

**UMMS Testimony
State FY'20 DBM Capital Budget Recommendations**

March 11, 2019

F10A01

**Appropriation Committee
Capital Budget Subcommittee**

I. Shock Trauma – Phase III

CONCUR

This ongoing collaboration ensures that the Shock Trauma complex will keep pace with the contemporary technology advances and will enjoy modern basic systems serving it.

II. Comprehensive Cancer and Organ Transplant Center

CONCUR

This Phase VI component of University of Maryland Medical Center growth will provide critical space for two premier programs serving Marylanders and supporting attendant educational and research activity consistent with our mission.

III. Capital Area Regional Medical Center

CONCUR

This marks the final installment of the State commitment to this unique 3 way partnership, including UMMS and Prince George's County.
