Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	In Network: <b>None</b> Out of Network: <b>\$250</b> Individual / <b>\$500</b> Family	You must pay all the costs up to the <u>deductible</u> amount before this plan begins to pay for covered services you receive out-of-network. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Νο	The deductible only applies to out of network services. All services received out of network are subject to the deductible except for emergency services. In network this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> or <u>www.dbm.maryland.gov/benefits</u> .
Are there other <u>deductibles</u> for specific services?	Νο	
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	Coinsurance: In-network: <b>\$1,000</b> Individual/ <b>\$2,000</b> Family; Out-of- network: <b>\$3,000</b> Individual/ <b>\$6,000</b> Family Copayment: In-network: <b>\$1,000</b> Individual/ <b>\$2,000</b> Family; Out-of- network <b>None</b>	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket</u> <u>limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	<u>Copayments</u> for certain services, <u>premiums</u> , <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit.</u>
Will you pay less if you use a <u>network provider</u> ?	Yes. See your plan's website address and phone number in the front cover of the Guide to Your Health Benefits for a list of <u>network providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	

All <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met for out of network services, <u>deductible</u>s do not apply in-network.
