## COMMENTARY

The Department of Budget and Management annually updates this 18 year summary of all State-owned and non-State owned capital improvement projects and programs that are authorized by the General Assembly, except for those of the Department of Transportation.

The capital improvements listed in this document are financed by five principal types of funding:

- 1) Maryland Consolidated Capital Bond Loan, which the Maryland General Assembly enacts to authorize the sale of bonds to finance improvements to a specific facility owned by a local government or nonprofit organization.
- 2) General Funds, which are used to finance projects which are not suited by nature or law to bond funding. When State revenues suffice, General Funds are also used to increase the scope and funding of the Capital Improvement Program. Appropriations of General Funds for capital projects are included in the State Budget Bill.
- 3) Special Funds, which are generated by activities of certain units of State government. Projects funded from this source are identified in appropriation language in the State Budget Bill.
- 4) Federal Funds, which are also appropriated for specific projects in the State Budget Bill.
- 5) Revenue Bonds, which are issued by certain State agencies, such as State higher education institutions, the Maryland Department of the Environment, and the Maryland Stadium Authority.

Abbreviations used in this document for these fund sources are as follows:

A.F.B.A.	Academic Facilities Bonding Authority (Revenue Bonds of the University System of Maryland)
B.B.	Bond Bills, also known as Legislative Initiatives
F.F.	Federal Funds
G.F.	General Funds
M.C.C.B.L.	Maryland Consolidated Capital Bond Loan
Q.Z.A.B.	Qualified Zone Academy Bonds
R.B.	Revenue Bonds
S.F.	Special Funds

The years shown in this document are calendar years, not fiscal years.

Chapter numbers for legislation authorizing funds for the capital projects described in this document can be found in the Historical Summary if the legislation was used to fund multiple projects, and following the description of the legislation if it was used to fund a specific project.

Unless otherwise noted, projects printed in italics indicate that appropriations have been cancelled or permitted to lapse. In either situation, the State Funds were not used for the project.

NOTE: As amended by Chapter 424, Acts of 2013 based on a reevaluation of the scope of the project by the Department. Further amended by Chapter 463, Acts of 2014 to allow the authorization to be used for construction. Further amended by Chapter 495, the enrolled MCCBL of 2015, to reduce the authorization from \$1,150,000 to \$0 based on a re-evaluation of the project.

<b>M.C.C.B.L. 2012</b>	Provide funds to complete design of and construct a Secure Evaluation and Therapeutic Treatment Center (SETT), provided that no funds may be expended for project design until the Department of Health and Mental Hygiene provides the budget committees with a report that includes a detailed plan to alter the scope of the proposed SETT unit, including what the appropriate bed capacity for the facility should be. Furthermore, the report shall advise the committees on how the Department plans to utilize therapeutic treatment homes to meet its mission of serving individuals in the least restrictive setting, including whether these homes will be used as step-down units. The report shall include how many therapeutic treatment homes would be needed based on the modified size of the SETT unit, including operating costs to serve these individuals in therapeutic homes in comparison to serving individuals in the SETT unit. The Department shall advise on its efforts to work with community providers to establish therapeutic treatment homes in the State. The budget committees shall have 45 days to review and comment following the receipt of the report. Further provided that no funds may be expended for project design until the Department of Health and Mental Hygiene provides the budget committees with a report that provides total estimated project costs for renovating an existing SETT unit, in comparison to constructing a new 32-bed facility, including estimated operating costs associated with a fully operational facility. The report shall indicate how the renovations option will address concerns related to security and lack of vocational space posed by the existing facility and how renovations to an existing SETT unit will effectively meet the needs of the forensic population. Finally, the Department shall indicate how it plans to fund and administer the expansion of community-based homes to support a consolidated SETT unit, including whether providers operating these homes will be required to meet additional regulatory standards. The budget committees shall have 45 days to review and comment, following the receipt of the report.	0

M.C.C.B.L. 2006 Provide funds to prepare preliminary plans to construct a new public health laboratory. 0

*NOTE: As amended by Chapter 488, Acts of 2007 to deauthorize \$9,424,000. However, the 2007 General Assembly preauthorized funds in the amount of \$7,800,000 to be included in the FY 2009 budget to prepare plans to construct a new public health laboratory. Chapter 336, Acts of 2008 reduced this amount to \$0.*

M.C.C.B.L. 2009 Provide funds to prepare preliminary plans to construct a new public health laboratory, provided that no State funds may be expended for this project until the Department of Health and Mental Hygiene (DHMH), the Department of Budget and Management (DBM), and the Department of General Services submit a report to the budget committees on the Administration's plan for constructing the new public health laboratory. The report shall include details regarding preliminary cost estimates based on currently available information for all aspects of the project that will impact either the capital or operating budgets. In addition, the report shall provide a detailed timeline of the project beginning with the decision process concerning how to finance the project through completion of the project. After the report is submitted, the budget committees shall have 45 days to review and comment. Further provided that it is the intent of the General Assembly that this authorization does not constitute approval of any particular method for funding or financing the project. Before any contracts are executed that would obligate the State to any ground or occupancy lease for the new facility, or any financing method including financing through the Maryland Economic Development Corporation, the Capital Debt Affordability Committee shall first review the proposed financing alternatives and ground and occupancy leases presented by DHMH and DBM for the potential debt affordability impact on the State. 6,450,000

### Office of the Chief Medical Examiner

#### New Forensic Medical Center (Baltimore City)

**M.C.C.B.L. 2005** Provide funds to prepare preliminary plans to construct a new Forensic Medical Center, provided that no funds shall be expended for planning or design until the Department of Health and Mental Hygiene (DHMH), the Department of Budget and Management (DBM), and the Department of General Services (DGS) have prepared and submitted a report to the budget committees by September 1, 2005, that provides an analysis of potential suitable sites for the future construction of a new forensic medical center for the Office of the Chief Medical Examiner (OCME). Any site considered by DHMH, DBM, and DGS as a potentially suitable location for the construction of a new forensic medical center shall be identified in the report, and all sites identified shall include a site suitability assessment analysis by DHMH and DBM. In determining whether a site is suitable, DHMH and DBM shall consider at a minimum:

(1) proximity to OCME core functional partners including the State's Attorney's Office, the University of Maryland Medical Group, the Johns Hopkins University Institutions, and the Maryland Institute for Emergency Medical Services Systems; and

(2) the ability to construct a facility, whether it be one or multiple buildings, that meets the present and future operational and functional needs of OCME, and ensures compliance with National Association of Medical Examiners accreditation standards.

Further provided that the budget committees shall have 45 days from the date of receipt of the report for review and comment.

Further provided that no funds shall be expended for the planning, design, or construction of a new forensic medical center until the Part I and Part II program plans for this project have been approved by DBM and notification of DBM's approval has been provided to the budget committees.

### Southern Maryland Children's Center (Regional)

**M.C.C.B.L. 2010** Provide funds for land acquisition and preliminary design of a new detention center, provided that before the Departments of Juvenile Services and General Services acquire land for a new regional detention center in Southern Maryland, the departments, in cooperation with all four local jurisdictions to be served by the center, shall submit a report to the budget committees detailing the site selection process including:

- (1) site selection criteria;
- (2) written appraisals;
- (3) what other sites were considered and why they were rejected;
- (4) the extent to which the departments have already pursued the use of publicly owned property for the site;
- (5) the extent of consultation between the departments and the local governing bodies of the counties to be served by the facility; and
- (6) any independent comments on the site selected from any of the four local governing bodies of the counties to be served by the facility.

Further provided that the Department of Juvenile Services has until September 1, 2012, to acquire a site for the Southern Maryland Children's Center. A report identifying the proposed location and detailing the entire site selection process undertaken by the Department in selecting the location shall be submitted to the budget committees no later than September 30, 2012. The budget committees shall have 45 days from the receipt of the report to review and comment.

NOTE: The 2012 General Assembly pre-authorized \$2,068,000 in FY 2014 for this project. As amended by Chapter 424, Acts of 2013 to reduce the FY 2011 authorization from \$4,650,000 to 0, and to reduce the FY 2014 pre-authorization from \$2,068,000 to \$0.

(b) In approving funding for projects, the Board of Public Works shall consider:

- (1) requests from the local jurisdictions; and
- (2) projects that:
  - (i) benefit older school buildings;
  - (ii) benefit schools with high proportions of children eligible for free and reduced price meals;
  - (iii) can be completed within one year;
  - (iv) eliminate or reduce the use of relocatable classrooms;
  - (v) are designated as A or B by the Interagency Committee on Public School Construction and are not fully funded in the fiscal 2012 Capital Improvement Program approved by the Board of Public Works; or
  - (vi) reduce energy consumption or incorporate high performance green building principles.

This Act shall take effect July 1, 2011.

## PUBLIC SCHOOL CONSTRUCTION PROGRAM

**Q.Z.A.B. 2011** A grant to the Interagency Committee on School Construction or the Maryland State Department of Education for the allocation to eligible school systems under the Aging School Program for the renovation, repair and capital improvements of qualified zone academies, as defined in Section 1397E(d)(4)(A) of the Internal Revenue Code, as amended, and in accordance with the Aging School Program of the Interagency Committee on School Construction, as provided under Section 5-303 of the Education Article of the Annotated Code of Maryland, and to provide equipment for use at such academies as allowed under 1397E of the Internal Revenue Code, subject to the requirement that the grantee document the provision of a required Federal matching fund. The grant shall equal the lesser of \$15,902,000 or the matching fund provided. The matching fund shall comply with Section 1397E(d)(2) of the Internal Revenue Code, as amended. The grantee has until June 1, 2013, to present evidence satisfactory to the Board of Public Works that the total matching fund will be provided and documented (Chapter 96). 15,902,000

**M.C.C.B.L. 2012** Provide funds to construct public school buildings and public school capital improvements in accordance with Sections 5-301 through 5-303 of the Education Article, provided that \$25,000,000 of this appropriation shall be used to fund projects that improve the energy efficiency of schools, including improvements to HVAC systems, lighting, mechanical systems, windows and doors, and any other type of improvement that is specifically designed to improve the energy efficiency of a school building, per standards to be developed by the Interagency Committee (IAC) in collaboration with the Maryland Energy Administration. Priority will be given to projects that maximize leverage, such as projects that only fund the incremental cost of energy efficiency improvements, as opposed to the full costs of the energy project. The funds may also be used to install renewable energy systems in schools, provided that \$25,000,000 of this appropriation is restricted and may not be expended until the IAC submits a report to the budget committees detailing the standards that will be used to allocate funds among projects that improve the energy efficiency of schools. The budget committees shall have 45 days from the receipt of the report to review and comment. 326,393,000

Further provided that any school construction funds allocated to an eligible project in a county that are not spent for the project may, within two years, at the county's option be:

(1) applied to another eligible project in the current fiscal year; or

(2) reverted to the contingency fund and reserved for eligible projects in the county in the next fiscal year, which shall be in addition to new funds allocated for eligible projects in the county in the next fiscal year.

Further provided that any school construction funds reserved for a county in the contingency fund that are not encumbered within two years shall become available to be allocated to an eligible project in any county.

NOTE: The projects funded by the Public School Construction Program in 2012 are listed individually by county in Part II. In accordance with HB 1391 (Chapter 144, Acts of 2012), \$2,800,000 will be allocated to the Maryland School for the Blind.

**Q.Z.A.B. 2012** A grant to the Interagency Committee on School Construction or the Maryland State Department of Education for the allocation to eligible school systems under the Aging School Program for the renovation, repair and capital improvements of qualified zone academies, as defined in Section 1397E(d)(4)(A) of the Internal Revenue Code, as amended, and in accordance with the Aging School Program of the Interagency Committee on School Construction, as provided under Section 5-303 of the Education Article of the Annotated Code of Maryland, and to provide equipment for use at such academies as allowed under 1397E of the Internal Revenue Code, subject to the requirement that the grantee document the provision of a required Federal matching fund. The grant shall equal the lesser of \$15,324,000 or the matching fund provided. The matching fund shall comply with Section 1397E(d)(2) of the Internal Revenue Code, as amended. (Chapter 3). 15,324,000
