductions on your check or retirement stub and your Benefits Summary Statement to ensure they match the coverage you elected. If there is an error, contact the following immediately:

- Your Agency Benefits Coordinator, if you are an Active, Satellite or Direct Pay employee; or
- The Employee Benefits Division, if you are a retiree or a COBRA enrollee.

Important Information About Imputed Income

Post-Tax Benefit Deductions and Imputed Income Taxation of Grandchildren/Legal Wards Over Age 25

Due to IRS and other federal tax rules and regulations, employers that offer health insurance benefits to grandchildren and/or legal wards over the age of 25 must follow certain rules and regulations regarding pre-tax and post-tax payroll deductions and the calculation of imputed income. These types of eligible children are treated differently under federal tax laws.

• Pre- vs. Post-Tax:

Pre-tax dollars can only be used for dependents that meet the federal definition of a dependent. Post-tax deductions must be taken for dependents covered on your plan who do not meet the federal definition of a dependent.

- **Imputed Income:**

For each group health insurance plan where there is an employee contribution and State subsidy in which you enroll your grandchild or legal ward, you are subject to tax withholding on the State's contribution toward the coverage for those dependents not qualified as tax dependents under the IRS code.

Imputed Income is the estimated value of the employer's financial contribution towards health insurance that is provided to grandchildren or legal wards. The value of this contribution must be reported to the IRS as taxable wages earned.

For premium information see the "January 2015-December 2015 Imputed Income" document at www.dbm.maryland.gov/benefits.

Retroactive Coverage

You may purchase coverage retroactively to the date you or your dependent(s) became eligible for coverage or retroactive to the date of the change in circumstances permitting a mid-year change in coverage, whichever is earlier, on a post-tax basis but no more than 60 days in arrears. See your Agency Benefits Coordinator or call the Employee Benefits Division for more information.

Employee retiring directly and enrolling in retiree health benefits will be sent an invoice from the Employee Benefits Division for any missed premiums between their date of retirement and the date premium deductions begin.

You may not retroactively cancel coverage, or retroactively elect to participate in a Flexible Spending Account.

Enrolling Eligible Dependents

You must submit documentation for each dependent you wish to enroll for coverage verifying he/she meets the eligibility requirements of the Program. If you do not provide all required documentation by the deadline, his/her coverage may be terminated. The following chart lists eligible dependents and the documents you must submit to cover an eligible dependent. Photocopies are acceptable provided any seal or official certification can be seen clearly.

Dependent Relationship	Eligibility Criteria	Required Documentation
Spouse	<ul style="list-style-type: none"> Lawfully married to an employee or retired employee as recognized by the laws of the State of Maryland or in a jurisdiction where such marriage is legal 	<ul style="list-style-type: none"> Affidavit for Dependent Eligibility* Official State marriage certificate (must be a certified copy and dated by the appropriate State or County official, such as the Clerk of Court): <ul style="list-style-type: none"> From the court in the County or City in which the marriage took place; or From the Maryland Division of Vital Records for marriages that occurred at least six months prior to enrollment; or From the Department of Health and Mental Hygiene (DHMH) website: www.dhmh.maryland.gov (click Online Services) – also www.vitalchek.com
Children <ul style="list-style-type: none"> Biological Child Adopted Child Step-child 	<ul style="list-style-type: none"> Under age 26 Except for grandchildren and legal wards, no requirement to reside in your home May be eligible for coverage under own employer May be married or unmarried, or; Over age 26 and incapable of self-support due to mental or physical incapacity incurred prior to age 26 	<ul style="list-style-type: none"> Affidavit for Dependent Eligibility*** plus applicable documentation listed below. Biological Child <ul style="list-style-type: none"> Copy of child's official state birth certificate showing lineage Adopted Child <ul style="list-style-type: none"> Pending Adoption: Notice of placement for adoption on adoption agency letterhead or copy of court order placing child pending final adoption Final Adoption: Copy of final adoption decree signed by a judge or a State-issued birth certificate showing employee/retiree as the parent Step-child <ul style="list-style-type: none"> Copy of child's official state birth certificate with name of spouse of employee/retiree as child's parent Copy of employee/retiree's official state marriage certificate Child with mental or physical incapacity incurred prior to age 26 <ul style="list-style-type: none"> Copy of child's disability certification form in addition to applicable documentation above
Other Child Relatives <ul style="list-style-type: none"> Grandchild Legal ward Step-grandchild or other dependent child relatives 	<ul style="list-style-type: none"> Under age 26 Must reside in your home Must be unmarried May not be eligible for coverage under own employer For whom you provide sole support 	<ul style="list-style-type: none"> Other Child Relatives (for all types) <ul style="list-style-type: none"> Affidavit for Dependent Eligibility* Copy of child's official state birth certificate showing lineage Proof of permanent residence with enrolled employee/retiree (one of the following): <ul style="list-style-type: none"> Valid driver's license, State-issued identification card, School records certifying child's address, Day care records certifying child's address, or Tax documents with child's name listed certifying address. Must also submit following specific documentation for specified dependent: <ul style="list-style-type: none"> Legal Wards (temporary guardianship not covered): <ul style="list-style-type: none"> Copy of Legal Ward/Testamentary court document, signed by a judge. Grandchild, Step-grandchild, or other child relative: <ul style="list-style-type: none"> Proof of relation by blood or marriage
Medical Child Support Order		<ul style="list-style-type: none"> Copy of court order requiring Employee/Retiree to provide support and health coverage, signed by the child support officer or judge

*This form can be downloaded at www.dbm.maryland.gov/benefits

Note: Subsequent to the repeal of the Defense of Marriage Act in 2013, domestic partners and domestic partners' children are not eligible dependents under the Program after December 31, 2014.

Dependent Child to Age 26

- You can cover your eligible dependent child through the end of the month in which he/she turns age 26. Disability certification is required to cover children beyond age 26.
- If you cover grandchildren or legal wards that are 25 or older and not disabled, post-tax deductions and imputed income may apply under your benefit elections. Please see the “January 2015- December 2015 Imputed Income rates” located at www.dbm.maryland.gov/benefits for additional details.
- Disabled Eligible Dependent Child: You are not required to provide Disability Certification until a disabled, eligible dependent child reaches age 26. You will then be required to provide continued certification of his/her disability status every two years in order to keep him/her on your coverage. Note: The disability must be before the child reached age 26.

Translation of Non-English Documentation

If you submit dependent documentation that is written in a language other than English, it must be translated by an official translator—someone other than you or your dependent(s). Generally, an official translator can be found at any college or university. The translation of each document must be signed by the translator and notarized.

Important Note About Documentation

- Marriage certificates must be signed, dated, and certified by the clerk of the court or other appropriate state or county official. Certificates signed by a clergy member (e.g., a minister or rabbi) are not acceptable.
- Birth certificates must show that your dependent child or your spouse’s dependent child is your or your spouse’s direct descendant.

Eligibility	Subsidy Amount	How You Will Pay for Benefits
PERMANENT STATE EMPLOYEES		
<p>You are eligible for benefits if you are:</p> <ul style="list-style-type: none"> • A permanent full-time or part-time permanent (working 50% or more of the workweek) State employee who is regularly paid salary or wages through an official State payroll center, including but not limited to: <ul style="list-style-type: none"> – Central Payroll Bureau; – Maryland Transit Administration; and – University of Maryland, including graduate assistants and the University's Far East and European Divisions; • An elected State official; • Register of Wills or an employee of the Register of Wills; • Clerk of the Court or an employee of the offices of Clerks of the Court; or • A State Board or Commission member who is regularly paid salary or wages and works at least 50% of the work week. 	Maximum State Subsidy	<p>Through payroll deductions, using pre-tax deductions through the State's cafeteria plan, where pre-tax deductions are permitted.</p> <p>If for any reason you do not have a deduction for a pay period, or if your wages are not enough to cover your deductions, you will be required to pay the State directly for that unpaid amount. Coverage will be canceled due to non-payment of missed deductions and the debt will be referred to the State's Central Collection Unit (CCU).</p>
PERMANENT PART-TIME EMPLOYEES (WORKING LESS THAN 50%)		
<p>You are eligible to enroll in the same benefits as full-time State employees, with the exception of the Flexible Spending Accounts and Long Term Care Insurance. Part-time employees must follow the same participation rules as full-time employees.</p>	No State Subsidy – you pay the full amount	<p>Premiums are paid on a post-tax basis. Monthly payment coupons will be mailed to the address provided on your enrollment form for the first month of coverage through the end of the plan year or the end of your current contract period, whichever comes first.</p> <p>Payments must begin with the first coupon received and are due the first of every month, with a 30-day grace period. Missed payments or payments not postmarked within the 30-day grace period will result in the termination of your coverage. You will not be permitted to re-enroll until the next Open Enrollment period.</p> <p>Payment may be made in advance to cover any or all coupons received, but must be made in full monthly increments. Payment deadlines are strictly enforced.</p> <p>If you do not receive payment coupons within one month of submitting your enrollment form, please contact the Employee Benefits Division.</p>
SATELLITE EMPLOYEES		
<ul style="list-style-type: none"> • You are eligible for benefits if you are: <ul style="list-style-type: none"> – An employee of a political subdivision which participates in the State's health benefits program with the approval of the governing body; or – An employee of an agency, commission, or organization permitted to participate in the State's health benefits program by law. • All forms are automatically processed based on the current processing date, unless otherwise indicated and approved for processing based on the date of eligibility. 	As determined by the Satellite Employer	As determined by the Satellite Employer
CONTRACTUAL/VARIABLE HOUR EMPLOYEES (WORKING LESS THAN 30 HOURS/WK OR 130 HOURS/MO)		
<p>You are eligible to enroll in the same benefits as full-time State employees, with the exception of the Flexible Spending Accounts and Long Term Care Insurance. Contractual employees must follow the same participation rules as full-time employees, plus:</p> <ul style="list-style-type: none"> • Changes to coverage cannot be made at the time of an employment contract renewal. • Contractual employees must have a current active contract to enroll. 	No State Subsidy – you pay the full amount	<p>Premiums are paid on a post-tax basis. Monthly payment coupons will be mailed to the address provided on your enrollment form for the first month of coverage through the end of the plan year or the end of your current contract period, whichever comes first.</p> <p>Payments must begin with the first coupon received and are due the first of every month, with a 30-day grace period. Missed payments or payments not postmarked within the 30-day grace period will result in the termination of your coverage. You will not be permitted to re-enroll until the next Open Enrollment period.</p> <p>Payment may be made in advance to cover any or all coupons received, but must be made in full monthly increments. Payment deadlines are strictly enforced.</p> <p>If you do not receive payment coupons within one month of submitting your enrollment form, please contact the Employee Benefits Division.</p>

Eligibility	Subsidy Amount	How You Will Pay for Benefits
CONTRACTUAL/VARIABLE HOUR EMPLOYEES (WORKING MORE THAN 30 HOURS/WK OR 130 HOURS/MO)		
<p>You are eligible to enroll in the same benefits as full-time State employees, with the exception of the Flexible Spending Accounts and Long Term Care Insurance. Contractual employees must follow the same participation rules as full-time employees, plus:</p> <ul style="list-style-type: none"> • Changes to coverage cannot be made at the time of an employment contract renewal. • Contractual employees must have a current active contract to enroll. 	<p>75% State Subsidy for Medical and Prescription; no State Subsidy for other benefit options.</p>	<p>Premiums are paid on a post-tax basis. Monthly payment coupons will be mailed to the address provided on your enrollment form for the first month of coverage through the end of the plan year or the end of your current contract period, whichever comes first.</p> <p>Payments must begin with the first coupon received and are due the first of every month, with a 30-day grace period. Missed payments or payments not postmarked within the 30-day grace period will result in the termination of your coverage. You will not be permitted to re-enroll until the next Open Enrollment period.</p> <p>Payment may be made in advance to cover any or all coupons received, but must be made in full monthly increments. Payment deadlines are strictly enforced.</p> <p>If you do not receive payment coupons within one month of submitting your enrollment form, please contact the Employee Benefits Division.</p>
LONG TERM LEAVE WITHOUT PAY		
<p>Personal</p> <p>If on approved leave without pay for personal reasons, you may continue any or all of your current health benefit plans, or you may reduce your coverage level while on leave for up to two (2) years.</p>	<p>No State Subsidy – you pay the full amount.</p>	<p>Premiums are paid on a post-tax basis. Monthly payment coupons will be mailed to the address provided on your enrollment form for the first month of coverage through the end of the plan year or the end of your approved leave, whichever comes first.</p>
<p>On The Job Injury</p> <p>If on approved leave without pay due to an on-the-job injury, you may continue any or all of your current health benefit plans, or you may reduce your coverage level while on leave for up to two (2) years.</p> <ul style="list-style-type: none"> • First report of injury must be submitted with enrollment form. • Agency Fiscal Officer must complete appropriate section of enrollment form approving payment of state subsidy. 	<p>Maximum State Subsidy</p>	<p>Payments must begin with the first coupon received and are due the first of every month, with a 30-day grace period.</p> <p>Missed payments or payments not postmarked within the 30-day grace period will result in the termination of your coverage. You will not be permitted to re-enroll until the next Open Enrollment period.</p> <p>Payment may be made in advance to cover any or all coupons received, but must be made in full monthly increments. Payment deadlines are strictly enforced.</p> <p>If you do not receive payment coupons within one month of submitting your enrollment form, please contact the Employee Benefits Division.</p>
LEAVE OF ABSENCE – MILITARY (ACTIVE DUTY ONLY)		
<p>If on approved leave of absence for <u>active</u> military duty, you may continue any or all of your current health benefit plans, or you may reduce your coverage level while on leave for up to five (5) years.</p> <ul style="list-style-type: none"> • Agency must submit the LAW – Military Notification Form along with the employee's Active Military Orders. <p>Note: A leave of absence for military training does not qualify for a continuation of benefits under Leave of Absence - Military.</p>	<ul style="list-style-type: none"> • Employee and State Subsidy paid by State for medical, prescription and dental • Employee responsible for payment of premiums if he/she elects to continue AD&D and Life insurance. 	
FAMILY MEDICAL LEAVE ACT – FMLA		
<p>If you are on approved FMLA, we will maintain your health coverage under our group health plan on the same terms as when you were actively working.</p> <p>If you are on paid leave while on FMLA and receiving a paycheck, we will continue deducting your premiums through pre-tax payroll deductions.</p> <p>If you are on FMLA and do not have paid leave available, you will be responsible for the payment of your share of the premiums payments for your health insurance coverage for the period of time you are on approved FMLA leave. You may choose to submit payment due while on leave or within 30 days upon returning to work.</p>	<p>Maximum State Subsidy</p>	<p>If FMLA leave is unpaid, premiums are paid on a post-tax basis. Biweekly coupons will be mailed to the address on file. You may pay each coupon as it is received, or you may pay all coupons within 30 days upon returning to work.</p> <p>Payments must begin with the first coupon received and are due by the due date indicated on the payment coupon. If payment is not made by the due date indicated, this debt may be forwarded to the State of Maryland's Central Collections Unit. If referred to the Central Collection Unit, a collection fee of 17% will be added to the amount owed.</p> <p>In addition, the Central Collection Unit is authorized to report this debt to consumer reporting agencies. Debts referred to these agencies may affect your credit rating.</p>

Eligibility	Subsidy Amount	How You Will Pay for Benefits
MARYLAND STATE RETIREMENT SYSTEM RETIREES (HIRED PRIOR TO 7/1/11)		
<p>You are eligible for benefits if you are a State retiree who is currently receiving a monthly State retirement allowance and meet one of the following criteria:</p> <ul style="list-style-type: none"> • You left State service with at least 16 years of creditable service; • You retired directly from State service with at least five years of creditable service; • You left State service (deferring your retirement allowance) with at least 10 years of creditable service and within five years of normal retirement age; • You retired from State service with a disability retirement; or • Your State employment ended before July 1, 1984. <p>Note: Retirees of a County that participates with the State Retirement System are generally not eligible for health benefits coverage through the State Employee and Retiree Health and Welfare Benefits Program. Certain other retirees, including but not limited to retirees of the Maryland Environmental Service or the University of Maryland Medical System that receive a State retirement allowance, may be eligible. Contact your Agency Benefits Coordinator or the Employee Benefits Division if you think you may be eligible.</p>	<p>Maximum State Subsidy if:</p> <ul style="list-style-type: none"> • You retire with 16 or more years of creditable service; • You receive a disability retirement; or • You retired from State service before July 1, 1984. <p>Partial State Subsidy if you have at least five years of State creditable service, but less than 16. For example, if you have 10 years of State creditable service, you would receive 10/16 of the maximum State subsidy.</p>	<p>Premiums will be deducted from your monthly retirement check once the State Retirement Agency (SRA) has created a pension record. In an effort to avoid delayed enrollment into health benefits, the enrollment form will be processed in accordance with the date of retirement, regardless of whether or not the pension record has been created. However, this effective date can be delayed to the first of the following month or month after that, if the health benefits enrollment form is not received approximately two months in advance of the date of retirement and/or if any required documentation is missing or found to be insufficient.</p> <p>When deductions begin to be taken from your pension check our office will then send a mandatory retroactive adjustment bill for premiums due between your retirement date and the date your pension record was created. You must pay this mandatory bill by the due date or risk having the debt referred to the State's Central Collection Unit (CCU) where an additional 17% administrative fee may be added.</p> <p>Deductions taken from your retirement check are always taken after any taxes have been deducted. If your retirement check is not enough to cover all of your monthly plan premiums, you will be billed for the plan premiums that could not be deducted. Only whole plan premiums will be deducted. You will receive coupons for January to December in February for the premiums that could not be deducted from your monthly retirement check.</p> <p>Premium payments are due on the first of every month, with a 30-day grace period (Exception: January premiums are due upon receipt of the coupons, with a 30-day grace period).</p> <p>If payment is not received by the end of the grace period, you will be disenrolled from the plans for which payments were not received and will not be permitted to re-enroll until the next Open Enrollment period.</p>
MARYLAND STATE RETIREMENT SYSTEM RETIREES (HIRED ON OR AFTER 7/1/11)		
<p>You are eligible for benefits if you are a State retiree who is currently receiving a monthly State retirement allowance and meet one of the following criteria:</p> <ul style="list-style-type: none"> • You left State service with at least 25 years of creditable service; • You retired directly from State service with at least 10 years of creditable service; • You left State service (deferring your retirement allowance) with at least 10 years of creditable service and within five years of normal retirement age; or • You retired from State service with a disability retirement. <p>Note: Retirees of a County that participates with the State Retirement System are generally not eligible for health benefits coverage through the State Employee and Retiree Health and Welfare Benefits Program. Certain other retirees, including but not limited to retirees of the Maryland Environmental Services or the University of Maryland Medical System that receive a State retirement allowance, may be eligible. Contact your Agency Benefits Coordinator or the Employee Benefits Division if you think you may be eligible.</p>	<p>Maximum State Subsidy if:</p> <ul style="list-style-type: none"> • You retire with 25 or more years of creditable service; or • You receive a disability retirement. <p>Partial State Subsidy if you have least 10 years of State creditable service, but less than 25. For example, if you have 15 years of State creditable service, you would receive 15/25 of the maximum State subsidy.</p>	<p>Premiums will be deducted from your monthly retirement check once the State Retirement Agency (SRA) has created a pension record. In an effort to avoid delayed enrollment into health benefits, the enrollment form will be processed in accordance with the date of retirement, regardless of whether or not the pension record has been created. However, this effective date can be delayed to the first of the following month or month after that, if the health benefits enrollment form is not received approximately two months in advance of the date of retirement and/or if any required documentation is missing or found to be insufficient.</p> <p>When deductions begin to be taken from your pension check our office will then send a mandatory retroactive adjustment bill for premiums due between your retirement date and the date your pension record was created. You must pay this mandatory bill by the due date or risk having the debt referred to the State's Central Collection Unit (CCU) where an additional 17% administrative fee may be added.</p> <p>Deductions taken from your retirement check are always taken after any taxes have been deducted. If your retirement check is not enough to cover all of your monthly plan premiums, you will be billed for the plan portion that could not be deducted. Only whole plan premiums will be deducted. You will receive coupons for January to December in February for the premiums that could not be deducted from your monthly retirement check.</p> <p>Premium payments are due on the first of every month, with a 30-day grace period. (Exception: January premiums are due upon receipt of the coupons, with a 30-day grace period).</p> <p>If payment is not received by the end of the grace period, you will be disenrolled from the plans for which payments were not received and will not be permitted to re-enroll until the next Open Enrollment period.</p>

Eligibility	Subsidy Amount	How You Will Pay for Benefits
BENEFICIARIES OF DECEASED MARYLAND STATE RETIREMENT SYSTEM RETIREES		
<p>You are eligible for benefits if you are a surviving spouse or child of a deceased State retiree and:</p> <ul style="list-style-type: none"> • Are receiving a monthly State retirement allowance as the surviving beneficiary of a deceased retiree; and • Meet the dependent eligibility criteria for health benefits. <p>If the surviving spouse is the beneficiary, the spouse may cover himself/herself and any eligible dependent children of the deceased retiree. However, he/she may only cover dependents that would be eligible dependents of the deceased retiree if he or she were still living.</p> <p>If the beneficiary is a child, the child will only be eligible for subsidized health benefits as long as he or she meets the dependent eligibility requirements for children. When the child no longer meets the dependent eligibility criteria for children, the subsidized health benefits end. Non-subsidized benefits under COBRA may then be available for up to 36 months.</p> <p>If you were enrolled in dependent Term Life Insurance at the time of the retiree's death, that policy must be converted to an individual policy directly through Minnesota Life within 30 days in order to continue Term Life Insurance coverage. Plan phone numbers are located on the inside front cover of this guide.</p>	<p>If you are eligible for coverage as a beneficiary, you will receive the same State subsidy that the retiree was entitled to receive at the time of his or her death. See above section.</p>	<p>Premiums will be deducted from your monthly retirement check once the State Retirement Agency (SRA) has created a pension record. In an effort to avoid delayed enrollment into health benefits, the enrollment form will be processed once received regardless of whether or not the pension record has been created. The effective date of the benefits is based on when the enrollment form is received and the effective date currently being processed for and/or if any required documentation is missing or found to be insufficient.</p> <p>When deductions begin to be taken from your pension check our office will then send a mandatory retroactive adjustment bill for premiums due between the date deductions stopped under the deceased retiree's pension check and the date your pension record was created. You must pay this mandatory bill by the due date or risk having the debt referred to the State's Central Collection Unit (CCU) where an additional 17% administrative fee may be added. Deductions taken from your retirement check are always taken after any taxes have been deducted. If your retirement check is not enough to cover all of your monthly plan premiums, you will be billed for the plan premiums that could not be deducted. Only whole plan premiums will be deducted. You will receive coupons for January to December in February for the premiums that could not be deducted from your monthly retirement check.</p> <p>Premium payments are due on the first of every month, with a 30-day grace period (Exception: January premiums are due upon receipt of the coupons, with a 30-day grace period).</p> <p>If payment is not received by the end of the grace period, you will be disenrolled from the plans for which payments were not received and will not be permitted to re-enroll until the next Open Enrollment period.</p>
OPTIONAL RETIREMENT PROGRAM (ORP) RETIREES (HIRED PRIOR TO 7/1/11)		
<p>There are special rules governing your eligibility and costs for health benefits if you are a retiree of an Optional Retirement Program (ORP). Current and former ORP vendors include: Teachers Insurance and Annuity Association College Retirement Equities Fund (TIAA-Cref), AIG-Valic, Fidelity, American Century, and ING. You are eligible for benefits with maximum, partial or no State subsidy beginning with the month in which you received a periodic distribution from your Maryland ORP account if you meet one of the following criteria:</p> <ul style="list-style-type: none"> • You retire directly from a Maryland State institution of higher education with creditable service equal to at least 5 years of full-time employment with continuous contributions to a Maryland ORP account; • You ended service with a Maryland State institution of higher education when you were at least age 57 and had service equal to at least 10 years of full-time employment with continuous contributions to a Maryland ORP account; or • You ended service with a Maryland State institution of higher education with creditable service equaling at least 16 years of full-time employment with continuous contributions to a Maryland ORP account. 	<p>Maximum Individual/No Dependent State subsidy if you:</p> <ul style="list-style-type: none"> • retire directly from a Maryland State institution of higher education and have creditable service equal to at least 16 years but less than 25 years of full-time service with contributions to a Maryland ORP account. <p>Partial Individual/No Dependent State subsidy if you:</p> <ul style="list-style-type: none"> • retire directly from a Maryland State institution of higher education and have creditable service equal to at least 5 years but less than 16 years of full-time service with contribution to a Maryland ORP account. <p>No Individual or Dependent State subsidy if you:</p> <ul style="list-style-type: none"> • do not retire directly upon ending ORP service with a Maryland State institution of higher education, with the exception noted below. 	<p>Premiums are paid on a post-tax basis. Monthly payment coupons will be mailed to the address provided on your enrollment form for the first month of coverage through the end of the plan year or the end of your approved leave, whichever comes first.</p> <p>All benefits are inactive and claims will not be processed until payment is received.</p> <p>Payments must begin with the first coupon received and are due the first of every month, with a 30-day grace period.</p> <p>Missed payments or payments not postmarked within the 30-day grace period will result in the termination of your coverage. You will not be permitted to re-enroll until the next Open Enrollment period.</p> <p>Payment may be made in advance to cover any or all coupons received, but must be made in full monthly increments. Payment deadlines are strictly enforced.</p> <p>If you do not receive payment coupons within one month of submitting your enrollment form, please contact the Employee Benefits Division.</p>
OPTIONAL RETIREMENT PROGRAM (ORP) RETIREES (HIRED ON OR AFTER 7/1/11)		
<p>There are special rules governing your eligibility and costs for health benefits if you are a retiree of an Optional Retirement Program (ORP). Current and former ORP vendors include: Teachers Insurance and Annuity Association College Retirement Equities Fund (TIAA-Cref), AIG-Valic, Fidelity, American Century, and ING. You are eligible for benefits with maximum, partial or no State subsidy beginning with the month in which you received a periodic distribution from your Maryland ORP account if you meet one of the following criteria:</p>	<p>Maximum Individual/Dependent State Subsidy if you:</p> <ul style="list-style-type: none"> • retire directly from a Maryland State institution of higher education and have creditable service equal to at least 25 years of full-time service with contributions to a Maryland ORP account. 	<p>Premiums are paid on a post-tax basis. Monthly payment coupons will be mailed to the address provided on your enrollment form for the first month of coverage through the end of the plan year or the end of your approved leave, whichever comes first.</p> <p>All benefits are inactive and claims will not be processed until the Employee Benefits Division receives payment.</p>

Eligibility	Subsidy Amount	How You Will Pay for Benefits
OPTIONAL RETIREMENT PROGRAM (ORP) RETIREES (HIRED ON OR AFTER 7/1/11) CONTINUED		
<ul style="list-style-type: none"> You retire directly from a Maryland State institution of higher education with creditable service equal to at least 10 years of full-time employment with continuous contributions to a Maryland ORP account; You ended service with a Maryland State institution of higher education when you were at least age 57 and had service equal to at least 10 years of full time employment with continuous contributions to a Maryland ORP account; or You ended service with a Maryland State institution of higher education with creditable service equaling at least 25 years of full-time employment with continuous contributions to a Maryland ORP account. 	<p>Partial Individual/No Dependent State subsidy if you:</p> <ul style="list-style-type: none"> retire directly from a Maryland State institution of higher education and have creditable service equal to at least 10 years but less than 25 years of full-time service with contribution to a Maryland ORP account. <p>No Individual or Dependent State subsidy if you:</p> <ul style="list-style-type: none"> do not retire directly upon ending ORP service with a Maryland State institution of higher education, with the exception noted below. 	<p>Payments must begin with the first coupon received and are due the first of every month, with a 30-day grace period.</p> <p>Missed payments or payments not postmarked within the 30-day grace period will result in the termination of your coverage. You will not be permitted to re-enroll until the next Open Enrollment period.</p> <p>Payment may be made in advance to cover any or all coupons received, but must be made in full monthly increments. Payment deadlines are strictly enforced. If you do not receive payment coupons within one month of submitting your enrollment form, please contact the Employee Benefits Division.</p>
OPTIONAL RETIREMENT PROGRAM (ORP) RETIREES (REGARDLESS OF DATE OF HIRE)		
<p>If you are an ORP retiree with service equal to 25 or more full years of regular employment with the State, in any branch of government, you may be eligible for the maximum State subsidy of the coverage for you and your dependent(s), even if you did not retire directly from a Maryland State institution of higher education.</p> <p>One year of employment at 50% of standard work hours, with contributions to a Maryland ORP, provides six months of applicable ORP service. If you stop receiving a periodic distribution from your Maryland ORP account, you will no longer be eligible for health benefits.</p> <p>Lump sum payments, supplemental retirement accounts, or non-Maryland State institution service do not count for enrollment in, or State subsidy for, retiree health benefits.</p> <p>Although ORP and MSRPS service cannot be combined if they total less than 25 years, if eligibility with State subsidy in the Health Benefits Program is independently supported by your participation in more than one system, the percentage of maximum State subsidy provided by each system may be combined.</p> <p>If coverage in the Program is terminated for an ORP Retiree or Beneficiary for any reason, either voluntarily or involuntarily, documentation confirming the current continuing receipt of a periodic distribution from the Maryland ORP must be provided to qualify for re-enrollment.</p> <p>Required Documentation: Completion of a Retiree Health Enrollment and Change form and a State of Maryland Optional Retirement Program (ORP) Packet. The form and packet are available from your Agency Benefits Coordinator, by mail from the Employee Benefits Division, or from our website at www.dbm.maryland.gov/benefits.</p>		
BENEFICIARIES OF DECEASED ORP RETIREES		
<p>You are eligible for health benefits coverage if you are the surviving spouse or child of a deceased ORP retiree and:</p> <ul style="list-style-type: none"> You are receiving a periodic distribution of benefits from the retiree's Maryland ORP; and You meet the spouse or child dependent eligibility criteria for health benefits. <p>If the surviving spouse is the beneficiary, the spouse may cover himself/herself and any eligible dependent of the deceased ORP retiree. However, only dependents that would be eligible dependents of the deceased ORP retiree if he/she were still living may be covered.</p> <p>If a child is the beneficiary, only the child will be eligible for health benefits as long as he/she meets dependent eligibility requirements for children (see page 42).</p> <p>Required Documentation: Completion of a Retiree Health Benefits Enrollment and Change form and a State of Maryland Optional Retirement Program (ORP) packet. The form and packet are available from an Agency Benefits Coordinator, at a Maryland State institution of higher education, from our website, www.dbm.maryland.gov/benefits, or by calling the Employee Benefits Division.</p> <p>If you were enrolled in dependent Term Life Insurance at the time of the retiree's death, that policy must be converted to an individual policy directly through Minnesota Life within 30 days in order to continue Term Life Insurance coverage. Plan phone numbers are located on the inside front cover of this guide.</p>	<ul style="list-style-type: none"> Maximum State subsidy if the retiree had service equal to 25 or more full years of regular employment with the State in any branch of government; you may be eligible for the maximum State subsidy even if the retiree did not retire directly from a Maryland State institution of higher education. No State Subsidy if the retiree had less than 25 years of Maryland State service. 	<p>Same as ORP retirees</p>
<p>If coverage in the Program is terminated for an ORP Retiree or Beneficiary for any reason, either voluntarily or involuntarily, documentation confirming the current continuing receipt of a periodic distribution from the Maryland ORP must be provided to qualify for re-enrollment.</p>		

Qualifying Status Changes

Regardless of how you pay for your coverage (by automatic deduction from your paycheck, retirement allowance or with payment coupons), the State uses the same rules to permit health plan coverage changes outside of Open Enrollment. IRS regulations for cafeteria plans strictly govern when and how benefits election changes can be made.

Generally, you can only change your health coverage during the Open Enrollment period each year. The coverage you elect during Open Enrollment will be effective January 1 through December 31. However, you may make certain changes to your coverage outside of the annual Open Enrollment period if you have a qualifying change in status. Examples include the following:

- Birth or adoption/placement for adoption of a child;
- Death of a dependent;
- Marriage or divorce;
- You or your dependent child's loss of SCHIP/Medicaid/Medical Assistance coverage;
- You or your dependent gain access to a SCHIP/Medicaid subsidy based on your residence in another state;
- Loss of other coverage, such as if coverage under your spouse's employment ends or your child is no longer eligible for coverage;
- Gaining eligibility for Medicare (for retirees); or
- Changes in your other coverage (such as through a spouse's employer), which has a different plan year.

You have 60 days from the date of the qualifying change in status to submit an enrollment form and supporting documentation to change your coverage. Any changes submitted after 60 days of the qualifying change in status will not be accepted, and you will have to wait until the next Open Enrollment period to make a change.

NOTE: Documentation supporting a qualifying status change must be submitted with your enrollment form. For example, if you are ending your State coverage because you have coverage under another employer's health plan, you must provide a letter from the other employer (on company letterhead) or the insurance provider. The letter must identify all benefits (e.g., medical, dental, life insurance, etc.) for which you will be enrolled, the names of your covered dependents and the effective date of the new coverage.

If you decline enrollment under a State plan for yourself or a dependent during Open Enrollment because you have other coverage, you may be able to enroll outside of the Open Enrollment period if you or your dependent(s) lose that other coverage.

Removing Dependents Who Lose Eligibility

You must submit an enrollment form to remove any dependent as soon as he/she loses eligibility for coverage under a State benefit plan. If you do not remove the ineligible dependent within 60 days after the date of ineligibility, you will be billed the full insurance premium (including the State subsidy) from the date he/she became ineligible until the date removed. You may also face disciplinary action, termination of employment, and/or criminal prosecution for continuing to cover dependents who no longer meet the definition of an eligible dependent (see page 42). In most cases, dependents that lose eligibility are entitled to COBRA/Continuation Coverage for a limited time. This coverage is not subsidized by the State. Please see the COBRA/Continuation of Coverage section for more information.

Coverage for Your Former Spouse

If you are obligated to continue coverage for a former spouse according to the terms of your divorce agreement your former spouse cannot remain covered as a dependent under your State health benefits. The former spouse may elect COBRA which will be his/her own account and he/she will be responsible for paying premiums directly. COBRA coverage is not subsidized by the State.

Instructions on how to make mid-year changes	
IF YOU...	THEN...
Are rehired or transferred to another state agency within 30 days following termination from previous agency	You will automatically be enrolled into the same elections you had previously upon rehire or transfer.
Are an active State employee enrolling for the first time	You must submit an enrollment form and dependent verification documentation within 60 days of your hire date. Enrollment forms will not be accepted after 60 days. Completed forms and documentation must be given to your Agency Benefits Coordinator who must sign the enrollment form and check the accuracy of the dependent verification documentation before forwarding to the Employee Benefits Division. If you want coverage to begin on your date of hire, you must contact your Agency Benefits Coordinator within 30 days after receiving your first payroll deduction for benefits to request a retroactive adjustment and pay your portion of the back premiums on a post-tax basis.
Are enrolling as a new retiree	You must submit an enrollment form within 60 days of your retirement date. (If your retirement date is retroactive, you must submit an enrollment form within 60 days of receiving your first retirement allowance.) Submit the enrollment form and the required documentation to the Employee Benefits Division. You will receive a retroactive adjustment letter from the Employee Benefits Division regarding how to pay any missed premiums between your retirement date and the period covered by your first retiree premium deduction.
Are an active employee or retiree making a mid-year change in coverage	You must submit an enrollment form and applicable documentation verifying the qualifying change in status within 60 days of the event. Active employees must submit their enrollment form and documentation to their Agency Benefits Coordinator. Retirees must submit their form to the Employee Benefits Division along with the required documentation.
Experience a qualifying event	In order for your qualifying event to be effective on the earliest effective date following the date of the qualifying event, you must request a retroactive adjustment. A newborn's effective date must go back to the date of birth. For newborns, no retroactive adjustment is required if employee already has family coverage. Your request for a retroactive adjustment must be submitted within 30 days of the first premium deduction reflecting the change. Active employees must contact their Agency Benefits Coordinator for assistance; Retirees must contact the Employee Benefits Division. Only the Employee Benefits Division has authority to modify your requested changes to your health benefits. Flexible Spending Accounts cannot be made effective retroactively.
Have a newborn child that you want to add to your health benefits	You must add your child within 60 days from the date of birth. If a newborn is not added within 60 days of birth, you must wait until the next Open Enrollment period to enroll the child. You must submit an enrollment form along with temporary documentation of the child's birth (such as hospital discharge papers, copy of the child's hospital I.D. bracelet, or footprints). A retroactive adjustment form and payment must also be submitted unless you already have family coverage. An official State birth certificate and the child's social security number must be submitted within 60 days of the date of receipt of the temporary documentation. Active employees with questions should contact their Agency Benefits Coordinator. All other enrollees should contact the Employee Benefits Division for assistance.
Need to remove an ineligible dependent (e.g., divorced spouse, child no longer eligible, etc.)	You must notify the Employee Benefits Division in writing through an enrollment form signed by your Agency Benefit Coordinator. (Retirees must notify the Employee Benefits Division directly.) You must include all necessary documentation with your notification. If you do not remove an ineligible dependent within 60 days of the loss of eligibility, you will be responsible for the total premium cost for coverage of the ineligible dependent, regardless of whether claims were submitted or paid. In addition, keeping an ineligible dependent on your coverage may result in disciplinary action, termination of employment, and/or criminal prosecution. Satellite agency employees must notify their Agency Benefit Coordinator.

When Coverage Ends

You may choose to cancel your coverage during the annual Open Enrollment period or if you have a qualifying status change that allows you to end your coverage mid-year.

- If you cancel your coverage during the Open Enrollment period, your coverage will end on December 31 of the current plan year.
- If you end your coverage because of a qualifying status change, the date your coverage ends will be determined by the time period covered by your last deduction or payment, or the date of the status change, whichever is later.
- FSA claims cannot be incurred past the last day of employment.

Age-26 Dependent Child

If you are covering a dependent child and that child reaches age 26, he/she will be removed as a dependent from health coverage automatically. A COBRA notice will be sent directly to the dependent child at your home address.

FOR MORE INFORMATION about enrollment and changes outside of the Open Enrollment period, please contact the following:

- Your Agency Benefits Coordinator, if you are an Active or Satellite employee; or
- The Employee Benefits Division, if you are a retiree or Direct Pay participant.

For additional information about qualifying status changes, visit www.irs.gov.

Leave of Absence

While on Leave of Absence

If you take a Leave of Absence Without Pay (LAW), you may continue the same health benefits coverage you had as an active employee by electing to enroll as a Direct Pay participant and paying the full premiums.

If you take a leave of absence under the Family Medical Leave Act (FMLA), special rules govern the continuation of your health benefits coverage. You have several health coverage options while you are on FMLA leave, including whether to keep your coverage, and how to pay for coverage while you are on FMLA leave. Contact your Agency Benefits Coordinator for details.

Short-Term LAW

If you are on short-term LAW (two pay periods or less, if you are paid bi-weekly, up to 28 days), and it is neither an FMLA leave nor because of a job-related accident or injury (LAW-OJI), you must pay the full cost of coverage (your share and the State subsidy) of all missed premiums. You will receive a “No Pay” bill from the Employee Benefits Division for your missed premiums. Payroll deductions may resume if you return to work before the due date on the “No Pay” bill. However, payment for the missed premiums is still due; you cannot have a break in your benefits coverage. If you do not pay by the due date on the “No Pay” bill, your benefits coverage may be canceled for the rest of the plan year.

If your short-term LAW is due to a job-related accident or injury (LAW-OJI), or an approved FMLA leave, you are responsible for the employee’s share of the premium only. When you receive your bill, please contact your Agency Benefits Coordinator, who will complete a retroactive adjustment form and collect your portion of the premiums. You must make up missed premiums within the requested timeframe or your benefits coverage will be canceled. Payment deadlines are strictly enforced.

Long-Term LAW

If you are on a leave of absence without pay for more than two bi-weekly pay periods (more than 28 days), your leave is considered a long-term LAW. If you are on an approved long-term LAW, you may elect to continue or discontinue health insurance for the duration of the LAW. You may elect to continue your benefits during long-term LAW for up to two years as long as the leave of absence is approved.

You must notify the Employee Benefits Division of your coverage election within 60 days after beginning your long-term LAW. You cannot retroactively terminate benefits and you may be required to pay the full premium for any period of coverage during your long-term LAW that has elapsed before your notification to terminate benefits during your long-term LAW has been received.

If you wish to continue your coverage, you must complete a Direct Pay enrollment form and submit it to your Agency Benefits Coordinator for signature. This enrollment form should be completed as soon as you know you will miss two pay periods or more. The enrollment form will not be accepted any later than 60 days after the effective date of the LAW.

You may continue any or all of your current health benefit plans, or you may reduce your coverage level when enrolling for LAW benefits. However, you may not change plans until the next Open Enrollment period or within 60 days of a qualifying status change—the same as an active employee.

Once enrolled in coverage while on LAW, you are responsible for paying the full premium unless the LAW is due to a job-related accident or injury. If you are entitled to State subsidy, your Agency Benefits Coordinator must have the Agency Fiscal Officer complete the applicable section of the Direct Pay enrollment form. The Employee Benefits Division will bill you for the appropriate amount due.

Coupons and Payments

All State employees who are on a Leave of Absence without Pay will be mailed payment coupons to their address on file. If paying via check or money order, the payment coupon must be included with your payment and mailed to the address indicated on the payment coupon cover letter. You also have the option to pay online by going to www.dbm.maryland.gov/benefits; click on “Pay Your Direct Pay Coupons Here.” Your coverage will be effective as of the date noted on your payment coupon cover letter. Payments are due the first of every month. There is a 30-day grace period for each payment.

Payment may be made in advance to cover any or all coupon(s) received, but must be made in full monthly increments. If payment is not received by the end of the 30-day grace period, your coverage will be canceled. There will be a break in your coverage until you return to work and request re-enrollment in health benefits. This request for re-enrollment must be made through your Agency Benefits Coordinator within 60 days after your return to work. Payment deadlines are strictly enforced. If you do not receive coupons within one month of signing your enrollment form or if you change your mailing address, please contact your Agency Benefits Coordinator or the Employee Benefits Division immediately.

Leave of Absence – Employees on Active Military Duty

In recognition of the tremendous service of our employees who serve as members of the armed forces, the State of Maryland permits employees on active military duty (not military training) to elect to continue their medical, dental, and prescription drug benefits at the same coverage level in effect before the start of their military duty. If you are on active military duty, the State will pay the full cost of coverage—your share and the State’s share of premiums. You may elect to continue coverage for accidental death and dismemberment insurance, life insurance, and/or flexible spending accounts, too, by paying for this coverage directly to the Employee Benefits Division. If you elect coverage continuation, you will send payment coupons to your address on file.

To continue your coverage if you are on active military duty, please see your Agency Benefits Coordinator to complete the LAW-Military Notification Form. Please provide a copy of your active military orders to your Agency Benefits Coordinator along with the LAW-Military Notification Form. If your orders expire, you must provide your Agency Benefits Coordinator with updated orders to continue Active Military Leave coverage with the State of Maryland.

If you have questions about your benefits while on active military leave, please contact your Agency Benefits Coordinator.

Returning from Active Duty

When you return from active duty, contact your Agency Benefits Coordinator to complete an Active enrollment form. Send the completed enrollment form and your military discharge paperwork to the Employee Benefits Division within 60 days of your return from active duty.

COBRA Coverage

You and/or your dependents may elect to continue your health, prescription drug, dental, and/or health care flexible spending account participation by paying for coverage with after-tax dollars, for a timeframe determined based on Federal regulations.

If you or one of your dependents experiences a COBRA Coverage qualifying status change, you or your dependent may be eligible to continue the same health benefits that you or your dependent(s) had at the time of the qualifying status change.

Summary of COBRA Coverage Conditions		
QUALIFYING EVENT	PERSON AFFECTED	LENGTH OF COBRA COVERAGE
Termination of employment (other than for gross misconduct), including layoff or resignation of employee	<ul style="list-style-type: none"> Employee Spouse Dependent Child(ren) 	18 months or until eligible for coverage elsewhere, including Medicare*, whichever occurs first
Dependent child(ren) of an employee or retiree no longer meets the dependent eligibility requirements	<ul style="list-style-type: none"> Dependent Child(ren) 	36 months or until eligible for coverage elsewhere, including Medicare*, whichever occurs first
Death of employee or retiree	<ul style="list-style-type: none"> Spouse Dependent Child(ren) 	36 months or until eligible for coverage elsewhere, including Medicare*, whichever occurs first
Divorce, limited divorce/legal separation NOTE: A legally separated spouse who is still legally married to the employee remains eligible for coverage.	<ul style="list-style-type: none"> Former Spouse Dependent Child(ren) 	Indefinitely or until remarriage or until eligible for coverage elsewhere, including Medicare, whichever occurs first COBRA coverage includes the ability to enroll with dependents that meet the eligibility criteria.
	<ul style="list-style-type: none"> Step-child(ren) of employee or retiree 	If enrolled separately, 36 months or until eligible for coverage elsewhere, including Medicare*, whichever occurs first
Qualifying Events After the Start of COBRA (Second Qualifying Events)		
QUALIFYING EVENT	PERSON AFFECTED	LENGTH OF COBRA COVERAGE
Divorce or legal separation from COBRA participant	<ul style="list-style-type: none"> Spouse Step-child(ren) of participant 	36 months from the original qualifying event or until eligible for coverage elsewhere, including Medicare*, whichever occurs first
Dependent child(ren) of a COBRA participant who no longer meets the dependent eligibility requirements	<ul style="list-style-type: none"> Child(ren) 	36 months from the original qualifying event or until eligible for coverage elsewhere, including Medicare*, whichever occurs first
Total and Permanent Disability of the employee or retiree (as defined by the Social Security Act) within the first 60 days of COBRA coverage	<ul style="list-style-type: none"> Employee Spouse Dependent Child(ren) 	The 18 months can be extended to 29 months at increased premiums equal to 150% of usual premiums for the additional 11 months.

* If you are enrolled in Medicare Parts A & B before leaving State service, you are entitled to elect continued coverage at the full COBRA premium. If you become entitled to Medicare while on COBRA, you will not be able to continue your medical coverage after you become eligible for Medicare. You may, however, continue your prescription drug and dental coverage. If you have dependents on your COBRA coverage when you become entitled to Medicare, your dependents may elect to continue their coverage under COBRA.

Other Health Coverage Options

There may be other coverage options for you and your family on a Health Insurance Marketplace (exchange) provided by the state in which you live or the federal government. If you choose coverage from a Marketplace, you may receive a federal tax credit that lowers your monthly premiums. Being eligible for COBRA does not limit your eligibility for a tax credit through in a Marketplace. For information about health insurance options available through a Health Insurance Marketplace, visit www.healthcare.gov outside of Maryland or www.marylandhbe.com in Maryland.

Additionally, you may qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as your spouse's plan), even if that plan generally does not accept late enrollees, if you request enrollment within 30 days of losing your State coverage.

NOTE: Loss of coverage through an Open Enrollment transaction is not a qualifying status change. You must have one of the qualifying status changes listed below to enroll in continuation coverage.

Coupons and Payments

If you receive COBRA Coverage, premium payment coupons will be mailed to your address on file. If you pay with a personal check or money order, the payment coupon must be included with your payment and mailed to the address indicated on the payment coupon cover letter.

You may pay for coverage online by going to www.dbm.maryland.gov/benefits; click on "Pay Your Direct Pay Coupons Here." Your benefits will be effective as of the date noted on your payment coupon cover letter. Claims will not be paid until the Employee Benefits Division receives your payment. Payments are due the first of every month; there is a 30-day grace period each month.

Payment may be made in advance to cover any or all coupon(s) received, but must be made in full monthly increments. If payment is not post-marked by the end of the 30-day grace period, your COBRA coverage will be canceled and you will not be permitted to re-enroll.

Payment deadlines are strictly enforced. If you do not receive these coupons within one month of signing your enrollment form, or you change your mailing address, please contact the Employee Benefits Division immediately. The following section entitled General Notice of COBRA and Continuation of Coverage Rights reviews your rights and responsibilities. It is important for you to review it carefully with all covered dependents. If you have questions about a qualifying status change or continuation of coverage, please contact the Employee Benefits Division.

Medicare and Your State Benefits

Medicare Parts A & B

If you are a retiree and your and/or your dependents are enrolled in the State Health Benefits Program, you and/or your dependents must enroll in Medicare Parts A & B to have full coverage as soon as you and/or your dependents are eligible for Medicare because of age or disability. The State plan will cover only the portion of eligible hospital and medical expenses not covered by Medicare. If you and/or your covered dependents are eligible for, but not enrolled in, Medicare Parts A & B, you will be responsible for the claims that Medicare would have paid.

If you are an active employee, you and/or your covered dependents do not have to sign up for Medicare Parts A & B when you or they become eligible because of age or disability. Your and/or your covered dependent's State benefits coverage will continue as primary coverage as long as you are an active employee.

If you are a retiree or a covered dependent of a retiree and you are eligible for Medicare, Parts A & B become your primary insurance and the State health plan becomes a supplemental policy to Medicare. Medicare Part A helps pay for hospital care, some skilled nursing facility care, and hospice care; Medicare Part B helps pay for physician charges and other medical services.

If you are an employee, retiree, or a covered dependent that is eligible for Medicare coverage because of End Stage Renal Disease (ESRD), see the ESRD rules below.

You Must Enroll for Medicare at Age 65

Generally, if you are not disabled, Medicare eligibility begins on the first day of the month in which you reach age 65. However, if you were born on the first day of a month, your Medicare eligibility begins on the first day of the month before the month in which you reach age 65. To have full medical coverage as a retiree, you and your covered dependents must enroll in Medicare Parts A & B at age 65, regardless of your Social Security full retirement age (which may be greater than age 65, depending on your birth date). Even if you do not wish to start receiving your Social Security retirement benefit, you must still enroll in Medicare Parts A & B to have full medical coverage. You will be billed directly by the Social Security Administration for your Part B premium.

For information on Medicare enrollment, call the Social Security Administration at 1-800-772-1213.

Disability

If you are certified as being disabled by the Social Security Administration, you will become eligible for Medicare two years (24 months) after your disability determination date. If you are a retiree, you and your covered dependents enrolled in the State's benefits program **MUST** enroll in Medicare Parts A & B if you are eligible due to disability in order to receive the maximum coverage available. This is the case regardless of your age.

If the Social Security Administration denies your Medicare coverage, you must provide a copy of the Social Security's denial to the Employee Benefits Division. If your Medicare entitlement is due to disability and the Social Security Administration determines that your disability status ends, you must provide the Employee Benefits Division documentation from the Social Security Administration stating when Medicare entitlement ended. It is your responsibility to notify the Employee Benefits Division of Medicare entitlement due to disability.

If you are a retiree and you and your covered dependents do not enroll in Medicare Parts A & B, you will be responsible for the Medicare portion (about 80%) of the cost of eligible services. The State will only pay

Medicare Supplemental Coverage (about 20%) towards the cost of eligible services.

About End Stage Renal Disease (ESRD) and Medicare Coverage

If you have ESRD, you may be eligible for coverage under Medicare Parts A and B. If you have ESRD, it is strongly recommended that you read the Centers for Medicare and Medicaid Services publication “Medicare Coverage for Kidney Dialysis and Kidney Transplant Services” before making a decision about whether to enroll in Medicare Part A and/or Part B. This publication is available at your local Social Security office, by calling the Social Security Administration at 1-800-772-1213, or by visiting the www.socialsecurity.gov and selecting “Other Medicare Information” (under the heading “Medicare”) then selecting “More Medicare Publications” and then selecting “Medicare Coverage of Kidney Dialysis and Kidney Transplant Services.” The information below about the Coordination of Benefits (COB) for Medicare due to End Stage Renal Disease (ESRD) applies to individuals enrolled in an active employee group only.

During the 30-Month Coordination of Benefits (COB) Period

If you become eligible for Medicare because of ESRD, there is a 30-month COB period (determined by Social Security) during which your active State health coverage is primary (which means it pays benefits first, before Medicare), regardless of whether or not you are enrolled in Medicare Part A and/or Part B. Do not change your coverage level in the State health plan to a Medicare coverage level during your 30-month COB period.

After the 30-Month Coordination of Benefits (COB) Period

NOTE: If you are enrolled in a medical plan under the State’s Program and you are covered as a participant in an active employee group, you are not required to enroll in Medicare. However, if you choose to enroll in Medicare Part A only, or in Parts A and Part B because you are eligible for Medicare coverage due to ESRD (determined by Social Security), your claims will be processed according to the Coordination of Benefits (COB) regulations described below.

Medicare Coverage After a Successful Kidney Transplant

If you were eligible for Medicare because of ESRD and have a successful kidney transplant, Medicare will no longer be your primary insurer starting three years after the transplant. If Medicare eligibility ends, you should contact the Social Security Administration to confirm that Medicare Part A and Part B have been canceled. If you are enrolled in a State medical plan with a Medicare coverage level and you receive a Medicare cancellation letter from the Social Security Administration, you should submit a completed active employee enrollment form to change to a non-Medicare coverage level.

The following link is for the Social Security publication “Medicare Coverage of Kidney Dialysis and Kidney Transplant Services”: www.medicare.gov/Publications/Pubs/pdf/10128.pdf.

Medicare Part D – Medicare Drug Benefit

How Does This Apply to You?

If you have prescription drug coverage through the State Employee and Retiree Health and Welfare Benefits Program, and are eligible for Medicare due to age or disability you are automatically enrolled in Medicare Part D through the Program’s Express Scripts Medicare PDP plan if you have enrolled in the Program’s retiree drug coverage. For the 2015 plan year, the State of Maryland Prescription Drug Plan remains as good as, or better than, the standard Medicare Part D plan. See the Notice of Creditable Coverage in this guide.

According to the Centers for Medicare and Medicaid Services, the information in this section only applies to you if you are eligible for Medicare because of ESRD, not based on your age or disability.

Initial, Special, and General Enrollment Periods for Medicare Parts A, B and D

When you reach age 65, and are retired and you do not enroll in Medicare Parts A & B, you will not have the full level of benefits coverage you would otherwise have. In addition, you may pay a late enrollment penalty for Part B coverage (which will be applied to your monthly premium for as long as you have Part B coverage). A similar penalty may apply under Medicare Part D (prescription coverage) if you do not do not enroll in either the State's retiree prescription drug coverage or an individual Medicare Part D plan when first eligible.

If your health benefits coverage is under an active employee's policy when you reach age 65, you do not have to enroll in Medicare until you retire, unless your employment or coverage under an active employee's policy will end during your initial enrollment period. See the Special Enrollment Period information table.

Your Initial Enrollment Period for Medicare

You are eligible for Medicare coverage when you reach age 65. Your Initial Enrollment Period is for 7 months and begins three months before the month you are eligible for Medicare and ends three months after the month you are eligible for Medicare. The timing of when your Medicare eligibility begins depends on the day of the month you become age 65, as follows:

- If you reach age 65 on the 1st day of the month – Medicare eligibility begins the 1st day of the previous month; *Example: If your birthday is January 1, you are eligible for Medicare on December 1 of the previous year.*
- If you reach age 65 on the 2nd day through the last day of the month – Medicare eligibility begins the 1st day of the month you turn 65; *Example: If your birthday is January 2 – 31, you are eligible for Medicare on January 1.*

The chart on the right shows the schedule for an Initial Enrollment Period and a sample schedule for a birth date of April 2nd – 30th.

Medicare Special Enrollment Period

The Medicare Special Enrollment Period is an eight-month period beginning the month your group coverage ends or the month your employment ends, whichever comes first. If you were eligible for Medicare, but didn't enroll because you had health benefits under an active employee's policy, you can enroll during your Special Enrollment Period without paying a monthly penalty for Part B coverage. Special enrollment period rules don't apply if employment or active employee group coverage ends during your initial enrollment period.

Medicare General Enrollment Period

The Medicare General Enrollment Period is a three-month "Open Enrollment" period for Medicare each year from January 1 through March 31 for Part B coverage to start on July 1 of the same year. If you were eligible for but did not enroll in Medicare and you did not have health benefits coverage under an active employee's policy, your Part B premium will be penalized 10% for every 12 months you were entitled to Part B coverage but you were not enrolled.

The General Enrollment Period for Medicare Part D is October 15th through December 7th.

If your Initial Enrollment Period or Special Enrollment Period enrollment falls between January 1 and March 31, you must tell the Social Security Administration representative that you have an initial or special enrollment period. Otherwise, you may be enrolled as a general enrollee, which means your Part B coverage will not start until July 1 and you may pay a Part B premium penalty.

Medicare Due to Disability

If you are entitled to Medicare due to a disability, the same enrollment period rules apply as described above. If you have health benefits coverage under an active employee's policy, you do not have to enroll in Medicare. **However, when your employment or active employee coverage ends, you must apply for Medicare Parts A & B to have the full level of benefits coverage you would otherwise have. Otherwise, you must pay the portion of covered expenses that Medicare would have paid if you were enrolled for Medicare coverage.**

Initial Enrollment Period Schedule		Sample Initial Enrollment Period for Individuals with birth dates between April 2nd and 30th	
MONTH ENROLLED	PART B COVERAGE STARTS	MONTH ENROLLED	PART B COVERAGE STARTS
1st month	1st day of the month you reach age 65*	January	April 1st
2nd month	1st day of the month you reach age 65*	February	April 1st
3rd month	1st day of the month you reach age 65*	March	April 1st
4th month	One month delay	April	May 1st
5th month	Two month delay	May	July 1st
6th month	Three month delay	June	September 1st
7th month	Three month delay	July	October 1st

To find your Initial Enrollment Period, circle the month you turn 65 and the three months before and after.

*If you were born on the first day of the month, move your schedule back one month.

January	February	March	April	May	June	July	August	September	October	November	December
---------	----------	-------	-------	-----	------	------	--------	-----------	---------	----------	----------

If your employment or your health benefits coverage under an active employee's policy ends during your initial enrollment period, special enrollment period rules do not apply.

Special Enrollment Period Schedule		Sample Initial Enrollment Period for someone retiring on April 1st

Important Notices & Information

This guide contains several very important Notices for you and your dependents covered through the State Employee and Retiree Health and Welfare Benefits Program (the Program). These Notices inform you of your rights under State and Federal Laws on such important topics as health care reform, continuation of coverage (COBRA), the Program's privacy practices, and creditable prescription drug coverage. Please read all the Notices carefully.

Employee Fraud and Abuse

Fraud, abuse and unethical conduct in connection with the benefits provided through the State Employee and Retiree Health and Welfare Benefits Program is a serious issue. Fraud and abuse can take many forms, including the following:

- Adding a dependent to your coverage who you know is not eligible for coverage;
- Submitting false or altered affidavits or documentation as part of adding or removing a dependent;
- Letting someone else who is not covered under your enrollment use your insurance card to get health benefits or services;
- Lying to get coverage or access to health benefits (such as prescription drugs or treatments) that are not medically necessary;
- Giving or selling your prescriptions to another person; or
- Submitting reimbursement requests for health benefits or services that were not provided.

The Department of Budget and Management Employee Benefits Division must investigate allegations of fraud and abuse; each plan and benefit option has programs to look for and eliminate fraud and abuse. If fraud or abuse is determined to have taken place, there can be serious consequences, including:

- Lock-down of your prescription benefits to only one doctor or pharmacy;
- Termination of coverage; or
- Seeking repayment or reimbursement of any claims or premiums for benefits that were inappropriately paid.

There may also be serious criminal or civil consequences.

Notice About Disclosure and Use of Your Social Security Number

A federal mandatory reporting law (Section 111 of Public Law 110-173) requires group health plans to report, as directed by the Secretary of the Department of Health and Human Services, information that the Secretary requires for purposes of coordination of benefits. Two key elements that will be required to be reported are Social Security numbers (SSNs) of covered individuals or Health Insurance Claim Number (HICNs) and the plan sponsor's employer identification number (EIN). For Medicare to coordinate Medicare payments properly with other insurance and/or workers' compensation benefits, Medicare relies on the collection of both the SSN or HICN and the EIN, as applicable. As an employee/retiree (or family member of an employee/retiree) covered by a group health plan arrangement, your SSN and/or HICN will likely be requested to meet the requirements of this law. For more information about the mandatory reporting requirements under this law, visit the CMS website at www.cms.hhs.gov/MandatoryInsRep. In addition, because of the tax benefits of employer-sponsored health benefits coverage, we need your SSN to make sure your income tax and other employment related taxes are calculated and withheld from your paycheck properly.

General Notice Of Continuation of Coverage (COBRA) Rights

The Employee Benefits Division may process an enrollment for you as the employee/retiree, spouse, or covered dependent in the State Employee and Retiree Health and Welfare Benefits Program. If so, this notice on possible future group health insurance continuation coverage rights applies individually to you, your spouse and all covered dependent child(ren) enrolled under the Program. It is important that you and all enrolled individuals take the time to read this notice carefully and become familiar with its contents. If you are the employee, and if there is a covered dependent whose legal residence is not yours, please provide written notification of that covered dependent's address to the Employee Benefits Division so a notice can be sent to that covered dependent as well.

You are receiving this notice because you have health benefits coverage under the State Employee and Retiree Health and Welfare Benefits Program (the Program). The Department of Budget and Management Employee Benefits Division administers the Program. The Program sponsored by the State of Maryland is a governmental group health plan covered by the Public Health Service Act, which includes the COBRA continuation of coverage provisions described in this Notice. This Notice explains continuation coverage rights only for these health benefits offered through the Program: the medical PPO, the medical IHM, the medical EPO, the prescription drug plan, the dental PPO, the dental HMO and the Health Care Flexible Spending Account. You may be enrolled in one or more of these benefits. This Notice does not apply to any other benefits offered by the State of Maryland or through the Program, such as the Dependent Day Care Flexible Spending Account, life insurance benefit, long term care benefit, or accidental death and dismemberment insurance benefit. For SLEOLA participants your medical plans are separate and are limited to PPO, POS and EPO.

Under federal law, group health plans like the Program must offer covered employees and covered family members the opportunity for a temporary extension of health coverage (called COBRA) at group premiums when coverage under the health plan would otherwise end due to certain qualifying status changes. In this Notice, the term "covered employee" also means "covered retiree." This Notice is intended to inform all plan participants of potential future options and obligations related to COBRA. Should an actual qualifying status change occur in the future, the State of Maryland would send you additional information and the appropriate election notice at that time. Please take special note, however, of your notification obligations, highlighted in this Notice on page 62.

Other Coverage Options

There may be other coverage options for you and your family through the Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower your out-of-pocket costs. Additionally, you may qualify for a special enrollment opportunity for another group health plan for which you are eligible (such as a spouse's plan), even if the plan generally does not accept late enrollees, if you request enrollment within 30 days. For information about health insurance options available through a Health Insurance Marketplace, visit www.healthcare.gov. For information on the Marketplace for Maryland residents visit www.marylandhbe.com.

Who is Entitled to Elect COBRA Continuation Coverage?

Qualifying Status Changes For Covered Employee

If you are the covered employee, you may have the right to elect COBRA coverage if you lose group health coverage because of the following qualifying status changes:

- Termination of your employment (for reasons other than gross misconduct);
- Resignation;

- Layoff; or
- A reduction in your hours of employment.

Qualifying Status changes For Covered Spouse

If you are the covered spouse of an employee, you may have the right to elect COBRA coverage for yourself if you lose group health coverage under the Program because of any of the following qualifying status changes:

- A termination of your spouse's employment, including resignation and layoff, (for reasons other than gross misconduct);
- A reduction in your spouse's hours of employment;
- The death of your spouse;

Divorce from your spouse. If your spouse (the employee or retiree) reduces or eliminates your group health coverage in anticipation of your divorce and your divorce happens soon after that, then the divorce may be considered a qualifying status change for you even though you lost coverage earlier than the date of the divorce. The rules of the Program do not require you to lose coverage if you and your spouse are legally separated but are still legally married to the employee or retiree.

Qualifying Status Changes for Covered Dependent Children

If you are the covered dependent child of an employee, you may have the right to elect COBRA coverage for yourself if you lose group health coverage under the Program because of any of the following qualifying status changes:

- A termination of the employee's employment (for reasons other than gross misconduct);
- A reduction in the employee's hours of employment;
- The death of the employee;
- Parent's divorce or, if applicable, legal separation;
- You cease to be a "dependent child" under the terms of the Program.

Please consult the Employee Benefits Division regarding the special rule for newly born or adopted children.

When is COBRA or Continuation of Coverage available?

Coverage starts from the day you lose coverage due to a qualifying status change – usually the end of the payroll deduction period in which the qualifying status change occurred. When the qualifying status change is the end of employment, reduction of employment hours or death of the employee, the Program will offer this coverage to qualified beneficiaries. Qualified beneficiaries are the employee, the spouse and the dependent children who lost group health coverage as a result of the qualifying status change. You will not need to notify the Employee Benefits Division of any of these three qualifying status changes because your employing agency should notify the Employee Benefits Division of these events. You will need to notify the Employee Benefits Division of any other qualifying status change.

Important: Notifications Required By the Employee, Spouse and Dependent

For the other qualifying status changes (divorce, and a covered dependent ceasing to meet the definition of a "dependent" under the Program's rules), you must notify the Employee Benefits Division within 63 days after the later of: (1) the date of the event or (2) the date on which health plan coverage would be lost under the terms of the Program because of the qualifying status change. If you do not notify the Employee Benefits Division of the qualifying status change within 63 days after the change, you will lose

the right to elect COBRA or Continuation of Coverage. Under federal law, this is the responsibility of all employees, spouses and covered dependent children (or the parent of covered dependent children).

To provide the required notification, you must contact the Employee Benefits Division and request that a Direct Pay Enrollment form be mailed to you. Complete the form, attach documentation of the qualifying status change (e.g., copy of divorce decree), and mail the form and documentation to Employee Benefits Division, 301 West Preston Street, Room 510, Baltimore, Maryland 21201.

If this notification is not completed according to these procedures and within the required 63-day notification period, rights to continuation coverage will be forfeited. Read the dependent eligibility rules contained in this benefit guide carefully so you and all covered enrollees are familiar with when a dependent is no longer a dependent under the terms of the plan. The Direct Pay Enrollment form is also available at www.dbm.maryland.gov/benefits.

How much does COBRA coverage cost?

You or a qualified beneficiary covered under COBRA must pay the entire applicable premium plus a 2% administration charge for continuation coverage. The State of Maryland does not subsidize COBRA coverage. These premiums will be adjusted during the continuation period if the applicable premium amount changes. In addition, if continuation coverage is extended from 18 months to 29 months due to Social Security disability, the State of Maryland can charge up to 150% of the applicable premium during the extended coverage period for the disabled beneficiary. Qualified beneficiaries are required to pay on a monthly basis. Premiums are due on the first day of every month. There will be a maximum grace period of thirty days for regularly scheduled monthly premiums.

How Do I Elect COBRA or Continuation of Coverage?

Each qualified beneficiary will have an independent right to elect COBRA or Continuation of Coverage; parents may elect COBRA coverage on behalf of minor children who were covered dependents. The Employee Benefits Division will send you an Election Notice outlining your rights to COBRA or Continuation of Coverage after it receives notification of a qualifying status change from you or your agency. Each qualified beneficiary has the right to elect COBRA or Continuation of Coverage in the group health benefits the qualified beneficiary had on the last day of coverage in the Program.

How long does COBRA or Continuation of Coverage last?

COBRA coverage is a temporary continuation of coverage. Depending on the nature of the qualifying status change that caused the loss of coverage, COBRA coverage may last a maximum of 18 months or 36 months, except in the case of COBRA continuation coverage in a health care flexible spending arrangement. If you are participating in a health care flexible spending account at the time of the qualifying status change, you will only be allowed to continue the health care flexible spending account on a post-tax basis until the end of the current plan year in which the qualifying status change occurs. See below for a description of how COBRA continuation coverage may end earlier than these maximum periods.

Length of Continuation Coverage – 18 Months

If the event causing the loss of coverage is a termination of employment (other than for reasons of gross misconduct, resignation or layoff) or a reduction in work hours, each qualified beneficiary will have the opportunity to continue coverage for 18 months from the date of the qualifying status change. This 18-month coverage period may be extended only in limited situations: (1) when the qualified beneficiary receives a Social Security disability determination, (2) when a second qualifying status change occurs during COBRA continuation coverage, and (3) when the employee became eligible for Medicare within 18 months before the termination of employment or reduction in hours (see below for explanation). You

must notify the Employee Benefits Division in writing within 63 days after these events to be eligible for an extension of the maximum coverage period. If you do not do so, you cannot extend your coverage period.

Social Security Disability

The 18 months of continuation coverage can be extended an additional 11 months, to a maximum of 29 months, for all qualified beneficiaries if the Social Security Administration determines a qualified beneficiary was disabled according to Title II or XVI of the Social Security Act on the date of the qualifying status change or at any time during the first 60 days of coverage. The disability must last during the entire 18 months of continuation coverage. It is the qualified beneficiary's responsibility to obtain this disability determination from the Social Security Administration and provide a copy of the determination to the Employee Benefits Division within 60 days of the later of: (1) the date of the determination, (2) the date of the termination of employment or reduction in hours, or (3) the date the original 18-month coverage period expires. This notice must be provided no later than the date the original 18-month coverage period expires. If you do not notify the Employee Benefit Division in writing within this timeframe, you may lose the ability to extend this coverage.

This extension applies separately to each qualified beneficiary. If the disabled qualified beneficiary chooses not to continue coverage, all other qualified beneficiaries are still eligible for the extension. If coverage is extended, and the disabled qualified beneficiary has elected the extension, the applicable premium is 150% of the premium. If only the non-disabled qualified beneficiaries extend coverage, the premium will remain at 102%. It is also the qualified beneficiary's responsibility to notify the Employee Benefits Division within 30 days if a final determination has been made that they are no longer disabled.

Secondary Qualifying Status Changes

Extension of the 18- or 29-month continuation period could occur, if during the 18 or 29 months of continuation coverage, a second event takes place (divorce, legal separation, death, or a dependent child ceasing to be a dependent) that would have caused the qualifying beneficiary to lose coverage under the Program if the first qualifying status change (termination of employment or reduction of hours) had not occurred. If a second event occurs, the original 18 or 29 months of continuation coverage can be extended to 36 months from the date of the original qualifying status change date for eligible dependent qualified beneficiaries. If a second event occurs, it is the qualified beneficiary's responsibility to notify the Employee Benefits Division in writing within 60 days after the second event and within the original 18- or 29-month continuation period. In no event, however, will continuation coverage last beyond 36 months from the date of the first qualifying status change that originally made the qualified beneficiary eligible for continuation coverage. A reduction in hours followed by a termination of employment is not a second qualifying status change.

Length of Continuation Coverage - 36 Months

If the original event causing the loss of coverage was the death of the employee, or a dependent child ceasing to be a dependent child, each qualified beneficiary of the employee will have the opportunity to continue coverage for 36 months from the date of the qualifying status change. When the employee had become entitled to Medicare benefits less than 18 months before the termination of employment or reduction in work hours, the covered spouse and covered dependent qualifying beneficiaries may be entitled to continued coverage for up to 36 months. This extension does not apply to the employee, who will only have a maximum of 18 months of COBRA coverage unless a secondary qualifying status change occurs. The 36-month coverage period cannot be extended.

Length of Continuation Coverage – Indefinitely

If the original event causing the loss of group health coverage was your divorce, the qualified beneficiary will have the opportunity to continue coverage indefinitely under Maryland law. This indefinite period of coverage will end when any of the following non-exhaustive list of events happens: (1) Program coverage for the employee terminates, (2) the qualified beneficiary obtains coverage elsewhere (including Medicare), or (3) the qualified beneficiary spouse remarries.

This indefinite period of continuation coverage is a result of a Maryland state law that is similar to COBRA and does not apply to health care flexible spending arrangements. However, the dependent child qualified beneficiary will also lose coverage when the child does not meet Program eligibility requirements under standard COBRA rules.

Former stepchildren of the covered employee do not gain access to indefinite continuation coverage under these provisions of Maryland law.

Potential Conversion Rights: At the end of the 18, 29, or 36 months of continuation coverage, a qualified beneficiary will be allowed to enroll in an individual conversion health plan if an individual conversion plan is available at that time.

Notification of Address Change

To ensure you and your eligible dependents receive information properly and on time, you must notify the State of Maryland Employee Benefits Division of any address change as soon as possible. The Employee Benefits Division must have your current address at all times. A Personal Information Change form is available at www.dbm.maryland.gov/benefits; click on Forms. Instructions for completing and filing the form are at the bottom of the form. If you don't follow the instructions on the form your notifications may be delayed and you may lose your opportunity for benefit coverage continuation.

If You Have Questions

This Notice is simply to inform you of your responsibility to notify the Employee Benefits Division if you have a qualifying status change that allows you to continue your coverage beyond the date it would otherwise end. If you have a qualifying status change and you are eligible for coverage continuation, you will be notified of your rights at that time as part of the COBRA Election Notice. If you or any covered individual does not understand any part of this summary notice or has questions about this information or your obligations, please contact the State of Maryland Employee Benefits Division at 410-767-4775. More information about COBRA continuation coverage is available at www.dbm.maryland.gov/benefits. The Program name and address is:

The State of Maryland Employee and Retiree Health and Welfare Benefits Program
c/o Employee Benefits Division
301 West Preston Street, Room 510
Baltimore, Maryland 21201.

Health Insurance Portability and Accountability Act (HIPAA)

Certificates of Coverage and the Health Insurance Portability and Accountability Act of 1996 (HIPAA)

A Federal law, HIPAA, requires employers to provide certificates of coverage to all former employees, who then can give the certificates to their new employers. If you or your dependents obtain new employment, you may request a certificate of coverage from the State, which describes the length and types of benefits coverage (e.g., medical, dental, etc.) you and your dependents had under the State Program. You may request a HIPAA Certificate of Coverage by writing to the Department of Budget and Management (DBM), Employee Benefits Division, at the address on the inside front cover of this guide. The medical plans offered through the State will mail one to you automatically when your coverage with them ends.

Notice of Privacy Practices and HIPAA Authorization Form

The State conforms to Federal HIPAA and State regulations regarding the privacy of your health information. The Notice of Privacy Practices describes the privacy practices of the State Employee and Retiree Health and Welfare Benefits Program.

HIPAA and State regulations require your written authorization to disclose certain health information to other people. If your written authorization is needed, you may use the HIPAA authorization form to provide the needed authorization. This form is located on our website, www.dbm.maryland.gov/benefits; click on Forms. Assigned HIPAA authorizations remain in effect unless you change or revoke the authorization.

Notice of Privacy Practices – The State Employee and Retiree Health And Welfare Benefits Program

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY. PLEASE ALSO CAREFULLY REVIEW ANY SEPARATE NOTICE OF PRIVACY PRACTICES MAINTAINED BY DEPARTMENT OF BUDGET & MANAGEMENT.

Under Federal and State law, DBM administers the State Employee and Retiree Health and Welfare Benefits Program (the Program) and protects the privacy of your protected health information. DBM takes steps to ensure that your protected health information is kept secure and confidential and is used only when necessary to administer the Program. DBM is required to give you this notice to tell you how DBM and your Health Care Flexible Spending Account (HCFSAs) may use and give out (“disclose”) your protected health information held by DBM and your HCFSAs. This information generally comes to DBM when you enroll in the Program, from your plan administrator as part of administration of the health plan, and to your HCFSAs when you submit requests for reimbursement. DBM and the HCFSAs abide by the terms of this Notice. Your health plan in the Program (for example, the CareFirst BlueCross BlueShield PPO) will also protect, use, and disclose your personal health information. For questions about your health information held by your health plan, please contact your health plan directly. The plans in the Program all follow the same general rules that DBM and the HCFSAs follow to protect, use, and disclose your protected health information. Each plan will use and disclose your protected health information for payment purposes, for treatment purposes, and for administration purposes. DBM has the right to use and disclose your protected health information to administer the Program. For example, DBM will use and disclose your protected health information:

- To communicate with your Program health plan when you or someone you have authorized to act on your behalf asks for our assistance regarding a benefit or customer service issue. DBM may need written authorization from you for your health plan to discuss your case.

- To determine your eligibility for benefits and to administer your enrollment in your chosen health plan.
- For payment related purposes, such as to pay claims for services provided to you by doctors, hospitals, pharmacies, and others for services delivered to you that are covered by your health plan, to coordinate your benefits with other benefit plans (including Workers' Compensation plans or Medicare) to reimburse you from your HCFSAs, or to make premium payments.
- To collect payment from you when necessary, such as copayments, premiums or other contributions.
- For treatment related purposes, such as to review, make a decision about, or litigate any disputed or denied claims.
- For health care operations, such as to conduct audits of your health plan's quality and claims payments, to procure health benefits offered through this Program, to set premiums, and to investigate potential fraudulent claims. However, note that federal law prohibits the use and disclosure of genetic information about an individual, including for underwriting purposes. The group health plan benefits options and the HCFSAs offered through the Program do not use genetic information for underwriting (or for any other) purposes.

DBM and/or your HCFSAs will also use and disclose your protected health information:

- To you or someone who has the legal right to act for you (your personal representative). To authorize someone other than you to discuss your protected health information, please contact DBM to complete an authorization form.
- To law enforcement officials when investigating and/or processing alleged or ongoing civil or criminal actions.
- Where required by law, such as to the Secretary of the U.S. Department of Health and Human Services, to the Office of Legislative Audits, or in response to a subpoena.
- For health care oversight activities (such as mandatory reporting, and fraud and abuse investigations).
- To avoid a serious and imminent threat to health or safety.

DBM must have written permission (an "authorization") from you, or your dependents over the age of 18 years, to use or give out your protected health information to other persons or organizations. An authorization is good for only one year. You may revoke an authorization at any time by written notice.

DBM and your HCFSAs do not use your protected health information for fundraising or marketing purposes. DBM and your HCFSAs do not and are prohibited from selling your protected health information. However, we can request payment for treatment or coverage provided to you, for services provided in connection with the health plan (such as processing claims), and for copying costs when you ask for copies of records we have containing your information.

By law, you have rights related to protected health information about you. These include your rights to:

- Make a written request and see or get a copy of your protected health information held by DBM, the HCFSAs, or a plan in the Program. If DBM or your HCFSAs use Electronic Health Records, you can ask for a copy of that EHR. We do not use EHRs currently.
- Amend any of your protected health information created by DBM or the HCFSAs if you believe it is wrong or if information is missing, and DBM agrees. If DBM or the HCFSAs disagree, you may have a statement of your disagreement added to your protected health information.
- Ask in writing for a listing of those receiving your protected health information from DBM or your HCFSAs for up to six years prior to your request. The listing will not cover your protected health information that was used or disclosed for treatment, health care operations or payment purposes,

given to you or your personal representative, disclosed pursuant to an authorization, or disclosed prior to April 14, 2003. If DBM or your HCFSAs begins to use EHRs, you could ask for a copy of EHR disclosures over the most recent three years for health care operations, treatment, and payment purposes as well.

- Ask DBM or your HCFSAs in writing to communicate with you in a different manner or at a different place (for example, by sending materials to a P.O. Box instead of your home address) if using your address on file creates a danger to you.
- Ask DBM or your HCFSAs in writing to limit how your protected health information is used or given out. However, DBM or your HCFSAs may not be able to agree to your request if the information is used for treatment, payment, or to conduct operations in the manner described above, or if a disclosure is required by law. If you wish to exercise these rights in connection with the Program or a health plan, you may contact DBM at the address below.
- Get a separate paper copy of this notice. If you wish to exercise any of these rights in connection with your HCFSAs, you can contact the FSA Administrator at the address listed on the inside front cover or you can contact DBM for assistance. You may also contact your dental plan, medical PPO, medical POS, or medical EPO or long-term care plan directly.

DBM cannot disclose protected health information to an employer for employment-related actions or personnel transactions without authorization.

For more information on exercising your rights in this notice, visit the DBM website: www.dbm.maryland.gov/benefits. You may also call 410-767-4775 or 1-800-30-STATE (1-800-307-8283) and ask for DBM's HIPAA Privacy Official. If you believe DBM has violated your privacy rights, you may submit a written complaint with DBM at the following address:

Department of Budget and Management
Employee Benefits Division
301 West Preston Street
Room 510
Baltimore, MD 21201
ATTN: HIPAA Privacy Officer

Filing a complaint will not affect your benefits under the HIPAA. You also may submit a complaint with the Secretary of the U.S. Department of Health and Human Services at:

Department of Health and Human Services
Office of Civil Rights
150 South Independence Mall West, Suite 372
Public Ledger Building
Philadelphia, PA 19106-9111

Newborns' and Mothers' Health Protection Act Of 1996

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse, midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain precertification. For information, contact your plan administrator.

Notice of Women's Health & Cancer Rights Act Of 1998

As required by the Women's Health and Cancer Rights Act (WHCRA) of 1998, the group health plan benefits options offered here provide coverage for:

- All stages of reconstruction of the breast on which the mastectomy has been performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance; and
- Prosthesis and physical complications of mastectomy, including lymphedemas, in a manner determined in consultation with the attending physician and the patient.

Such coverage may be subject to annual deductibles and coinsurance provisions as may be deemed appropriate and are consistent with those established for other benefits under the plan or coverage. Written notice of the availability of such coverage shall be delivered to the participant upon enrollment and annually thereafter. Contact your plan administrator, the State of Maryland Employee Benefits Division, for more information.

Genetic Information Nondiscrimination Act Of 2008

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to any request for medical information.

"Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Premium Assistance Under Medicaid and The Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. You can access the Marketplace for your state at www.healthcare.gov outside of Maryland or www.marylandhbe.com in Maryland. By accessing these websites, you can also obtain information about the next open enrollment period, qualifying events, and special enrollment periods.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed on the next page, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office, call **1-877-KIDS NOW** or go to www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2014. Contact your State for more information on eligibility.

Important Notice From the State of Maryland About Prescription Drug Coverage and Medicare - PART D NOTICE OF CREDITABLE COVERAGE

Please read this notice carefully and keep it where you can find it. This notice applies to all State of Maryland employees, retirees, and dependents that are entitled to Medicare and are enrolled in the current prescription drug plan through the State Employees and Retirees Health Benefits Program (“our Program”) and has information about our Program’s prescription drug coverage. It also explains the options you have under Medicare Part D prescription drug coverage and can help you decide whether or not you want to enroll. At the end of this notice is information about where you can get help to make decisions about your prescription drug coverage.

IMPORTANT POINTS TO REMEMBER

- Medicare prescription drug coverage (“Medicare Part D”) became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- The State of Maryland has determined that the prescription drug coverage offered through our Program is creditable coverage. Creditable coverage means that, on average for all plan participants, our Program is expected to pay out as much or more than the standard Medicare Part D prescription drug coverage will pay. It also means that if you keep our Program’s coverage and do not enroll in a Medicare prescription drug plan now, you will not pay extra if you later decide to enroll in a Medicare prescription drug plan, so long as you do not have a break in coverage of 63 or more continuous days. If you go 63 or more continuous days without prescription drug coverage that is at least as good as Medicare’s prescription drug coverage, your monthly premium will go up at least 1% per month for every month that you did not have that coverage. For example, if you go nineteen months without coverage, your premium will always be at least 19% higher than what many other people pay. You will have to pay this higher premium as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to enroll.
- Individuals can enroll in a Medicare prescription drug plan when they first become eligible for Medicare and each year from October 15th through December 7th. In addition, if you cancel or lose coverage with our Program, you may be eligible for a Special Enrollment Period to sign up for a Medicare prescription drug plan.

You should compare your current coverage, including which drugs are covered, with the coverage and cost of the Medicare prescription drug plans in your area. Remember, our Program will only cover eligible dependents in a plan in which you are enrolled as well.

- If you decide to enroll in a Medicare prescription drug plan and drop your prescription drug coverage through our Program, you may not be able to get our Program coverage back until our next Open Enrollment period or when you cancel or lose your Medicare prescription drug coverage. If you lose or cancel Medicare Part D prescription drug coverage, you may be able to re-enroll in our Program before the next annual Open Enrollment period if you request re-enrollment with the employee Benefits

If you are eligible for Medicare prescription drug coverage, you have the right to:

- Keep our Program’s coverage and not enroll in a Medicare prescription drug plan; or
- Enroll in a Medicare prescription drug plan and drop our Program’s coverage.

Division within 60 days and you have had a change in circumstances that permits a mid-year change in enrollment. See the annual Benefits Guide section entitled “Qualifying Status Changes” on page 49 for more information. If you drop our Program coverage for prescription drug benefits, your dependent(s) will also lose coverage under our Program’s prescription drug plan.

If you cancel your coverage under our Program’s prescription drug plan, you are still eligible for enrollment in our Program’s other types of coverage, such as health and dental plans. Prescription coverage is elected separately from these other coverages.

- Keep this notice with your important papers. If you enroll in one of the Part D plans approved by Medicare that offer prescription drug coverage, you may need to give a copy of this notice when you join to show that you are not required to pay a higher premium amount.

For more information about this notice or your current prescription drug coverage, contact the Employee Benefits Division at 410-767-4775 or 1-800-307-8283. More information can also be found by visiting www.dbm.maryland.gov/benefits. **NOTE:** A copy of this Notice will appear in our Program’s annual Open Enrollment guide each year. You also may request a paper copy at any time.

For more information about your options under Medicare prescription drug coverage:

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. If you are enrolled in Medicare, you will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare prescription drug plans. For more information about Medicare prescription drug plans:

- Visit www.medicare.gov;
- Call your State Health Insurance Assistance Program (see your copy of the “Medicare & You” handbook or visit www.mdoa.state.md.us for the telephone number of the local office in your area); or
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, extra help paying for a Medicare prescription drug plan is available. Information about this extra help is available from the Social Security Administration (SSA). For more information about this extra help, visit the SSA online at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Date: 01/01/15, Name of Entity/Sender: State of Maryland, Contact Office: Employee Benefits Division, Address: 301 W. Preston Street, Room 510, Baltimore, Maryland 21201,

Phone Number: 410-767-4775 or toll-free 1-800-307-8283.

Remember: Keep this notice. If you enroll in one of the prescription drug plans approved by Medicare, you may be required to provide a copy of this notice when you join, to determine whether or not you are required to pay a higher premium amount.

Benefits Appeal Process

Important Information about Your Health Benefits Claims Review and Appeal Rights

Internal Appeals: If a health care claim you will be incurring or have incurred is denied, you may contact your insurance carrier using the contact information on your Explanation of Benefits (EOB) form or on the back of your insurance identification card for information on filing an internal appeal. This must be done within 180 days (six months) from the date the claim was denied. If your insurance carrier upholds the denial, you have the right to request an external review (external appeal) of the denial by the Maryland Insurance Administration.

External Appeals: For a claim denied because the service was considered not medically necessary, medically inappropriate or is considered cosmetic, experimental or investigational, you, your representative or a health care provider acting on your behalf, may be entitled to request an independent, external review within 120 days (four months) from the date the claim was denied. If you request an external review, the Maryland Insurance Administration (MIA) will review and provide a final, written determination. If MIA decides to overturn the insurance carrier's decision, we will instruct the insurance carrier to provide coverage or payment for your health care item or service. For questions on your rights to external review, contact the Maryland Insurance Administration:

Maryland Insurance Administration
Attn: Appeals and Grievance Unit
200 St. Paul Place, Suite 2700
Baltimore, Maryland 21202
Telephone: (410) 468-2000
Toll-free: 1-800-492-6116
Facsimile: (410) 468-2270
TTY: 1-800-735-2258

If a claim is denied because the service was not a covered service and is not eligible for an independent, external review, but you still disagree with the denial, you may contact the Employee Benefits Division for additional review:

Employee Benefits Division
Attn: Adverse Determinations
301 West Preston Street, Room 510
Baltimore, MD 21201
Telephone: (410) 767-4775
Toll-free: 1-800-307-8283
Facsimile: (410) 333-7104

Urgent Care Request: If your situation meets the definition of urgent care under the law, a review of your claim will be conducted as expeditiously as possible. An urgent care situation is one in which your health may be in serious jeopardy or, in the opinion of your physician, you may experience pain that cannot be adequately controlled while you wait for a decision on the external review of your claim. If you believe your situation is urgent, you may request an expedited review process by contacting your plan at the phone number listed on the back of your insurance identification card, or you may contact the Maryland Insurance Administration (see above).

Assistance resources: For questions about your rights or for assistance in filing an appeal, you can contact the Office of Health Insurance Consumer Assistance:

Maryland Office of Attorney General Health Education and Advocacy Unit
200 St. Paul Place, 16th Floor
Baltimore, MD 21202
Telephone: (877) 261-8807

Definitions

Allowed Benefit: The maximum fee a health plan will pay for a covered service or treatment. The allowed benefit is determined by each health plan.

Balance Billing: When a provider bills you for the difference between the out-of-network provider's charge and the allowed amount. For example, if the provider's charge is \$100 and the allowed amount is \$70, the provider may bill you for the remaining \$30. A preferred provider may not balance bill you for covered services.

Cafeteria Plans: Plans under Section 125 of the Internal Revenue Code that allow employees to choose from a menu of one or more qualified benefits and to pay for those qualified benefits on a pre-tax basis.

CHIP: Children's Health Insurance Program. Your state may have a premium assistance program to help pay for coverage, if you are eligible for assistance.

CMS: Centers for Medicare and Medicaid Services. The agency of the U.S. Department of Health and Human Services that is responsible for administering the Medicare and Medicaid programs.

COB (Coordination of Benefits): If an employee, retiree, or eligible dependents are covered under more than one insurance plan, the insurance plan of the person with the earlier birthday in the calendar year is primary and the other plan is secondary. The employee's or retiree's primary coverage will pay its benefits first, without regard to other coverage.

COBRA (The Consolidated Omnibus Budget Reconciliation Act of 1985): This law amended by ERISA, the PHS Act, and the tax code requires employers to offer the option of purchasing continuation coverage to qualified beneficiaries who would otherwise lose group health insurance coverage as the result of a qualifying status change. The federal statute that applies to the State of Maryland Health plans is the Public Health Service Act (PHSA).

Coinsurance: The percentage of the cost you and the plan pay for a covered expense. Coinsurance is different for services received from in-network providers and out-of-network providers.

Copayment: The fixed dollar amount an employee, retiree, or covered dependent pays at the time service is rendered. This money goes directly to the health care provider. Copayments differ for each type of service.

Deductible: The amount an employee or retiree is required to pay before your medical plan pays benefits for out-of-network care.

DHMO (Dental Health Maintenance Organization): A dental plan that operates in a way similar to a medical HMO but provides dental services. Participants can use only those designated dental providers approved by and registered with the DHMO.

Emergency services or medical emergency: Health care services that are provided in a hospital emergency facility after the sudden onset of a medical condition that manifests itself by symptoms of sufficient severity, including severe pain, that the absence of immediate medical attention could reasonably be expected by a prudent layperson, who possesses an average knowledge of health and medicine, to result in the following:

- placing the patient's health in jeopardy;
- serious impairment of bodily functions; or
- serious dysfunction of any bodily organ or part.

EPO (Exclusive Provider Organization): An EPO is a type of managed care medical plan. The EPO contracts with providers from a specific network from which members must choose. Benefits for EPO members are provided only if a member sees a network EPO provider (except for emergency care).

ESRD (End Stage Renal Disease): A medical condition of the kidneys and renal system when the kidneys do not work well enough to function without dialysis or a transplant. This kind of kidney failure is permanent; it cannot be fixed.

Flexible Spending Account (FSA): A benefit option that allows employees to contribute tax-free money from their pay to an account that can be used for reimbursement of eligible health care and/or dependent day care expenses. These arrangements are regulated by federal tax law.

FMLA (Family Medical Leave Act): A type of Leave of Absence governed by Federal and State statutes under which an employee may take a leave of absence due to his/her medical condition, a family member's medical condition, or his/her active military duty.

Health Care Reform: The Federal Patient Protection and Affordable Care Act (PPACA).

HIPAA (Health Insurance Portability and Accountability Act of 1996): A federal law that calls for among other aspects certain confidentiality standards and requires employers to provide certificates of coverage for former employees and their eligible dependents to minimize preexisting condition exclusions by the former employee's next employer.

IHM: An Integrated Health Management plan is one in which all of your care is managed by your primary care physician generally in a regional network of providers.

Imputed Income: The estimated value of an employer's financial contribution towards health insurance coverage for legal wards and grandchildren age 25. This amount must be reported as taxable wages earned.

In-Network Service: Service provided by a participating provider, Primary Care Physician or other provider approved by the plan.

LAW (Leave of Absence Without Pay): An employer-approved period of leave during which the employee is not paid but continues to be a State employee. Any approved leave of absence of two pay periods or less is considered a short-term LAW. Any approved leave of absence more than two pay periods is considered a long-term LAW.

Medicare: A federal health insurance program administered by the Social Security Administration for disabled individuals and those age 65 or older. Eligible Medicare participants must enroll in Parts A & B; the State health care plan is often the secondary payer and will not cover health care expenses covered by Medicare. The optional Medicare Part D program covers prescription drugs.

Network: A group of providers that contract with an insurance carrier to provide health care services and treatment to individuals at reduced, fixed fees.

Open Enrollment Period: An annual period during which employees and retirees may enroll for benefits coverage or change their benefits coverage.

ORP (Optional Retirement Program): Special Retirement Programs available to certain faculty and staff of higher education institutions.

Out-of-Network Service: Service received from providers outside of the plan's network. Such services are subject to deductibles and coinsurance.

Out-of-Pocket Maximum: The most an employee/retiree will pay out of his or her pocket in deductible and coinsurance charges. Copayments have a separate out-of-pocket maximum.

Preauthorization: A decision by your health insurer or plan that a health care service, treatment plan, prescription drug or durable medical equipment is medically necessary. Sometimes called prior authorization, prior approval or precertification. Your health insurance or plan may require preauthorization for certain services before you receive them, except in an emergency. Preauthorization isn't a promise your health insurance or plan will cover the cost.

Premium: The amount of money an employee or retiree pays for insurance coverage. A premium does not include additional copayments or deductibles incurred for treatment.

Primary Care Provider (PCP): A General Practitioner, Nurse Practitioner, Family Practice, Internal Medicine, Pediatrician, OB-GYN, or Physician Assistant, as allowed under state law, who provides, coordinates or helps a patient access a range of health care services.

Provider: Any approved health care professional who provides treatment or services.

Qualified Medical Child Support Order (QMCSO): A court order that requires a parent to provide health care coverage for dependent children.

Qualifying Status Change: An event such as marriage, divorce, or the birth of a child, that allows a change in health care coverage outside of the Open Enrollment period.

Retroactive Adjustment: The process of paying back premiums to back date coverage to the date of the qualifying status change. (Only used for active employees and retirees.)

State Subsidy: The portion of the insurance premium(s) that the State pays as a benefit to employees and retirees.

Urgent Care: Care for an illness, injury or condition serious enough that a reasonable person would seek care right away, but not so severe as to require emergency room care.
