## What's New in 2019

- IMPORTANT: Change to Retiree Drug Coverage See 2019 Guide To Your Health Benefits for details
- NEW: Life and AD&D insurance carrier MetLife

State Law Enforcement Officers Labor Alliance (SLEOLA) employees have different medical plan options, prescription plan design and rates than other employees and retirees under the State Employee and Retiree Health and Welfare Benefits Program (the Program). This addendum provides information on the medical and prescription coverage available and the rates. For all other health insurance options including dental, flexible spending, life insurance, or accidental death & dismemberment insurance. Please refer to the 2018 Guide To Your Health Benefits available online at: https://pub.maryland.gov/sites/dbm/benefits.

SLEOLA employees are not eligible to participate in the Wellness Program.

If you are a SLEOLA participant and are promoted to Lieutenant or above, you must enroll in the non-SLEOLA medical and prescription coverage within 60 days of the promotion in order to have no lapse in your health coverage. Upon retirement, all SLEOLA employees who are eligible and choose to continue benefits are only eligible to enroll in the non-SLEOLA medical and prescription plans.

Medicare COB: If an employee or covered dependent's eligibility is due to ESRD, they must sign up for both Medicare parts A & B as soon as they are eligible. If the Medicare eligible SLEOLA employee and/or their dependent(s) fail to enroll in Medicare, the Medicare eligible SLEOLA employee and/or dependent(s) will be responsible for any claim expenses that would have been paid under Medicare Parts A & B, had they enrolled in Medicare.

Non-Medicare COB: When the SLEOLA plan is the secondary payor, payments will be limited to only that balance of claim expenses that will reach the published limits of the SLEOLA plan.
