June 30 - Program Highlights and Plans to Allocate Remaining Balance:

- The Department of Commerce (Commerce) sent out grant agreements to the counties on March 24, 2021.
- The counties must update Commerce's online portal with grant recipients by July 31, 2021, to include the following:
 - Name, location, and FEIN of each grantee;
 - Amount of grant received by grantee;
 - Use of grant proceeds; and
 - Demographic information responses of each grantee;
 - Plus, answers to the following questions:
 - Does the applicant (owner) have a net worth of less than \$750,000;
 - Did the applicant (owner) have an adjusted gross income of less than \$350,000; and
 - Did the applicant have less than \$6 million in assets?
- As of May 28, 2021, all counties have signed and returned their grant agreements.
 - Commerce alerted the counties on April 1, 2021, that the Department will allow the use of a portion of each grant to cover *new* expenses incurred by their jurisdiction as a direct result of administering the grant programs. No more than 10% of grant funds may be used to pay for administrative costs. And the administrative costs paid from grant funds must be itemized in the final report submitted to Commerce describing the use of grant funds.

June 30 - Programmatic and/or Implementation Issues:

- Ensure local jurisdictions prioritize applicants who have not received State/MEDAAF funding.
- Some counties have not completed distribution of previously released funds. These funds must be allocated prior to receiving this grant program's funding. If there is a possibility that there are remaining funds, they can be rolled over into this grant program.

- Commerce continues to reach out to the jurisdictions to stress the importance of updating our online portal.
