### **March 24 - Program Highlights and Plans to Allocate Remaining Balance:**

- The Department of Commerce (Commerce) reached out to the counties on March 16, 2021, alerting them of the programs and funds that would be distributed.
  - Grant agreements will be sent out on March 24, 2021.
- Commerce began its outreach and marketing strategies to ensure the program reaches as many businesses as possible with the goal of providing equitable distribution of these funds across a diverse group of business owners and regions.
  - Commerce drafted and posted online: program eligibility, guidelines, and application requirements Tuesday, March 15, 2021.
  - Commerce has sent out the second alert of the program on March 16, 2021 to over 30,000 businesses, business groups, community organizations, advocacy groups, economic development professionals, and elected officials.
- The counties must update Commerce's online portal with grant recipient information by July 31, 2021 to include the following:
  - Name, location, and FEIN of each grantee;
  - Amount of grant received by grantee;
  - Use of grant proceeds; and
  - Demographic information responses of each grantee.

### **March 24 - Programmatic and/or Implementation Issues:**

- Ensure local jurisdictions prioritize applicants who have not received State/MEDA AF funding.
- Some counties have not completed distribution of previously released funds. These funds must be allocated prior to receiving this grant program's funding. If there is a possibility that there are remaining funds, they can be rolled over into this grant program.
