

**Non-Profit Assistance Grants,
Department of Housing and Community Development**
\$20.0 Million (S00A24.01)

Purpose: American Rescue Plan Funding

The DHCD shall distribute funds to local governments to provide grants to non-profits that can demonstrate need, with priority given to organizations that have not received assistance through the Neighborhood Revitalization Program.

June 2 - Program Highlights and Plans to Allocate Remaining Balance:

- DHCD shall distribute the funds based on the population of the counties and Baltimore City. The funds will be awarded to the county economic development offices or other county agency as identified by the local jurisdiction and the City of Baltimore will receive the funds directly. Each awardee shall utilize its own local grant program to distribute funds and shall prioritize awards to nonprofits that have not already received relief funds from DHCD’s Nonprofit Recovery Initiative (NORI).
- As of May 18, 23 of the 24 local jurisdictions have received a grant agreement for their signature. Howard County is determining which agency will receive the funds and we anticipate sending them their agreement by June 4. As of May 28, 12 signed agreements have been returned and sent to DHCD legal for final review and approval for the Department to sign and execute. Once grant agreements are executed by the Department, we will process payments to the local governments. All payments to the local governments will be made by June 30 and the local governments will award grants to their nonprofits no later than September 1.
