PROCESS STEPS

All State of Maryland Employees/Retirees will have access to online Open Enrollment. Open Enrollment begins October 15, 2019. Please look for the Open Enrollment announcement and link on the SPS Welcome page. If you are not making any changes, your current coverage will rollover to 2020, EXCEPT for Flexible Spending Accounts. You must re-enroll in FSA each year.

1. You can access the Open Enrollment event from the SPS Welcome page by clicking Benefits Open Enrollment in the Announcements section. If you do not have a Benefits Open Enrollment link please contact your Agency Benefit Coordinator (ABC).

2. Click the Continue button to go to the Health Care and Accounts screen to enroll or change your elections.

3. The benefit elections are listed by category: Medical, Prescription, Dental, Healthcare FSA, Dependent Care FSA, Life Insurance, etc. All elections from the previous plan year will populate EXCEPT the FSA. You can select the Manage or Enroll button to enroll or make changes to current elections.

   In this example, we will click the Manage button in the Medical section.

4. Click the Select button for the plan which you want to elect. Note that you will only be able to select one of the plans. If you want to drop/remove coverage, click the Waive button. Then click the button to continue to select the dependents to be added to the plan, if applicable. You will not see the Dependents page if you selected to Waive coverage.

5. On the Dependents screen, check or uncheck the box next to each dependent you want to add or remove from the plan. Then click the button.

If you want to add a new dependent, click the button. On the "Add My Dependent from Enrollment" page, you will see the REQUIRED supporting documentation for each dependent type. After clicking OK, proceed to enter all of the information for the new dependent including the SSN or ITIN, if the dependent has one. Then SAVE. You will be returned to the Dependents page and you will see your newly added dependent now displays and has been selected for coverage. You must add/attach the REQUIRED supporting documentation in the Attachments section of the Open Enrollment event. (see Step#8).

If you see a data issue with one of your current or newly added dependents (i.e., Typo in Name or Date of Birth, Relationship, etc) DONOT add a new dependent. Proceed with elections with the current dependent and contact DBM Employee Benefits Division with the dependent data issue; they will assist with correcting the data.

6. You will get a message that the changes have been updated but not submitted. Next proceed to update the other plans as desired and then click the button once you are ready to submit your changes. Note you can also click the button if you want to return at a later time to finish the elections.

WARNING: If you do not finalize (Review and Sign and Submit) your open enrollment changes before the end of Open Enrollment, your elections/changes will not go into effect January 1, 2020; your elections by default will remain the same as your 2019 elections and you will not be able to add the dependent until the next open enrollment, EXCEPT for FSA which will be discontinued.
