Retiree's Name: _____ Social Security #: _____-_____-_____

Address: _____ City, State, And Zip: _____

Date of Birth: _____ Home Phone: _____ Cell Phone: _____

IMPORTANT: In accordance with Federal and State regulations, an individual must be placed in coverage that is supplemental to Medicare Parts A and B as soon as both of the following criteria are met: (1) medical insurance is under a retiree group health plan, and (2) Medicare entitlement exists either by having reached age 65 or by having a total permanent disability acknowledged by Social Security at any age.

Medicare becomes the primary insurer as soon as both criteria are met and the retiree group health plan becomes a supplemental policy to Medicare. For full coverage, the Medicare-eligible retiree or dependent must **enroll in both Medicare Part A (Hospital) and Part B (Medical).** Those retirees/dependents who are eligible for Medicare and are not enrolled in Part B will be responsible for paying the portion of the claim that Part B would have paid (80% of Medicare allowed amount) until Part B coverage becomes effective. If prescription coverage is elected, all Medicare eligible retirees and/or Medicare eligible dependent(s) will be automatically enrolled in the States ESI Medicare Part D (EGWP) as part of the overall prescription drug benefit. Please see the benefits guide or visit the DBM website at www.dbm.maryland.gov for additional information.

Please complete the chart below for yourself and/or anyone on the enclosed Summary Statement of Benefit Elections who is eligible for Medicare. **The requested information can be found on the red, white and blue Medicare Card or by calling Medicare at 1(800) 999-1118.
