Proposals, in the number and form set forth in Section 4.2 “Proposals” must be received by the Procurement Officer at the address listed on the Key Information Summary Sheet, no later than 2:00PM Local Time on June 17, 2014 in order to be considered.

Requests for extension of this time or date will not be granted. Offerors mailing Proposals should allow sufficient mail delivery time to ensure timely receipt by the Procurement Officer. Proposals may be modified or withdrawn by written notice received by the Procurement Officer before the time and date set forth in this section for receipt of Proposals.

Vendors not responding to this solicitation are requested to submit the “Notice to Vendors” form, which includes company information and the reason for not responding (e.g., too busy, cannot meet mandatory requirements, etc.). This form is located in the RFP immediately following the Title Page (page ii).

1.12 Multiple or Alternate Proposals

Multiple and/or alternate Proposals will not be accepted.

1.13 Economy of Preparation

Proposals should be prepared simply and economically and provide a straightforward and concise description of the Offeror’s Proposal to meet the requirements of this RFP.

1.14 Public Information Act Notice

An Offeror should give specific attention to the clear identification of those portions of its Proposal that it considers confidential and/or proprietary commercial information or trade secrets, and provide justification why such materials, upon request, should not be disclosed by the State under the Public Information Act, Md. Code Ann., State Government Article, Title 10, Subtitle 6. (Also, see RFP Section 4.4.2.2 “Claim of Confidentiality”). This confidential and/or proprietary information should be identified by page and section number and placed after the Title Page and before the Table of Contents in the Technical Proposal and if applicable, separately in the Financial Proposal.

Offerors are advised that, upon request for this information from a third party, the Procurement Officer is required to make an independent determination whether the information must be disclosed.

1.15 Award Basis

The Contract shall be awarded to the responsible Offeror submitting the Proposal that has been determined to be the most advantageous to the State, considering price and evaluation factors set forth in this RFP (see COMAR 21.05.03.03F), for providing the goods and services as specified in this RFP. See RFP Section 5 for further award information.

1.16 Oral Presentation

Offerors may be required to make oral presentations to State representatives. Offerors must confirm in writing any substantive oral clarification of, or change in, their Proposals made in the course of discussions. Any such written clarifications or changes then become part of the Offeror's Proposal and are binding if the Contract is awarded. The Procurement Officer will notify Offerors of the time and place of oral presentations.

1.17 Duration of Proposal

Proposals, including pricing proposals, submitted in response to this RFP are irrevocable for 120 days following the closing date for submission of Proposals or best and final offers if requested. This period may be extended at the Procurement Officer's request only with the Offeror's written agreement.

1.18 Revisions to the RFP

If it becomes necessary to revise this RFP before the due date for Proposals, the Department shall endeavor to provide addenda to all prospective Offerors that were sent this RFP or which are otherwise known by the Procurement Officer to have obtained this RFP. In addition, addenda to the RFP will be posted on the Department's procurement web page and through eMM. It remains the responsibility of all prospective Offerors to check all applicable websites for any addenda issued prior to the submission of Proposals. Addenda made after the due date for Proposals will be sent only to those Offerors that submitted a timely Proposal and that remain under award consideration as of the issuance date of the addenda.

Acknowledgment of the receipt of all addenda to this RFP issued before the Proposal due date shall be included in the Transmittal Letter accompanying the Offeror's Technical Proposal (See Section 4.4.2.3). Acknowledgement of the receipt of addenda to the RFP issued after the Proposal due date shall be in the manner specified in the addendum notice. Failure to acknowledge receipt of an addendum does not relieve the Offeror from complying with the terms, additions, deletions, or corrections set forth in the addendum.

1.19 Cancellations

The State reserves the right to cancel this RFP, accept or reject any and all Proposals, in whole or in part, received in response to this RFP, to waive or permit the cure of minor irregularities, and to conduct discussions with all qualified or potentially qualified Offerors in any manner necessary to serve the best interests of the State. The State also reserves the right, in its sole discretion, to award a Contract based upon the written Proposals received without discussions or negotiations.

1.20 Incurred Expenses

The State will not be responsible for any costs incurred by any Offeror in preparing and submitting a Proposal, in making an oral presentation, in providing a demonstration, or in performing any other activities related to this solicitation.

If applicable, subcontractors utilized in meeting the established MBE or VSBE participation goal(s) for this solicitation shall be identified as provided in the appropriate Attachment(s) of this RFP (see Section 1.33 “Minority Business Enterprise Goals” and Section 1.41 “Veteran-Owned Small Business Enterprise Goals.”).

If an Offeror that seeks to perform or provide the services required by this RFP is the subsidiary of another entity, all information submitted by the Offeror, including but not limited to references, financial reports, or experience and documentation (e.g. insurance policies, bonds, letters of credit) used to meet minimum qualifications, if any, shall pertain exclusively to the Offeror, unless the parent organization will guarantee the performance of the subsidiary. If applicable, the Offeror’s Proposal shall contain an explicit statement that the parent organization will guarantee the performance of the subsidiary.

A parental guarantee of the performance of the Offeror under this Section will not automatically result in crediting the Offeror with the experience and/or qualifications of the parent under any evaluation criteria pertaining to the Offeror’s experience and qualifications. Instead, the Offeror will be evaluated on the extent to which the State determines that the experience and qualification of the parent are transferred to and shared with the Offeror, the parent is directly involved in the performance of the Contract, and the value of the parent’s participation as determined by the State.

1.23 Substitution of Personnel

A. Continuous Performance of Key Personnel

Unless substitution is approved per paragraphs B-D of this section, key personnel shall be the same personnel proposed in the Contractor’s Technical Proposal, which will be incorporated into the Contract by reference. Such identified key personnel shall perform continuously for the duration of the Contract, or such lesser duration as specified in the Technical Proposal. Key personnel may not be removed by the Contractor from working under this Contract, as described in the RFP or the Contractor’s Technical Proposal, without the prior written approval of the Contract Monitor.

Extraordinary Personal Circumstance – means any circumstance in an individual’s personal life that reasonably requires immediate and continuous attention for more than fifteen (15) days and that precludes the individual from performing his/her job duties under this Contract. Examples of such circumstances may include, but are not limited to: a sudden leave of absence to care for a family member who is injured, sick, or incapacitated; the death of a family member, including the need to attend to the estate or other affairs of the

deceased or his/her dependents; substantial damage to, or destruction of, the individual's home that causes a major disruption in the individual's normal living circumstances; criminal or civil proceedings against the individual or a family member; jury duty; and military service call-up.

Incapacitating – means any health circumstance that substantially impairs the ability of an individual to perform the job duties described for that individual's position in the RFP or the Contractor's Technical Proposal.

Sudden – means when the Contractor has less than thirty (30) days' prior notice of a circumstance beyond its control that will require the replacement of any key personnel working under the Contract.

C. Key Personnel General Substitution Provisions

The following provisions apply to all of the circumstances of staff substitution described in paragraph D of this section.

1. The Contractor shall demonstrate to the Contract Monitor's satisfaction that the proposed substitute key personnel have qualifications at least equal to those of the key personnel for whom the replacement is requested.
2. The Contractor shall provide the Contract Monitor with a substitution request that shall include:
 - A detailed explanation of the reason(s) for the substitution request;
 - The resume of the proposed substitute personnel, signed by the substituting individual and his/her formal supervisor;
 - The official resume of the current personnel for comparison purposes; and
 - Any evidence of any required credentials.
3. The Contract Monitor may request additional information concerning the proposed substitution. In addition, the Contract Monitor and/or other appropriate State personnel involved with the Contract may interview the proposed substitute personnel prior to deciding whether to approve the substitution request.
4. The Contract Monitor will notify the Contractor in writing of: (i) the acceptance or denial, or (ii) contingent or temporary approval for a specified time limit, of the requested substitution. The Contract Monitor will not unreasonably withhold approval of a requested key personnel replacement.

D. Replacement Circumstances

1. Voluntary Key Personnel Replacement

To voluntarily replace any key personnel, the Contractor shall submit a substitution request as described in paragraph C of this section to the Contract Monitor at least fifteen (15) days prior to the intended date of change. Except in a circumstance described in paragraph D.2 of this clause, a substitution may not occur unless and until the Contract Monitor approves the substitution in writing.

2. Key Personnel Replacement Due to Vacancy

The Contractor shall replace key personnel whenever a vacancy occurs due to the sudden termination, resignation, leave of absence due to an Extraordinary Personal Circumstance, Incapacitating injury, illness or physical condition, or death of such personnel. (A termination or resignation with thirty (30) days or more advance notice shall be treated as a Voluntary Key Personnel Replacement as per Section D.1 of this section.).

Under any of the circumstances set forth in this paragraph D.2, the Contractor shall identify a suitable replacement and provide the same information or items required under paragraph C of this section within

fifteen (15) days of the actual vacancy occurrence or from when the Contractor first knew or should have known that the vacancy would be occurring, whichever is earlier.

3. Key Personnel Replacement Due to an Indeterminate Absence

If any key personnel has been absent from his/her job for a period of ten (10) days due to injury, illness, or other physical condition, leave of absence under a family medical leave, or an Extraordinary Personal Circumstance and it is not known or reasonably anticipated that the individual will be returning to work within the next twenty (20) days to fully resume all job duties, before the 25th day of continuous absence, the Contractor shall identify a suitable replacement and provide the same information or items to the Contract Monitor as required under paragraph C of this section.

However, if this person is available to return to work and fully perform all job duties before a replacement has been authorized by the Contract Monitor, at the option and sole discretion of the Contract Monitor, the original personnel may continue to work under the Contract, or the replacement personnel will be authorized to replace the original personnel, notwithstanding the original personnel's ability to return.

4. Directed Personnel Replacement

- a. The Contract Monitor may direct the Contractor to replace any personnel who are perceived as being unqualified, non-productive, unable to fully perform the job duties due to full or partial Incapacity or Extraordinary Personal Circumstance, disruptive, or known, or reasonably believed, to have committed a major infraction(s) of law, agency, or Contract requirements. Normally, a directed personnel replacement will occur only after prior notification of problems with requested remediation, as described in paragraph 4.b. If after such remediation the Contract Monitor determines that the personnel performance has not improved to the level necessary to continue under the Contract, if at all possible at least fifteen (15) days notification of a directed replacement will be provided. However, if the Contract Monitor deems it necessary and in the State's best interests to remove the personnel with less than fifteen (15) days' notice, the Contract Monitor can direct the removal in a timeframe of less than fifteen (15) days, including immediate removal.

In circumstances of directed removal, the Contractor shall, in accordance with paragraph C of this section, provide a suitable replacement for approval within fifteen (15) days of the notification of the need for removal, or the actual removal, whichever occurs first.

- b. If deemed appropriate in the discretion of the Contract Monitor, the Contract Monitor shall give written notice of any personnel performance issues to the Contractor, describing the problem and delineating the remediation requirement(s). The Contractor shall provide a written Remediation Plan within ten (10) days of the date of the notice and shall implement the Remediation Plan immediately upon written acceptance by the Contract Monitor. If the Contract Monitor rejects the Remediation Plan, the Contractor shall revise and resubmit the plan to the Contract Monitor within five (5) days, or in the timeframe set forth by the Contract Monitor in writing.

Should performance issues persist despite the approved Remediation Plan, the Contract Monitor will give written notice of the continuing performance issues and either request a new Remediation Plan within a specified time limit or direct the substitution of personnel whose performance is at issue with a qualified substitute, including requiring the immediate removal of the key personnel at issue.

Replacement or substitution of personnel under this section shall be in addition to, and not in lieu of, the State's remedies under the Contract or which otherwise may be available at law or in equity.

1.24 Mandatory Contractual Terms

By submitting a Proposal in response to this RFP, an Offeror, if selected for award, shall be deemed to have accepted the terms and conditions of this RFP and the Contract, attached herein as **Attachment A**. Any exceptions to this RFP or the Contract shall be clearly identified in the Executive Summary of the Technical Proposal. **A Proposal that takes exception to these terms may be rejected (see RFP Section 4.4.2.4).**

1.25 Bid/Proposal Affidavit

A Proposal submitted by an Offeror must be accompanied by a completed Bid/Proposal Affidavit. A copy of this Affidavit is included as **Attachment B** of this RFP.

1.26 Contract Affidavit

All Offerors are advised that if a Contract is awarded as a result of this solicitation, the successful Offeror will be required to complete a Contract Affidavit. A copy of this Affidavit is included as **Attachment C** of this RFP. This Affidavit must be provided within five (5) Business Days of notification of proposed Contract award. This Contract Affidavit will also be required to be completed by the Contractor prior to any Contract renewals, including the exercise of any options or modifications that may extend the Contract term.

1.27 Compliance with Laws/Arrearages

By submitting a Proposal in response to this RFP, the Offeror, if selected for award, agrees that it will comply with all Federal, State, and local laws applicable to its activities and obligations under the Contract.

By submitting a response to this solicitation, each Offeror represents that it is not in arrears in the payment of any obligations due and owing the State, including but not limited to the payment of taxes, employee benefits, reimbursements, and/or interest owed, and that it shall not become so in arrears during the term of the Contract if selected for Contract award.

1.28 Verification of Registration and Tax Payment

Before a business entity can do business in the State it must be registered with the State Department of Assessments and Taxation (SDAT). SDAT is located at State Office Building, Room 803, 301 West Preston Street, Baltimore, Maryland 21201. The SDAT website is <http://www.dat.state.md.us/sdatweb/services.html>.

It is strongly recommended that any potential Offeror complete registration prior to the due date for receipt of Proposals. An Offeror's failure to complete registration with SDAT may disqualify an otherwise successful Offeror from final consideration and recommendation for Contract award.

1.29 False Statements

Offerors are advised that Md. Code Ann., State Finance and Procurement Article, § 11-205.1 provides as follows:

1.29.1 In connection with a procurement contract a person may not willfully:

- 1.29.3 A person who violates any provision of this section is guilty of a felony and on conviction is subject to a fine not exceeding \$20,000 or imprisonment not exceeding five years or both.

1.30 Payments by Electronic Funds Transfer

By submitting a response to this solicitation, the Bidder/Offeror agrees to accept payments by electronic funds transfer (EFT) unless the State Comptroller's Office grants an exemption. Payment by EFT is mandatory for contracts exceeding \$100,000. The selected Bidder/Offeror shall register using the COT/GAD X-10 Vendor Electronic Funds (EFT) Registration Request Form. Any request for exemption must be submitted to the State Comptroller's Office for approval at the address specified on the COT/GAD X-10 form, must include the business identification information as stated on the form, and must include the reason for the exemption. The COT/GAD X-10 form may be downloaded from the Comptroller's website at:

1.33 Minority Business Enterprise Goals

1.33.1 Establishment of Goal and Subgoals.

An overall MBE subcontractor participation goal of five (5) % of the total contract dollar amount has been established for this procurement.

There are no MBE subcontractor participation subgoals for this procurement.

1.33.2 **Attachment D** – Minority Business Enterprise participation, instructions, and forms are provided to assist Bidders/Offerors. A Bidder/Offeror must include with its Bid/Proposal a completed MDOT Certified MBE Utilization and Fair Solicitation Affidavit (**Attachment D-1**) whereby:

- (b) The Bidder/Offeror responds to the expected degree of MBE participation, as stated in the solicitation, by identifying the specific commitment of certified MBEs at the time of Bid/Proposal submission. The Bidder/Offeror shall specify the percentage of contract value associated with each MBE subcontractor identified on the MBE participation schedule.

If a Bidder/Offeror fails to submit a completed Attachment D-1 with the Bid/Proposal as required, the Procurement Officer shall determine that the Bid is non-responsive or the Proposal is not reasonably susceptible of being selected for award.

- 1.33.3 Bidders/Offerors are responsible for verifying that each of the MBE(s) selected to meet the goal and any subgoals and subsequently identified in **Attachment D-1** is appropriately certified and has the correct NAICS codes allowing it to perform the intended work.
- 1.33.4 Within ten (10) Working Days from notification that it is the recommended awardee or from the date of the actual award, whichever is earlier, the Bidder/Offeror must provide the following documentation to the Procurement Officer.

 - (d) Any other documentation required by the Procurement Officer to ascertain Bidder/Offeror responsibility in connection with the certified MBE subcontractor participation goal or any applicable subgoals.

If the recommended awardee fails to return each completed document within the required time, the Procurement Officer may determine that the recommended awardee is not responsible and, therefore, not eligible for Contract award. If the Contract has already been awarded, the award is voidable.

- 1.33.5 A current directory of certified MBEs is available through the Maryland State Department of Transportation (MDOT), Office of Minority Business Enterprise, 7201 Corporate Center Drive, Hanover, Maryland 21076. The phone numbers are (410) 865-1269, 1-800-544-6056, or TTY (410) 865-1342. The directory is also available on the MDOT website at <http://www.mdot.state.md.us>. The most current and up-to-date information on MBEs is available via this website. **Only MDOT-certified MBEs may be used to meet the MBE subcontracting goals.**
- 1.33.6 The Contractor, once awarded a Contract, will be responsible for submitting or requiring its subcontractor(s) to submit the following forms to provide the State with ongoing monitoring of MBE Participation:
 - (a) **Attachment D-4** (MBE Participation Prime Contract Paid/Unpaid MBE Invoice Report).
 - (b) **Attachment D-5** (MBE Participation Subcontractor/Contractor Unpaid MBE Invoice Report).

 - (a) **Attachment D-6** (MBE Minority Contractor Unavailability Certificate).
- 1.33.8 All documents, including **Attachment D**, completed and submitted by the Bidder/Offeror in connection with its certified MBE participation commitment shall be considered to be a part of the resulting Contract and are hereby expressly incorporated into reference thereto. All of the referenced documents will be considered a part of the Bid/Proposal for order of precedence purposes (see **Attachment A**, § 2.1).
- 1.33.9 The Bidder/Offeror is advised that liquidated damages will apply in the event the Contractor fails to comply in good faith with the provisions of the MBE program and pertinent Contract provisions. (See **Attachment A**, §37).

1.34 Living Wage Requirements

A solicitation for services under a State contract valued at \$100,000 or more may be subject to Md. Code Ann., State Finance and Procurement Article, Title 18. Additional information regarding the State's living wage requirement is contained in **Attachment G**. Bidders/Offerors must complete and submit the Maryland Living Wage Requirements Affidavit of Agreement (**Attachment G-1**) with their Bid/Proposal. If a Bidder/Offeror fails to complete and submit the required documentation, the State may determine a Bidder/Offeror to be not responsible under State law.

Contractors and subcontractors subject to the Living Wage Law shall pay each covered employee at least the minimum amount set by law for the applicable Tier area. The specific living wage rate is determined by whether a majority of services take place in a Tier 1 Area or Tier 2 Area of the State. The Tier 1 Area includes Montgomery, Prince George's, Howard, Anne Arundel and Baltimore Counties, and Baltimore City. The Tier 2 Area includes any county in the State not included in the Tier 1 Area. In the event that the employees who perform the services are not located in the State, the head of the unit responsible for a State Contract pursuant to §18-102(d) of the State Finance and Procurement Article shall assign the tier based upon where the recipients of the services are located.

The Contract resulting from this solicitation will be determined to be a Tier 1 Contract or a Tier 2 Contract depending on the location(s) from which the Contractor provides 50% or more of the services. The Bidder/Offeror must identify in its Bid/Proposal the location(s) from which services will be provided, including the location(s) from which 50% or more of the Contract services will be provided.

- If the Contractor provides 50% or more of the services from a location(s) in a Tier 1 jurisdiction(s) the Contract will be a Tier 1 Contract.
- If the Contractor provides 50% or more of the services from a location(s) in a Tier 2 jurisdiction(s), the Contract will be a Tier 2 Contract.
- If the Contractor provides more than 50% of the services from an out-of-State location, the State agency determines the wage tier based on where the majority of the service recipients are located. In this circumstance, this Contract will be determined to be a Tier 1 Contract.

Information pertaining to reporting obligations may be found by going to the Maryland Department of Labor, Licensing and Regulation (DLLR) website <http://www.dllr.state.md.us/labor/prev/livingwage.shtml>.

NOTE: Whereas the Living Wage may change annually, the Contract price may not be changed because of a Living Wage change.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK.

SECTION 3 – SCOPE OF WORK

3.1 Purpose and Background

- 3.1.1 The State is issuing this solicitation for the purposes outlined in Section 1.1 of this RFP in order to obtain competitive group fares and rates for authorized official State travel in accordance with the State's Standard Travel Regulations. (See <http://dbm.maryland.gov>, keyword search "travel.")
- 3.1.2 The travel program (the "travel program") includes the following components: (1) the STMO for program administration, (2) the Contractor for travel services, (3) the CPC Contractor for credit services for charging State agency Common Carrier Accounts, and (4) the Agencies to be serviced. Each Agency will have one or more Travel Arrangers and/ Travel Coordinators. The travel program does not include strictly on-line arrangements of travel for State Agency use; therefore, Offerors cannot propose to provide solely on-line reservations for travel.
- 3.1.3 Executive Branch Agencies must use the travel program except when emergencies or unusual operating conditions arise or for conference travel when special rates can be obtained only from the organizer. Under these circumstances, Agencies may make alternative arrangements as appropriate. The Legislative and Judicial Branches may, but are not required to, participate in the program. The University System of Maryland has its own travel program but may, solely at its discretion, participate in the State travel program (see RFP Section 1.1.5). The Contractor shall provide travel services as provided in this RFP and the Contract to these Agencies if and when the Agencies decide to participate in the program.
- 3.1.4 State travel expenditures for common carrier tickets for calendar year 2013 were \$2.2 million. This figure represents 4,915 tickets, of which approximately 90% were e-tickets. The State makes no guarantee of any actual volume during the term of the Contract. Additional current Contractor information can be found at <http://dbm.maryland.gov>; keyword search "Contract Library."

3.2.1 General Requirements

- 3.2.1.1 The Traveler/Travel Arranger will deal directly with the Contractor for the day-to-day purchase of travel services. Travelers/Travel Arrangers are required to have all travel approved by a Travel Coordinator for their Agency prior to making a reservation. Travel authorization numbers will be issued by the agency Travel Coordinator or designee as proof of approval. A reservation for State business travel cannot be finalized without a State authorization number. Upon receipt of an authorization number, the Contractor shall make the reservation in accordance with the Standard Travel Regulations (<http://dbm.maryland.gov/>, keyword search "travel").
- 3.2.1.2 After travel has been completed, the Contractor shall segregate travel activities that appear not to conform to the State's travel policy requiring use of the lowest logical fares based on acceptable times, locations, and conditions. This information will enable any travel activities that were not done in accordance with State travel regulations to be reported to the Contract Monitor in accordance with RFP Section 3.2.4.
- 3.2.1.2.1 Under normal circumstances, if there are any potential violations before travel commences, the Contractor shall notify the Contract Monitor and Travel Coordinator for acceptance or denial of travel request.
- 3.2.1.2.2 Under emergency circumstances (i.e. juvenile prisoner travel) where travel must be arranged immediately and the Contractor cannot contact the Contract Monitor or Travel Coordinator, the Contractor shall arrange travel and report any travel violations in accordance with RFP Section 3.2.4.
- 3.2.1.3 The information required to be maintained by the contractor, if not already part of the Contractor's standard PNR information, shall include at a minimum: State authorization number, name of traveler, itinerary, ticket cost, form of payment, any comments regarding declined lower fares, if itinerary includes personal travel, Travel Coordinator name, Travel Arranger name and phone number, if different from Travel Coordinator, and the address of where the paper itinerary will be mailed.

- 3.2.1.4 All Travelers of the Contract shall be entitled to credit for unused refundable tickets. Refunds shall be processed for refundable tickets and shall be credited to each respective Agency's Business Travel Account.
- 3.2.1.5 For other than Consolidator tickets the Contractor shall only charge a fee per ticket issued to the State Traveler. The Contractor shall not charge any fee for any cancellation, voids, refunds, or waivers.
- 3.2.1.8 For Consolidator tickets the Contractor shall be entitled to:
 - a. Payments for the cost of the ticket
 - b. Reimbursement of a credit card merchant fee
 - c. Its per ticket fee

3.2.2 Contractor Personnel (Staffing)

The Contractor shall provide personnel to implement and support the Contract. Described below are the personnel minimums required in the performance of the Contract.

- 3.2.2.1 The Contractor shall have a Contract Administrator. This person shall coordinate closely with the Contract Monitor. This person shall have at least three (3) years' experience in the delivery of volume travel services (air, rail and group ticketing) of at least 5,000 transactions per year. This person is the designated single point-of-contact for the Contractor, in all communications with the Contract Monitor, with the authority and knowledge to resolve customer complaints, billing complaints, Contract matters, and errors on behalf of the Contractor.
- 3.2.2.2 Reservation Agents. The Contractor's reservation agents serving this Contract shall have experience in corporate travel reservations, including air, bus, rail and international reservations. During the term of the Contract, the Contractor's personnel must be familiar with the State's lowest logical fare policy (COMAR 23.02.01.03) and the requirements of this Scope of Work (Section 3).

3.2.3 Specific Contractor Requirements

The Contractor shall:

- 3.2.3.1 Maintain a dedicated toll-free telephone number for routine travel contact from State agencies during normal State Business Hours. See Section 1.2 (x).
- 3.2.3.2 Provide 24-hour emergency travel service for authorized personnel in travel status. This emergency service must have access to Contractor's system for making changes and reservations for travel. For emergency travel, the Contractor shall contact Traveler within 2 hours of receipt of call or voice message.
- 3.2.3.3 Have procedures and an automated capability to monitor continuously the quality of travel services to ensure delivery of those services at the lowest logical fares or costs. The Contractor must also have automated capability to complete pre-trip audits to ensure that the bookings/fares are adjusted to the lowest logical fare.
- 3.2.3.4 Query Travelers/Travel Arrangers as to acceptable times, locations, and conditions of tickets so that the lowest fares are identified. Minimal changes that would result in materially lower fares should be presented to and reviewed with Travelers. However, as required in Section 3.2.1.1, except for emergency travel, the Contractor shall only finalize travel arrangements upon approval by the respective Agency Travel Coordinator. The following factors must be considered when making reservations:
 - a. Routing: In all cases, the least expensive routing shall be recommended to Travelers/Travel Arrangers even if it results in separate tickets. Although lower cost options involving downline changes of carrier shall be offered, the travelers shall be advised of the potential problems associated with carrier changes.

- b. Layovers: Layovers shall not delay a Traveler's arrival at destination by more than two (2) hours actual travel time and layovers that result in a material cost benefit to the State shall be recommended to State travelers.
- c. Travel Incentives: Travel incentives, premiums, gifts, awards or prizes offered by airlines and other carriers shall be refused in the interest of obtaining the lowest possible fares.
- d. Departure Dates: Alternate departure and return dates and times shall be proposed to travelers in the interest of obtaining the lowest possible fares. Traveler's preferences shall be the final determination of departure and return dates and times.
- e. Fare Quotes: The use of full fares is discouraged. If full fares are used, the Contractor shall furnish appropriate rationale and documentation for each full fare used in the PNR. A fare shall be quoted for every reservation and recorded in each PNR. For either no lower fair available or a Traveler refused the lower fair, the Contractor shall note this information in the PNR.
- f. Any travel activities in this section that appear not to conform to the State's travel policies and regulations will be reported as required in Sections 3.2.1.2.2 and 3.2.4 of this RFP.

3.2.3.5 Provide domestic transportation services as follows:

- a. Make reservations for air, rail, water or bus. Airline and train tickets must be issued on approved ticket stock or in strict compliance with carrier rules governing "electronic ticketing"; passengers must receive necessary documentation from the Contractor in print or electronically transmitted, or hand-delivered by courier if paper documents are required. The Contractor must provide full instructions to travelers about required government identification, etc.
- b. Notify Travelers of any adjustments for any change(s) in flight or train schedules. Tickets and billings shall be modified or re-issued to reflect these changes.
- c. Make a timely effort to notify travelers of airport closings, cancelled or delayed flights, trains, or voyages.
- d. Ensure each ticket including the Traveler's itinerary issued by the Contractor references the appropriate State Agency and State authorization numbers provided by the Travel Coordinator.
- e. Provide notification by voice message confirmed by an email.

An Offeror using first class mail will not be able to prove a timely delivery at the mailroom and it could take several days for an item sent by first class mail to make its way by normal internal mail to the procuring unit.

- 4.3.2 Hand-delivery includes delivery by commercial carrier acting as agent for the Offeror. For any type of direct (non-mail) delivery, Offerors are advised to secure a dated, signed, and time-stamped (or otherwise indicated) receipt of delivery.

Any paragraph in the Technical Proposal that responds to a Scope of Work (Section 3.2) requirement shall include an explanation of how the work will be done. Any exception to a requirement, term, or condition may result in having the Proposal classified as not reasonably susceptible of being selected for award or the Offeror deemed not responsible.

Information obtained regarding the Offeror's level of performance on State contracts will be used by the Procurement Officer to determine the responsibility of the Offeror and considered as part of the experience and past performance evaluation criteria of the RFP.

4.4.2.11 Financial Capability (Submit under TAB J)

An Offeror must include in its Proposal a commonly-accepted method to prove its fiscal integrity. If available the Offeror shall include Financial Statements, preferably a Profit and Loss (P&L) statement and a Balance Sheet, for the last two (2) years (independently audited preferred).

In addition, the Offeror may supplement its response to this Section by including one or more of the following with its response:

- a. Dunn and Bradstreet Rating;
- b. Standard and Poor's Rating;
- c. Lines of credit;
- d. Evidence of a successful financial track record; and
- e. Evidence of adequate working capital.

4.4.2.12 Certificate of Insurance (Submit under TAB K)

The Offeror shall provide a copy of its current certificate of insurance showing the types and limits of insurance in effect as of the Proposal submission date. The current insurance types and limits do not have to be the same as described in Section 3.4. See Section 5.6 for the required insurance certificate submission for the recommended Offeror.

4.4.2.13 Subcontractors (Submit under TAB L)

The Offeror shall provide a complete list of all subcontractors that will work on the Contract if the Offeror receives an award, including those utilized in meeting the MBE and/or VSBE subcontracting goal, if applicable. This list shall include a full description of the duties each subcontractor will perform and why/how each subcontractor was deemed the most qualified for this project. See Section 4.4.2.6 and 4.4.2.7 for additional Offeror requirements related to Subcontractors.

4.4.2.14 Legal Action Summary (Submit under TAB M)

This summary shall include:

4.4.2.15 Economic Benefit Factors (Submit under TAB N)

The Offeror shall submit with its Proposal a narrative describing benefits that will accrue to the Maryland economy as a direct or indirect result of its performance of this contract. Proposals will be evaluated to assess the benefit to Maryland's economy specifically offered. See COMAR 21.05.03.03A(3).

Proposals that identify specific benefits as being contractually enforceable commitments will be rated more favorably than Proposals that do not identify specific benefits as contractual commitments, all other factors being equal.

Offerors shall identify any performance guarantees that will be enforceable by the State if the full level of promised benefit is not achieved during the Contract term.

As applicable, for the full duration of the Contract, including any renewal period, or until the commitment is satisfied, the Contractor shall provide to the Procurement Officer or other designated agency personnel reports of the actual attainment of each benefit listed in response to this section. These benefit attainment reports shall be provided quarterly, unless elsewhere in these specifications a different reporting frequency is stated.

Please note that in responding to this section, the following do not generally constitute economic benefits to be derived from this Contract:

- a. generic statements that the State will benefit from the Offeror's superior performance under the Contract;
- b. descriptions of the number of Offeror employees located in Maryland other than those that will be performing work under this Contract; or
- c. tax revenues from Maryland based employees or locations, other than those that will be performing, or used to perform, work under this Contract.

Discussion of Maryland-based employees or locations may be appropriate if the Offeror makes some projection or guarantee of increased or retained presence based upon being awarded this Contract.

Examples of economic benefits to be derived from a contract may include any of the following. For each factor identified below, identify the specific benefit and contractual commitments and provide a breakdown of expenditures in that category:

- The Contract dollars to be recycled into Maryland's economy in support of the Contract, through the use of Maryland subcontractors, suppliers and joint venture partners. Do not include actual fees or rates paid to subcontractors or information from your Financial Proposal;
- The number and types of jobs for Maryland residents resulting from the Contract. Indicate job classifications, number of employees in each classification and the aggregate payroll to which the Offeror has committed, including contractual commitments at both prime and, if applicable,

subcontract levels. If no new positions or subcontracts are anticipated as a result of this Contract, so state explicitly;

- Tax revenues to be generated for Maryland and its political subdivisions as a result of the Contract. Indicate tax category (sales taxes, payroll taxes, inventory taxes and estimated personal income taxes for new employees). Provide a forecast of the total tax revenues resulting from the Contract;
- Subcontract dollars committed to Maryland small businesses and MBEs; and
- Other benefits to the Maryland economy which the Offeror promises will result from awarding the Contract to the Offeror, including contractual commitments. Describe the benefit, its value to the Maryland economy, and how it will result from, or because of the Contract award. Offerors may commit to benefits that are not directly attributable to the Contract, but for which the Contract award may serve as a catalyst or impetus.

SECTION 5 – EVALUATION COMMITTEE, EVALUATION CRITERIA, AND SELECTION PROCEDURE

5.1 Evaluation Committee

Evaluation of Proposals will be performed in accordance with COMAR 21.05.03 by a committee established for that purpose and based on the evaluation criteria set forth below. The Evaluation Committee will review Proposals, participate in Offeror oral presentations and discussions, and provide input to the Procurement Officer. The Department reserves the right to utilize the services of individuals outside of the established Evaluation Committee for advice and assistance, as deemed appropriate.

5.2 Technical Proposal Evaluation Criteria

The criteria to be used to evaluate each Technical Proposal are listed below in descending order of importance. Unless stated otherwise, any subcriteria within each criterion have equal weight.

5.2.1 Offeror’s Technical Response to RFP Requirements and Work Plan (See RFP § 4.4.3.6)

The State prefers an Offeror’s response to work requirements in the RFP that illustrates a comprehensive understanding of work requirements and mastery of the subject matter, including an explanation of how the work will be done. Proposals which include limited response to work requirements such as “concur” or “will comply” will receive a lower ranking than those Proposals that demonstrate an understanding of the work requirement and include a plan to meet or exceed it.

5.2.2 Experience and Qualifications of Proposed Staff (See RFP § 4.4.3.7)

5.2.3 Offeror Qualifications, and Capabilities, including proposed Subcontractors (See RFP § 4.4.3.8 – 4.4.3.14)

5.2.4 Economic Benefit to State of Maryland (See RFP § 4.4.3.15)

5.3 Financial Proposal Evaluation Criteria

All Qualified Offerors (see Section 5.5.2.4) will be ranked from the lowest (most advantageous) to the highest (least advantageous) price based on the Total Proposal Price within the stated guidelines set forth in this RFP and as submitted on **Attachment F** - Financial Proposal Form.

5.4 Reciprocal Preference

Although Maryland law does not authorize procuring agencies to favor resident Offerors in awarding procurement contracts, many other states do grant their resident businesses preferences over Maryland contractors. Therefore, COMAR 21.05.01.04 permits a procuring unit to apply a reciprocal preference in favor of a responsible resident bidder/offeror under the following conditions:

- The most advantageous offer is from a responsible Offeror whose headquarters, principal base of operations, or principal site that will primarily provide the services required under this RFP is in another state.
- The other state gives a preference to its resident businesses through law, policy, or practice; and
- The reciprocal preference to the Maryland resident does not conflict with a Federal law or grant affecting the procurement Contract.

The preference given shall be identical to the preference that the other state, through law, policy, or practice gives to its resident businesses.

5.5 Selection Procedures

5.5.1 General

The Contract will be awarded in accordance with the Competitive Sealed Proposals (CSP) method found at COMAR 21.05 .03. The Competitive Sealed Proposals method allows for the conducting of discussions and the revision of Proposals during these discussions. Therefore, the State may conduct discussions with all Offerors that have submitted Proposals that are determined to be reasonably susceptible of being selected for contract award or potentially so. However, the State reserves the right to make an award without holding discussions.

In either case (i.e., with or without discussions), the State may determine an Offeror to be not responsible and/or an Offeror's Proposal to be not reasonably susceptible of being selected for award at any time after the initial closing date for receipt of Proposals and prior to Contract award. If the State finds an Offeror to be not responsible and/or an Offeror's Technical Proposal to be not reasonably susceptible of being selected for award, that Offeror's Financial Proposal will be returned if the Financial Proposal is unopened at the time of the determination.

5.5.2 Selection Process Sequence

5.5.2.1 A determination is made that the MDOT Certified MBE Utilization and Fair Solicitation Affidavit (**Attachment D-1**) is included and is properly completed, if there is a MBE goal. In addition, a determination is made that the Veteran-Owned Small Business Enterprise (VSBE) Utilization Affidavit and Subcontractor Participation Schedule (**Attachment M-1**) is included and is properly completed, if there is a VSBE goal.

5.5.2.2 Technical Proposals are evaluated for technical merit and ranked. During this review, oral presentations and discussions may be held. The purpose of such discussions will be to assure a full understanding of the State's requirements and the Offeror's ability to perform the services, as well as to facilitate arrival at a Contract that is most advantageous to the State. Offerors will be contacted by the State as soon as any discussions are scheduled.

5.5.2.3 Offerors must confirm in writing any substantive oral clarifications of, or changes in, their Technical Proposals made in the course of discussions. Any such written clarifications or changes then become part of the Offeror's Technical Proposal. Technical Proposals are given a final review and ranked.

5.5.2.4 The Financial Proposal of each Qualified Offeror (a responsible Offeror determined to have submitted an acceptable Proposal) will be evaluated and ranked separately from the Technical evaluation. After a review of the Financial Proposals of Qualified Offerors, the Evaluation Committee or Procurement Officer may again conduct discussions to further evaluate the Offeror's entire Proposal.

5.5.2.5 When in the best interest of the State, the Procurement Officer may permit Qualified Offerors to revise their initial Proposals and submit, in writing, Best and Final Offers (BAFOs). The State may make an award without issuing a request for a BAFO.

5.5.3 Award Determination

Upon completion of the Technical Proposal and Financial Proposal evaluations and rankings, each Offeror will receive an overall ranking. The Procurement Officer will recommend award of the Contract to the responsible Offeror that submitted the Proposal determined to be the most advantageous to the State. In making this most advantageous Proposal determination, technical factors will receive equal weight with financial factors.

5.6 Documents Required upon Notice of Recommendation for Contract Award

Upon receipt of a Notification of Recommendation for Contract Award, the following documents shall be completed, signed if applicable with original signatures, and submitted by the recommended awardee within five (5) Business Days, unless noted otherwise. Submit three (3) copies of each of the following documents:

- a. Contract (**Attachment A**),
- b. Contract Affidavit (**Attachment C**),
- c. MBE **Attachments D-2 and D-3**, within ten (10) Working Days, if applicable; *see **Section 1.33**,
- d. MBE Waiver Justification within ten (10) Working Days, , usually including **Attachment D-6**, if a waiver has been requested (if applicable; *see **Section 1.33**),
- e. Non-Disclosure Agreement (**Attachment J**), if applicable; *see **Section 1.37**,
- f. HIPAA Business Associate Agreement (**Attachment K**), if applicable; *see **Section 1.38**,
- g. VSBE **Attachments M-2 and M-3**, if applicable *see **Section 1.41**,
- h. DHR Hiring Agreement, **Attachment P**, if applicable *see **Section 1.45**, and
- i. copy of a current Certificate of Insurance with the prescribed limits set forth in Section 3.4 “Insurance Requirements,” naming the State as an additional insured, if applicable; *see **Section 3.4**.

- 13.3 Any and all references to the Maryland Code, Annotated contained in this Contract shall be construed to refer to such Code sections as are from time to time amended.

14. Nondiscrimination in Employment

The Contractor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, ancestry, or disability of a qualified individual with a disability; (b) to include a provision similar to that contained in subsection (a), above, in any underlying subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.

15. Contingent Fee Prohibition

The Contractor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide agent, bona fide salesperson, or commercial selling agency working for the business, to solicit or secure the Contract, and that the business has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee, bona fide agent, bona fide salesperson, or commercial selling agency, any fee or any other consideration contingent on the making of this Contract.

16. Non-availability of Funding

If the General Assembly fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either the State's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and the State from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. The State shall notify the Contractor as soon as it has

knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

17. Termination for Cause

If the Contractor fails to fulfill its obligations under this Contract properly and on time, or otherwise violates any provision of the Contract, the State may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. All finished or unfinished work provided by the Contractor shall, at the State's option, become the State's property. The State shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by the Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and the State can affirmatively collect damages. Termination hereunder, including the termination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.11B.

18. Termination for Convenience

The performance of work under this Contract may be terminated by the State in accordance with this clause in whole, or from time to time in part, whenever the State shall determine that such termination is in the best interest of the State. The State will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination, and all reasonable costs associated with termination of the Contract; provided, however, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Termination hereunder, including the determination of the rights and obligations of the parties, shall be governed by the provisions of COMAR 21.07.01.12A(2).

19. Delays and Extensions of Time

The Contractor agrees to prosecute the work continuously and diligently and no charges or claims for damages shall be made by it for any delays, interruptions, interferences, or hindrances from any cause whatsoever during the progress of any portion of the work specified in this Contract.

Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to, acts of God, acts of the public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of a contract with the State, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, or delays of subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractors or suppliers.

20. Suspension of Work

The State unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Procurement Officer may determine to be appropriate for the convenience of the State.

21. Pre-Existing Regulations

In accordance with the provisions of Md. Code Ann., State Finance and Procurement Article, § 11-206, the regulations set forth in Title 21 of the Code of Maryland Regulations (COMAR 21) in effect on the date of execution of this Contract are applicable to this Contract.

22. Financial Disclosure

The Contractor shall comply with the provisions of Md. Code Ann., State Finance and Procurement Article, § 13-221, which requires that every person that enters into contracts, leases, or other agreements with the State or its agencies during a calendar year under which the business is to receive in the aggregate, \$100,000 or more, shall within thirty

(30) days of the time when the aggregate value of these contracts, leases or other agreements reaches \$100,000, file with the Secretary of the State certain specified information to include disclosure of beneficial ownership of the business.

23. Political Contribution Disclosure

The Contractor shall comply with Md. Code Ann., Election Law Article, §§ 14-101 through 14-108, which requires that every person that enters into contracts, leases, or other agreements with the State, a county, or an incorporated municipality, or their agencies, during a calendar year in which the person receives in the aggregate \$100,000 or more, shall, file with the State Board of Elections a statement disclosing contributions in excess of \$500 made during the reporting period to a candidate for elective office in any primary or general election. The statement shall be filed with the State Board of Elections: (a) before a purchase or execution of a lease or contract by the State, a county, an incorporated municipality, or their agencies, and shall cover the preceding two calendar years; and (b) if the contribution is made after the execution of a lease or contract, then twice a year, throughout the contract term, on: (i) February 5, to cover the six (6) month period ending January 31; and (ii) August 5, to cover the six (6) month period ending July 31.

24. Documents Retention and Inspection Clause

The Contractor and subcontractors shall retain and maintain all records and documents relating to this contract for a period of five (5) years after final payment by the State hereunder or any applicable statute of limitations, whichever is longer, and shall make them available for inspection and audit by authorized representatives of the State, including the Procurement Officer or designee, at all reasonable times. All records related in any way to the Contract are to be retained for the entire time provided under this section. This Section 24 shall survive expiration or termination of the Contract.

25. Compliance with Laws

The Contractor hereby represents and warrants that:

- 25.1 It is qualified to do business in the State and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
- 25.2 It is not in arrears with respect to the payment of any monies due and owing the State, or any department or unit thereof, including but not limited to the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of this Contract;
- 25.3 It shall comply with all federal, State and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and
- 25.4 It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.

26. Cost and Price Certification

By submitting cost or price information, the Contractor certifies to the best of its knowledge that the information submitted is accurate, complete, and current as of the date of its Bid/Proposal.

The price under this Contract and any change order or modification hereunder, including profit or fee, shall be adjusted to exclude any significant price increases occurring because the Contractor furnished cost or price information which, as of the date of its Bid/Proposal, was inaccurate, incomplete, or not current.

27. Subcontracting; Assignment

The Contractor may not subcontract any portion of the services provided under this Contract without obtaining the prior written approval of the Procurement Officer, nor may the Contractor assign this Contract or any of its rights or obligations hereunder, without the prior written approval of the Procurement Officer provided, however, that a contractor may assign monies receivable under a contract after due notice to the State. Any subcontracts shall include such language as may be required in various clauses contained within this Contract, exhibits, and attachments. The Contract shall not be assigned until all approvals, documents, and affidavits are completed and properly registered. The State shall not be responsible for fulfillment of the Contractor's obligations to its subcontractors.

28. Liability

28.1 For breach of this Contract, negligence, misrepresentation, or any other contract or tort claim, Contractor shall be liable as follows:

- a. For infringement of patents, copyrights, trademarks, service marks, and/or trade secrets, as provided in Section 7 of this Contract;
- b. Without limitation for damages for bodily injury (including death) and damage to real property and tangible personal property; and
- c. For all other claims, damages, losses, costs, expenses, suits, or actions in any way related to this Contract, regardless of the form. Contractor's liability for third party claims arising under Section 10 of this Contract shall be unlimited if the State is not immune from liability for claims arising under Section 10.

29. Parent Company Guarantee (If Applicable)

(Corporate name of Contractor's Parent Company) hereby guarantees absolutely the full, prompt, and complete performance by (Contractor) of all the terms, conditions and obligations contained in this Contract, as it may be amended from time to time, including any and all exhibits that are now or may become incorporated hereunto, and other obligations of every nature and kind that now or may in the future arise out of or in connection with this Contract, including any and all financial commitments, obligations, and liabilities. (Corporate name of Contractor's Parent Company) may not transfer this absolute guaranty to any other person or entity without the prior express written approval of the State, which approval the State may grant, withhold, or qualify in its sole and absolute subjective discretion. (Corporate name of Contractor's Parent Company) further agrees that if the State brings any claim, action, suit or proceeding against (Contractor), (Corporate name of Contractor's Parent Company) may be named as a party, in its capacity as Absolute Guarantor.

30. Commercial Nondiscrimination

30.1 As a condition of entering into this Contract, Contractor represents and warrants that it will comply with the State's Commercial Nondiscrimination Policy, as described at Md. Code Ann., State Finance and Procurement Article, Title 19. As part of such compliance, Contractor may not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring, or commercial treatment of subcontractors, vendors, suppliers, or commercial customers, nor shall Contractor retaliate against any person for reporting instances of such discrimination. Contractor shall provide equal opportunity for subcontractors, vendors, and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that this clause does not prohibit or limit lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the marketplace. Contractor understands that a material violation of this clause shall be considered a material breach of this Contract and may result in termination of this Contract, disqualification of Contractor from participating in State contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party.

- 30.2 The Contractor shall include the above Commercial Nondiscrimination clause, or similar clause approved by the Department, in all subcontracts.
- 30.3 As a condition of entering into this Contract, upon the request of the Maryland Commission on Civil Rights, and only after the filing of a complaint against Contractor under Md. Code Ann., State Finance and Procurement Article, Title 19, as amended from time to time, Contractor agrees to provide within sixty (60) days after the request a complete list of the names of all subcontractors, vendors, and suppliers that Contractor has used in the past four (4) years on any of its contracts that were undertaken within the State of Maryland, including the total dollar amount paid by Contractor on each subcontract or supply contract. Contractor further agrees to cooperate in any investigation conducted by the State pursuant to the State's Commercial Nondiscrimination Policy as set forth at Md. Code Ann., State Finance and Procurement Article, Title 19, and to provide any documents relevant to any investigation that are requested by the State. Contractor understands that violation of this clause is a material breach of this Contract and may result in contract termination, disqualification by the State from participating in State contracts, and other sanctions.

31. Prompt Pay Requirements

- 31.1 If the Contractor withholds payment of an undisputed amount to its subcontractor, the Department, at its option and in its sole discretion, may take one or more of the following actions:
- a. Not process further payments to the contractor until payment to the subcontractor is verified;
 - b. Suspend all or some of the contract work without affecting the completion date(s) for the contract work;
 - c. Pay or cause payment of the undisputed amount to the subcontractor from monies otherwise due or that may become due;
 - d. Place a payment for an undisputed amount in an interest-bearing escrow account; or
 - e. Take other or further actions as appropriate to resolve the withheld payment.
- 31.2 An "undisputed amount" means an amount owed by the Contractor to a subcontractor for which there is no good faith dispute. Such "undisputed amounts" include, without limitation:
- a. Retainage which had been withheld and is, by the terms of the agreement between the Contractor and subcontractor, due to be distributed to the subcontractor; and
 - b. An amount withheld because of issues arising out of an agreement or occurrence unrelated to the agreement under which the amount is withheld.
- 31.3 An act, failure to act, or decision of a Procurement Officer or a representative of the Department, concerning a withheld payment between the Contractor and a subcontractor under this provision, may not:
- a. Affect the rights of the contracting parties under any other provision of law;
 - b. Be used as evidence on the merits of a dispute between the Department and the contractor in any other proceeding; or
 - c. Result in liability against or prejudice the rights of the Department.
- 31.4 The remedies enumerated above are in addition to those provided under COMAR 21.11.03.13 with respect to subcontractors that have contracted pursuant to the Minority Business Enterprise (MBE) program.
- 31.5 To ensure compliance with certified MBE subcontract participation goals, the Department may, consistent with COMAR 21.11.03.13, take the following measures:
- a. Verify that the certified MBEs listed in the MBE participation schedule actually are performing work and receiving compensation as set forth in the MBE participation schedule.
 - b. This verification may include, as appropriate:
 - i. Inspecting any relevant records of the Contractor;
 - ii. Inspecting the jobsite; and
 - iii. Interviewing subcontractors and workers.

- iv. Verification shall include a review of:
 - (a) The Contractor's monthly report listing unpaid invoices over thirty (30) days old from certified MBE subcontractors and the reason for nonpayment; and
 - (b) The monthly report of each certified MBE subcontractor, which lists payments received from the Contractor in the preceding thirty (30) days and invoices for which the subcontractor has not been paid.
- c. If the Department determines that the Contractor is not in compliance with certified MBE participation goals, then the Department will notify the Contractor in writing of its findings, and will require the Contractor to take appropriate corrective action. Corrective action may include, but is not limited to, requiring the Contractor to compensate the MBE for work performed as set forth in the MBE participation schedule.
- d. If the Department determines that the Contractor is in material noncompliance with MBE contract provisions and refuses or fails to take the corrective action that the Department requires, then the Department may:
 - i. Terminate the contract;
 - ii. Refer the matter to the Office of the Attorney General for appropriate action; or
 - iii. Initiate any other specific remedy identified by the contract, including the contractual remedies required by any applicable laws, regulations, and directives regarding the payment of undisputed amounts.
- e. Upon completion of the Contract, but before final payment or release of retainage or both, the Contractor shall submit a final report, in affidavit form under the penalty of perjury, of all payments made to, or withheld from, MBE subcontractors.

32. Contract Monitor and Procurement Officer

The work to be accomplished under this Contract shall be performed under the direction of the Contract Monitor. All matters relating to the interpretation of this Contract shall be referred to the Procurement Officer for determination.

33. Notices

All notices hereunder shall be in writing and either delivered personally or sent by certified or registered mail, postage prepaid, as follows:

If to the State: Patti Tracey
 Procurement Officer
 Office of the Secretary
 Procurement Policy and Administration
 45 Calvert Street, Room 139
 Annapolis, MD 21401

If to the Contractor: _____

34. Federal Department of Health and Human Services (DHHS) Exclusion Requirements

The Contractor agrees that it will comply with federal provisions (pursuant to §§ 1128 and 1156 of the Social Security Act and 42 C.F.R. 1001) that prohibit payments under certain federal health care programs to any individual or entity that is on the List of Excluded Individuals/Entities maintained by DHHS. By executing this contract, the Contractor affirmatively declares that neither it nor any employee is, to the best of its knowledge, subject to exclusion. The Contractor agrees, further, during the term of this contract, to check the List of Excluded Individuals/Entities prior to hiring or assigning individuals to work on this Contract, and to notify the Department immediately of any

identification of the Contractor or an individual employee as excluded, and of any DHHS action or proposed action to exclude the Contractor or any Contractor employee.

35. Limited English Proficiency

The Contractor shall provide equal access to public services to individuals with limited English proficiency in compliance with Md. Code Ann., State Government Article, §§ 10-1101 et seq., and Policy Guidance issued by the Office of Civil Rights, Department of Health and Human Services, and DHMH Policy 02.06.07.

36. Miscellaneous

36.1 Any provision of this Contract which contemplates performance or observance subsequent to any termination or expiration of this contract shall survive termination or expiration of this contract and continue in full force and effect.

36.2 If any term contained in this contract is held or finally determined to be invalid, illegal, or unenforceable in any respect, in whole or in part, such term shall be severed from this contract, and the remaining terms contained herein shall continue in full force and effect, and shall in no way be affected, prejudiced, or disturbed thereby.

37. Liquidated Damages

37.1 The Contract requires the Contractor to make good faith efforts to comply with the Minority Business Enterprise (“MBE”) Program and Contract provisions. The State and the Contractor acknowledge and agree that the State will incur economic damages and losses, including, but not limited to, loss of goodwill, detrimental impact on economic development, and diversion of internal staff resources, if the Contractor does not make good faith efforts to comply with the requirements of the MBE Program and pertinent MBE Contract provisions. The parties further acknowledge and agree that the damages the State might reasonably be anticipated to accrue as a result of such lack of compliance are difficult or impossible to ascertain with precision and that liquidated damages represent a fair, reasonable, and appropriate estimation of damages.

Upon a determination by the State that the Contractor failed to make good faith efforts to comply with one or more of the specified MBE Program requirements or pertinent MBE Contract provisions and without the State being required to present any evidence of the amount or character of actual damages sustained, the Contractor agrees to pay liquidated damages to the State at the rates set forth below. Such liquidated damages are intended to represent estimated actual damages and are not intended as a penalty. The Contractor expressly agrees that the State may withhold payment on any invoices as an offset against liquidated damages owed. The Contractor further agrees that for each specified violation, the agreed-upon liquidated damages are reasonably proximate to the loss the State is anticipated to incur as a result of each violation.

37.1.1 Failure to submit each monthly payment report in full compliance with COMAR 21.11.03.13B(3): \$31.65 per day until the monthly report is submitted as required.

37.1.2 Failure to include in its agreements with MBE subcontractors a provision requiring submission of payment reports in full compliance with COMAR 21.11.03.13B(4): \$112.10 per MBE subcontractor.

37.1.3 Failure to comply with COMAR 21.11.03.12 in terminating, canceling, or changing the scope of work/value of a contract with an MBE subcontractor and/or amendment of the MBE participation schedule: the difference between the dollar value of the MBE participation commitment on the MBE participation schedule for that specific MBE firm and the dollar value of the work performed by that MBE firm for the Contract.

37.1.4 Failure to meet the Contractor’s total MBE participation goal and subgoal commitments: the difference between the dollar value of the total MBE participation commitment on the MBE participation schedule and the MBE participation actually achieved.

37.1.5 Failure to promptly pay all undisputed amounts to an MBE subcontractor in full compliance with the prompt payment provisions of the Contract: \$100.00 per day until the undisputed amount due to the MBE subcontractor is paid.

37.2 Notwithstanding the assessment or availability of liquidated damages, the State reserves the right to terminate the Contract and to exercise any and all other rights or remedies which may be available under the Contract or which otherwise may be available at law or in equity.

IN WITNESS THEREOF, the parties have executed this Contract as of the date hereinabove set forth.

"Discrimination" means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, or on the basis of disability or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners. - (2) Fail to notify the certified minority business enterprise before execution of the contract of its inclusion in the Bid/Proposal;
- (3) Fail to use the certified minority business enterprise in the performance of the contract; or
- (4) Pay the certified minority business enterprise solely for the use of its name in the Bid/Proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the Bid/Proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/Proposal.

ATTACHMENT D – MINORITY BUSINESS ENTERPRISE FORMS

PURPOSE

The Contractor shall structure its procedures for the performance of the work required in this Contract to attempt to achieve the Minority Business Enterprise (MBE) subcontractor participation goal stated in this solicitation. MBE performance shall be in accordance with this Attachment and as set forth in COMAR 21.11.03. The Contractor agrees to exercise all good faith efforts to carry out the requirements set forth in this Attachment.

In order to attempt to meet the MBE subcontractor participation goal using MBE subcontractors, all Bidders/Offerors shall comply with the requirements of COMAR 21.11.03.09 and shall:

- ❑ Identify specific work categories within the scope of the solicitation appropriate for subcontracting;
- ❑ Solicit certified MBEs in writing at least 10 days before Bids or Proposals are due, describing the identified work categories and providing instructions on how to provide a quote on the subcontracts;
- ❑ Attempt to make personal contact with the certified MBEs solicited and to document those attempts;
- ❑ Assist certified MBEs in fulfilling, or seeking a waiver of any bonding requirements; and
- ❑ Attend Pre-Bid/Proposal Conferences or other meetings that the Department schedules to publicize contracting opportunities for certified MBEs.

MBE GOAL AND SUB GOALS

An MBE subcontract participation goal of 5% of the total contract dollar amount has been established for this procurement, as set forth in RFP Section 1.33. The Contractor, including an MBE prime contractor, shall attempt to achieve the MBE subcontracting goal and any subgoals established for this Contract by subcontracting to one or more MDOT-certified MBEs a sufficient portion of the Bidder/Offeror's scope of work that results in total MBE payments that meet or exceed the MBE subcontractor participation goals and, if applicable, subgoals.

SOLICITATION AND CONTRACT FORMATION

- ◆ A Bidder/Offeror must include with its Bid/Proposal a completed MDOT Certified MBE Utilization and Fair Solicitation Affidavit (**Attachment D-1**) whereby:
 - (1) the Bidder/Offeror acknowledges the certified MBE subcontractor participation goal and any subgoals, and commits to make a good faith effort to achieve the goal and any subgoals or requests a full or partial waiver, and affirms that MBE subcontractors were treated fairly in the solicitation process; and
 - (2) the Bidder/Offeror responds to the expected degree of MBE subcontractor participation as stated in the solicitation, by identifying the specific commitment of certified MBEs at the time of Bid/Proposal submission. The Bidder/Offeror shall specify the percentage of contract value associated with each MBE subcontractor identified on the MBE Participation Schedule (**Attachment D-1**).

If the Bidder/Offeror specifies a range for a proposed MBE subcontractor, only the lowest amount in the range can be considered for MBE commitment purposes. Ex: If a range of "5-15%" is proposed for a MBE subcontractor, only "5%" can be considered for purposes of totaling the actual MBE commitment for that particular MBE subcontractor. It is suggested that the Bidder/Offeror provide a specific percentage, and not a percentage range, for each MBE subcontractor proposed.

- ◆ *If a Bidder/Offeror fails to submit a completed **Attachment D-1** with the Bid/Proposal, the Procurement Officer shall deem the Bid non-responsive or shall determine that the Proposal is not reasonably susceptible of being selected for award.*
- ◆ Within 10 Working Days from notification that it is the apparent awardee or from the date of the actual award, whichever is earlier, the apparent awardee shall provide the following documentation to the Procurement Officer:
 - a) Outreach Efforts Compliance Statement (**Attachment D-2**)
 - b) Subcontractor Project Participation Certification (**Attachment D-3**)
 - c) If the recommended awardee has requested a waiver (in whole or in part) of the overall MBE goal, it shall submit a fully documented waiver request that complies with COMAR 21.11.03.11, and usually the Minority Contractor Unavailability Certificate (**Attachment D-6**).
 - d) Any other documentation required by the Procurement Officer to ascertain Bidder/Offeror responsibility in connection with the certified MBE participation goal.

NOTE: If the apparent awardee fails to return each completed document within the required time, the Procurement Officer may determine that the apparent awardee is not responsible and therefore not eligible for Contract award. If the Contract has already been awarded, the award is voidable.

Rev. 08/01/2013

MBE REPORTING INSTRUCTIONS

The Contractor shall:

1. Submit by the 10th of each month to the Department's Contract Monitor or designee a Prime Contractor Paid/Unpaid MBE Invoice Report (Attachment D-4) listing any unpaid invoices, over 30 days old, received from any certified MBE subcontractor, the amount of each invoice, and the reason payment has not been made.
2. Include in its agreements with its certified MBE subcontractors a requirement that those subcontractors shall submit by the 10th of each month to the Department's Contract Monitor or a designee a Subcontractor Paid/Unpaid MBE Invoice Report (Attachment D-5) that identifies the Contract and lists all payments received from the Contractor under this Contract in the preceding 30 days, as well as any outstanding invoices, and the amount of those invoices.
3. Maintain such records as are necessary to confirm compliance with its MBE participation obligations. These records must indicate the identity of certified minority and non-minority subcontractors employed on the Contract, the type of work performed by each subcontractor, and the actual dollar value of work performed. Subcontract agreements must be retained by the Contractor and furnished to the Procurement Officer upon request.
4. Consent to provide such documentation as reasonably requested and to provide right-of-entry at reasonable times for purposes of the State's representatives verifying compliance with the MBE participation obligations. The Contractor must retain all records concerning MBE participation and make them available for State inspection for three years after final completion of the Contract.
5. At the sole option of the Department, upon completion of the Contract and before final payment and/or release of any retainage, submit a final report in affidavit form and under penalty of perjury, of all payments made to, or withheld from MBE subcontractors.

MDOT Certified MBE Utilization and Fair Solicitation Affidavit

(submit with Bid/Proposal)

This document **MUST BE** included with the Bid/Proposal. If the Bidder/Offeror fails to complete and submit this form with the Bid/Proposal, the Procurement Officer shall deem the Bid non-responsive or shall determine that the Proposal is not reasonably susceptible of being selected for award.

In conjunction with the Bid/Proposal submitted in response to Solicitation No. 050B4400003 I affirm the following:

1. I acknowledge and intend to meet the overall certified Minority Business Enterprise (MBE) participation goal of 5 percent and, if specified in the solicitation, the following subgoals (complete for only those subgoals that apply):

Therefore, I will not be seeking a waiver pursuant to COMAR 21.11.03.11.

OR

- I conclude that I am unable to achieve the MBE participation goal and/or subgoals. I hereby request a waiver in whole or in part of the overall goal and/or subgoals. Within 10 Working Days of receiving notice that our firm is the apparent awardee, I will submit all required waiver documentation in accordance with COMAR 21.11.03.11. If this request is for a partial waiver, I have identified the portion of the MBE goal that I intend to meet in this Attachment D-1.
2. I understand that if I am notified that I am the apparent awardee, I must submit the following additional documentation within 10 Working Days of receiving notice of the potential award or from the date of conditional award (per COMAR 21.11.03.10), whichever is earlier.
- (a) Outreach Efforts Compliance Statement (Attachment D2);
 - (b) Subcontractor Project Participation Certification (Attachment D3); and
 - (c) Any other documentation, including waiver documentation, if applicable, required by the Procurement Officer to ascertain Bidder/Offeror responsibility in connection with the certified MBE participation goal.

I understand that if I fail to return each completed document within the required time, the Procurement Officer may determine that I am not responsible and therefore not eligible for Contract award. If the Contract has already been awarded, the award is voidable.

3. In the solicitation of subcontract quotes, MBE subcontractors were provided not less than the same information and amount of time to respond as were non-MBE subcontractors.
4. Set forth below are the (i) certified MBEs I intend to use and (ii) the percentage of the total Contract amount allocated to each MBE for this project and the work activity(ies) each MBE will provide under the Contract. I hereby affirm that the MBE firms are only providing those work activities for which they are MDOT certified.

Code of Maryland Regulations (COMAR)
Title 21, State Procurement Regulations

(regarding a waiver to a Minority Business Enterprise subcontracting goal)

NOTE: Below is an excerpt only. Full text of COMAR Title 21 may be found at the website of the Secretary of State, Division of State Documents, at: <http://www.dsd.state.md.us/comar/>.

COMAR 21.11.03.11 - Waiver.

A. If, for any reason, the apparent successful Bidder/Offeror is unable to achieve the contract goal for each certified MBE classification specified as having a subcontract goal or the overall MBE contract goal, the Bidder/Offeror may request, in writing, a waiver to include the following:

(1) A detailed statement of the efforts made to select portions of the work proposed to be performed by certified MBEs, including the work to be performed by each MBE classification if an MBE subgoal has been specified, in order to increase the likelihood of achieving the stated goal;

(2) A detailed statement of the efforts made to contact and negotiate with certified MBEs, and if appropriate, by certified MBE classification, including:

(a) The names, addresses, dates, telephone numbers, and classification of certified MBEs contacted, and

(b) A description of the information provided to certified MBEs regarding the plans, specifications, and anticipated time schedule for portions of the work to be performed;

(3) As to each certified MBE that placed a subcontract quotation or offer that the apparent successful Bidder/Offeror considers not to be acceptable, a detailed statement of the reasons for this conclusion;

(4) A list of certified MBEs including, if applicable, certified MBEs in each MBE classification, found to be unavailable, which shall be accompanied by the Minority Contractor Unavailability Certificate (Attachment D-6) signed by the certified MBE, or a statement from the apparent successful Bidder/Offeror that the certified MBE refused to give the written verification;

(5) The record of the apparent successful Bidder/Offeror's compliance with the outreach efforts required under Regulation .09C(2)(a)—(e) of this chapter; and

(6) If the request for a waiver is for a certain MBE classification within an overall MBE goal, the Bidder/Offeror shall demonstrate reasonable efforts to meet the overall MBE goal with other MBE classification or classifications.

B. A waiver of a certified MBE contract goal may be granted only upon a reasonable demonstration by the Bidder/Offeror that certified MBE subcontract participation was unable to be obtained, or was unable to be obtained at a reasonable price or in the appropriate MBE classifications, and if the agency head or designee determines that the public interest is served by a waiver. In making a determination under this section, the agency head or designee may consider engineering estimates, catalogue prices, general market availability, and availability of certified MBEs in the area in which the work is to be performed, other Bids/Proposals and subcontract Bids/Proposal substantiating significant variances between certified MBE and non-MBE cost of participation, and their impact on the overall cost of the contract to the State and any other relevant factor.

C. An agency head may waive any of the provisions of Regulations .09—.10 of this chapter for a sole source, expedited, or emergency procurement in which the public interest cannot reasonably accommodate use of those procedures.

D. When a waiver is granted, except waivers under §C of this regulation, one copy of the waiver determination and the reasons for the determination shall be kept by the MBE liaison officer with another copy forwarded to the Office of Minority Affairs.

ATTACHMENT F – FINANCIAL PROPOSAL INSTRUCTIONS

In order to assist Offerors in the preparation of their Financial Proposal and to comply with the requirements of this solicitation, Financial Proposal Instructions and a Financial Proposal Form have been prepared. Offerors shall submit their Financial Proposal on the Financial Proposal Form in accordance with the instructions on the Financial Proposal Form and as specified herein. Do not alter the Financial Proposal Form or the Proposal may be determined to be not reasonably susceptible of being selected for award. The Financial Proposal Form is to be signed and dated, where requested, by an individual who is authorized to bind the Offeror to the prices entered on the Financial Proposal Form.

The Financial Proposal Form is used to calculate the Offeror's TOTAL PROPOSAL PRICE. Follow these instructions carefully when completing your Financial Proposal Form:

- A) All Unit and Extended Prices must be clearly entered in dollars and cents, e.g., \$24.15. Make your decimal points clear and distinct.
- B) All Unit Prices must be the actual price per unit the State will pay for the specific item or service identified in this RFP and may not be contingent on any other factor or condition in any manner.
- C) All calculations shall be rounded to the nearest cent, i.e., .344 shall be .34 and .345 shall be .35.
- D) Any goods or services required through this RFP and proposed by the vendor at **No Cost to the State** must be clearly entered in the Unit Price, if appropriate, and Extended Price with **\$0.00**.
- E) Every blank in every Financial Proposal Form shall be filled in. Any changes or corrections made to the Financial Proposal Form by the Offeror prior to submission shall be initialed and dated.
- F) Except as instructed on the Financial Proposal Form, nothing shall be entered on or attached to the Financial Proposal Form that alters or proposes conditions or contingencies on the prices. Alterations and/or conditions may render the Proposal not reasonably susceptible of being selected for award.
- G) It is imperative that the prices included on the Financial Proposal Form have been entered correctly and calculated accurately by the Offeror and that the respective total prices agree with the entries on the Financial Proposal Form. Any incorrect entries or inaccurate calculations by the Offeror will be treated as provided in COMAR 21.05.03.03E and 21.05.02.12, and may cause the Proposal to be rejected.
- H) If option years are included, Offerors must submit pricing for each option year. Any option to renew will be exercised at the sole discretion of the State and will comply with all terms and conditions in force at the time the option is exercised. If exercised, the option period shall be for a period identified in the RFP at the prices entered in the Financial Proposal Form.
- I) All Financial Proposal prices entered below are to be fully loaded prices that include all costs/expenses associated with the provision of services as required by the RFP. The Financial Proposal price shall include, but is not limited to, all: labor, profit/overhead, general operating, administrative, and all other expenses and costs necessary to perform the work set forth in the solicitation. No other amounts will be paid to the Contractor. If labor rates are requested, those amounts shall be fully-loaded rates; no overtime amounts will be paid.
- J) Unless indicated elsewhere in the RFP, sample amounts used for calculations on the Financial Proposal Form are typically estimates for evaluation purposes only. Unless stated otherwise in the RFP, the Department does not guarantee a minimum or maximum number of units or usage in the performance of this Contract.
- K) Failure to adhere to any of these instructions may result in the Proposal being determined not reasonably susceptible of being selected for award.

The Living Wage generally applies to a Contractor or Subcontractor who performs work on a State contract for services that is valued at \$100,000 or more. An employee is subject to the Living Wage if he/she is at least 18 years old or will turn 18 during the duration of the contract; works at least 13 consecutive weeks on the State Contract and spends at least one-half of the employee's time during any work week on the State Contract.

- C. If the Unit responsible for the State contract for services determines that application of the Living Wage would conflict with any applicable Federal program, the Living Wage does not apply to the contract or program.

- D. A Contractor must not split or subdivide a State contract for services, pay an employee through a third party, or treat an employee as an independent Contractor or assign work to employees to avoid the imposition of any of the requirements of Md. Code Ann., State Finance and Procurement Article, Title 18.
- E. Each Contractor/Subcontractor, subject to the Living Wage Law, shall post in a prominent and easily accessible place at the work site(s) of covered employees a notice of the Living Wage Rates, employee rights under the law, and the name, address, and telephone number of the Commissioner.
- F. The Commissioner shall adjust the wage rates by the annual average increase or decrease, if any, in the Consumer Price Index for all urban consumers for the Washington/Baltimore metropolitan area, or any successor index, for the previous calendar year, not later than 90 days after the start of each fiscal year. The Commissioner shall publish any adjustments to the wage rates on the Division of Labor and Industry's website. An employer subject to the Living Wage Law must comply with the rate requirements during the initial term of the contract and all subsequent renewal periods, including any increases in the wage rate, required by the Commissioner, automatically upon the effective date of the revised wage rate.
- G. A Contractor/Subcontractor who reduces the wages paid to an employee based on the employer's share of the health insurance premium, as provided in Md. Code Ann., State Finance and Procurement Article, §18-103(c), shall not lower an employee's wage rate below the minimum wage as set in Md. Code Ann., Labor and Employment Article, §3-413. A Contractor/Subcontractor who reduces the wages paid to an employee based on the employer's share of health insurance premium shall comply with any record reporting requirements established by the Commissioner.
- H. A Contractor/Subcontractor may reduce the wage rates paid under Md. Code Ann., State Finance and Procurement Article, §18-103(a), by no more than 50 cents of the hourly cost of the employer's contribution to an employee's deferred compensation plan. A Contractor/Subcontractor who reduces the wages paid to an employee based on the employer's contribution to an employee's deferred compensation plan shall not lower the employee's wage rate below the minimum wage as set in Md. Code Ann., Labor and Employment Article, §3-413.
- I. Under Md. Code Ann., State Finance and Procurement Article, Title 18, if the Commissioner determines that the Contractor/Subcontractor violated a provision of this title or regulations of the Commissioner, the Contractor/Subcontractor shall pay restitution to each affected employee, and the State may assess liquidated damages of \$20 per day for each employee paid less than the Living Wage.
- J. Information pertaining to reporting obligations may be found by going to the Division of Labor and Industry website <http://www.dllr.state.md.us/labor/> and clicking on Living Wage for State Service Contracts.

RECITALS

WHEREAS, the Contractor has been awarded a contract (the “Contract”) following the solicitation for Travel Services for the State of Maryland Solicitation # 050B4400003; and

WHEREAS, in order for the Contractor to perform the work required under the Contract, it will be necessary for the State at times to provide the Contractor and the Contractor’s employees, agents, and subcontractors (collectively the “Contractor’s Personnel”) with access to certain information the State deems confidential information (the “Confidential Information”).

NOW, THEREFORE, in consideration of being given access to the Confidential Information in connection with the solicitation and the Contract, and for other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties do hereby agree as follows:

1. Confidential Information means any and all information provided by or made available by the State to the Contractor in connection with the Contract, regardless of the form, format, or media on or in which the Confidential Information is provided and regardless of whether any such Confidential Information is marked as such. Confidential Information includes, by way of example only, information that the Contractor views, takes notes from, copies (if the State agrees in writing to permit copying), possesses or is otherwise provided access to and use of by the State in relation to the Contract.
2. Contractor shall not, without the State’s prior written consent, copy, disclose, publish, release, transfer, disseminate, use, or allow access for any purpose or in any form, any Confidential Information provided by the State except for the sole and exclusive purpose of performing under the Contract. 4. Contractor hereby agrees to hold the Confidential Information in trust and in strictest confidence, to adopt or establish operating procedures and physical security measures, and to take all other measures necessary to protect the Confidential Information from inadvertent release or disclosure to unauthorized third parties and to prevent all or any portion of the Confidential Information from falling into the public domain or into the possession of persons not bound to maintain the confidentiality of the Confidential Information.
