

Chief of Safety

Maryland Environmental Service is a leading environmental agency headquartered in Millersville, Maryland. We are seeking an exceptional safety leader to further develop and maintain the Agency's safety program. Will serve as authority for planning, directing and managing safety related programs to assure compliance with local, state and federal laws and regulations. Will also manage all resources assigned to Safety, including personnel, budgets and equipment.

Position requires excellent communication skills and the ability to respond and lead activities during emergency situations, and create and conduct training programs. Proven ability to work with all levels of management and regulatory officials and agencies required. Effective organizational skills; ability to keep detailed records and prepare narrative and statistical reports also required.

Qualified candidates will possess a BS degree in Safety or related discipline plus six years of Safety Management experience (environmental field preferred). FEMA and CIPS Certifications preferred.

Applicants can substitute Associates Degree plus 2 additional years of safety management experience for BS Degree. Please refer to <http://www.menv.com/pages/humanresources/careers.html> to apply. Applications and resumes can be emailed to resumes@menv.com, mailed to 259 Najoles Road, Millersville, MD 21108, or faxed to 410-729-8235.
