However, if you have outstanding premiums for the plan year January 1, 2014 – December 31, 2014 and a payment is received, your payment will be applied to unpaid premiums first, before being applied to the new plan year beginning January 1, 2015.

Premium payments are due by the first of each month, but you are given a grace period where payment must be postmarked by end of month. If payment is not received by the end of the grace period, your benefits will be terminated. If enrollment is cancelled because the required payment is not received, you will not have the opportunity to enroll again until the next Open Enrollment, if eligible. **These payment procedures will be strictly enforced!**

IMPORTANT REMINDER: State Health Benefits and subsidy will only continue as long as the ORP retiree; or ORP retiree's surviving spouse or child continue to receive a Periodic Distribution from the ORP plan.
