**QUESTIONS AND RESPONSES**  
**PROJECT NO. 050B940002**  
**Department of Budget & Management**  
**Pilot Vehicle Rental Service Program**  
**June 28, 2019**

Ladies/Gentlemen:

This List of Questions and Responses -Questions #18, is being issued to clarify certain information contained in the above named RFP.

In most instances the Department's response to the submitted questions merely serves to clarify the existing requirements of the RFP. Sometimes, however, in submitting questions potential Offerors may make statements or express interpretations of contract requirements that may be inconsistent with the Department's intent. To the extent that the Department recognizes such an incorrect interpretation, the provided answer will note that the interpretation is erroneous and either state that the question is moot once the correct interpretation is explained or provide the answer based upon the correct interpretation.

No provided answer to a question may in and of itself change any requirement of the RFP. If it is determined that any portion of the RFP should be changed based upon a submitted question, the actual change may only be implemented via a formal amendment to the RFP. In this situation the answer provided will reference the amendment containing the RFP change.

**Questions and Responses # 2**

*18. Is the State self-insuring the rentals or does the State need to purchase coverage from the Bidder?*

**RESPONSE:** The State intends to self-insure the majority of Vehicle Rentals under the pilot rental car program. On occasion, it may purchase vehicle damage coverage directly from the contractor.
