

Executive Department - State Commission on Criminal Sentencing Policy

MISSION

The State Commission on Criminal Sentencing Policy serves the citizens of Maryland by promoting fair and proportional criminal sentences without unwarranted disparity for all offenders with similar criminal histories committing similar offenses within a voluntary guidelines system providing judges probation, prison or corrections options. It also serves Maryland citizens by assisting understanding of actual time to be served by offenders and by protecting public safety through prioritizing the incarceration of violent and career offenders. In establishing the Commission, the General Assembly stated its intent that unwarranted sentencing disparities should be reduced; truth-in-sentencing policies should be promoted; prison capacity and usage should give priority to the incarceration of violent and career offenders; meaningful judicial sentencing discretion should be preserved; and sentencing judges should be able to impose the most appropriate criminal penalties for offenders.
