

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to DBM Health Benefits at www.dbm.maryland.gov/benefits or call 410-767-4775 or 1-800-307-8283. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copay/copayment, deductible, provider, or other underlined terms see the Glossary at www.dbm.maryland.gov/benefits or call 410-767-4775 or 1-800-307-8283 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	In Network: None Out of Network: \$250 Individual / \$500 Family	You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you receive out-of-network. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	No	The deductible only applies to out of network services. All services received out of network are subject to the deductible except for emergency services. In network this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ or www.dbm.maryland.gov/benefits .
Are there other <u>deductibles</u> for specific services?	No.	
What is the <u>out-of-pocket limit</u> for this <u>plan</u>?	Coinsurance: In-network: \$1,000 Individual/ \$2,000 Family; Out-of-network: \$3,000 Individual/ \$6,000 Family Copayment: In-network: \$1,000 Individual/ \$2,000 Family; Out-of-network None	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u>?	<u>Premiums</u> , <u>balance-billing</u> charges, health care this <u>plan</u> doesn't cover and penalties for failure to obtain <u>preauthorization</u> for services.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See your plan's website address and phone number in the front cover of the Guide to Your Health Benefits for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your

		<u>network provider</u> might use an out-of- <u>network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
