

Retiree Medicare Part D Transition Timeline

MAY

Updated FAQ Document posted on the DBM website.

JULY

Retirees will be notified by mail of additional details and resources, including an anticipated timeline for information sessions.

OCTOBER

During Medicare's open enrollment (**October 15–December 7**), retirees can speak with a licensed benefits counselor who will assist them in selecting and enrolling in a Medicare Part D prescription drug plan.

JUNE

The State plans to contract with a Medicare Part D administrator (a company) to offer informational sessions and counselors to enroll retirees (beginning **October 15, 2024**).

SEPTEMBER

The 2025 Medicare Part D plan details will be released by the federal government in early fall (likely late September), in-person information sessions will follow.

DECEMBER

Retirees must select a Medicare Part D plan by **December 7, 2024**, to have prescription drug coverage in 2025.
