Air and International Fuel Surcharge Custom Index

UPS uses an index-based surcharge that is adjusted monthly. Changes to the surcharge will be effective the first Monday of each month. The surcharge will be based on the U.S. Gulf Coast (USGC) prices for kerosene-type jet fuel reported by the U.S. Department of Energy for the month that is two months prior to the adjustment. For example, the surcharge for April is based on the February U.S. Gulf Coast (USGC) Jet Fuel Price.

UPS uses an index-based surcharge that is adjusted monthly. Changes to the surcharge will be effective the first Monday of each month. The surcharge will be based on the National U.S. Average On Highway Diesel Fuel Prices reported by the U.S. Department of Energy for the month that is two months prior to the adjustment. For example the surcharge for April is based on the February National U.S. Average On Highway Diesel Fuel Price.
