Pediatric lenses and frames

Get eyeglass frames and lenses at no charge from a Kaiser Permanente Optical Shop. Contact lenses, including medically necessary contact lenses, may be covered instead of eyeglasses. This benefit is available to members 19 and under, lasting through the end of the month that they turn 19.

The value of the free pair of glasses may not be applied toward the cost of other glasses or contact lenses. However, there is an allowance for additional glasses or contact lenses.

Members may also be covered for glasses and contact lenses outside of the select group. See the sections below for details: **Eyeglass lenses**, **Eyeglass frames**, and **Contact lenses**.
