Relief for you and your loved ones

If either you or an eligible covered dependent is experiencing or is at risk for joint or muscle issues, everything you need to feel better, faster, is here:

- **Expert care:** Throughout the program, you'll work with a clinical specialist who will provide comprehensive support.
- **Personalized plan:** Each wellness option is tailored to your needs, so you get the most out of every movement.
- **Tech-enabled:** To improve your experience, you may receive devices to monitor performance, including a Bloom pod, Move wearable device or Thrive pad/tablet.
- **Anytime, anywhere:** Designed to fit your busy schedule, each wellness option can be done from the comfort and privacy of your home.

Common questions, answered

Who is eligible for the CareFirst Joint and Muscle Health Program?

To be eligible, you must be age 13 or older for **Move** and **Thrive** and age 18 or older for **Bloom**. You must also be able to perform approximately 20 minutes of light to moderate physical activity.

How much does the program cost for a member?

The program is available at no cost to you as part of your CareFirst health benefits. If you're enrolled in a high-deductible health plan, you do not need to meet your deductible before participating in the program.

Can I sign up for more than one wellness option at the same time?

It's best to treat one part of your body at a time. If you have multiple conditions you'd like to treat, we suggest choosing the one that limits you the most. Once you find relief, you can begin another wellness option and target a different body part.

What if I already see a doctor? How does the program fit in?

Sword Health's clinical specialists encourage and promote relationships with referring providers and primary care physicians (PCP). They also make timely referrals to other CareFirst partners based on your unique care needs.
