

**Non-Profit Assistance Grants,  
Department of Housing and Community Development**  
\$20.0 Million (S00A24.01)

**Purpose: Recovery Now Funding**

The DHCD shall distribute funds to local governments to provide grants to non-profits that can demonstrate need, with priority given to organizations that have not received assistance through the Neighborhood Revitalization Program.

**April 21 - Program Highlights and Plans to Allocate Remaining Balance:**

- DHCD shall distribute the funds based on the population of the counties and Baltimore City. The funds will be awarded to the county economic development offices or other county agency as identified by the local jurisdiction and the City of Baltimore will receive the funds directly. Each awardee shall utilize its own local grant program to distribute funds and shall prioritize awards to nonprofits that have not already received relief funds from DHCD's Nonprofit Recovery Initiative (NORI). The local jurisdictions and Baltimore City are currently in the process of completing and submitting to DHCD an *Awardee and Local Nonprofit Grant Program Information Form* in order to provide the Department with information on their strategy for distributing awarded funds to the local nonprofit organizations. Once those forms are received and reviewed DHCD will send grant agreements to each of the county/city agencies. Once grant agreements are executed by the Department, DHCD will begin to distribute the funds to the local governments by April 30 and the local governments will award grants to the nonprofits no later than September 1.

**April 21 - Programmatic and/or Implementation Issues:**

- DHCD does not anticipate any programmatic and/or implementation issues at this time.
