

Department of Budget and Management

MISSION

The Department of Budget and Management (DBM) helps the Governor and State agencies provide effective, efficient, and fiscally sound government to the citizens of Maryland through the use of effective budgeting and resource management. DBM supports agency efforts to achieve results by helping them obtain the fiscal, capital, procurement, and personnel resources needed to provide services to Maryland citizens. The Department is dedicated to providing advice and assistance with professionalism, modern management techniques, and teamwork. DBM ensures effective budgeting by allocating State resources in ways that provide the most benefit at the least cost to the citizens of the State. The Department ensures a fair and equitable personnel system in which State employees are able to pursue their careers without discrimination or harassment, job applicants have an equal opportunity to compete for State employment, and individuals requesting services from the State are provided those services without discrimination.

VISION

DBM will advance the interests of the citizens of Maryland in a State government that is well regarded, responsive, and contributes to environmentally sound communities whose residents are well-educated, healthy, safe, and gainfully employed. The Department's success depends on its employees. The recognition DBM gives to individual effort and teamwork will make the agency a desirable place to work. DBM's advice and assistance will be actively sought. DBM will emphasize getting the job done with utmost professionalism.

NOTES

¹ The Spring Survey was not sent out this year due to COVID. The 2020 percentages are therefore based only on the Fall Survey.

² The index retired a metric that was no longer available and replaced it with a metric on heroin overdose-related deaths. This adjusted all calculated index totals going back to 2016. Years prior to 2016 are no longer comparable.
