## MISSION

The Maryland Department of Veterans and Military Families (DVMF) delivers services and programs to assist veterans, their families and survivors in obtaining Federal, State and local benefits provided by law in recognition of their service to state and country. DVMF enhances public awareness and communication with veterans, their families and other stakeholders to encourage and increase statewide participation in addressing problems faced by Maryland veterans. Charlotte Hall Veterans Home provides an Assisted Living and Skilled Nursing care facility for eligible Maryland veterans and their non-veteran spouses who are unable to take care of themselves due to disability, advancing age, or who have requirements for nursing home care. The Memorials and Monuments Program assures quality maintenance of the memorials honoring Maryland veterans. The Veterans Cemetery Program offers a final resting place for Maryland veterans and their eligible dependents.

## VISION

The Department is an advocate of veterans' issues and will dedicate itself to the preservation and enhancement of benefits, rights, and entitlements to ensure those veterans and their families live productive and successful lives. Charlotte Hall Veterans Home is dedicated to serving Maryland's veterans who have earned special recognition through their sacrifices in protecting our country's freedoms and individual rights. The superior appearance of our veterans' memorials will place Maryland at the forefront of honoring the military history and contributions of its men and women who served and sacrificed for their state and nation. We envision a State that improves the economic well-being of its veterans and their families by providing quality benefits information and counseling.
