

PREAMBLE

This Memorandum of Understanding ("Agreement") is entered into by the State of Maryland ("Employer") and the American Federation of State, County and Municipal Employees, AFL-CIO, and has as its purpose the promotion of harmonious relations between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences without disruption in the workplace; and includes the agreement of the parties on the standards of wages, hours and other terms and conditions of employment for the Bargaining Unit A, B, C, D, & F employees covered hereunder. The Employer recognizes the commitment of the Union and employees to organizational efficiency and high quality services and will actively encourage the sharing of concerns regarding management practices, policies and procedures.

It is understood that agreements on issues requiring approval by the General Assembly of Maryland are tentative pending approval of the General Assembly of Maryland. The provisions of this Agreement shall in no way diminish or infringe any rights, responsibilities, power or duties conferred by the Constitution of the State of Maryland, the Annotated Code of Maryland and the Collective Bargaining Law (Title 3, State Personnel and Pensions Article) and all laws are hereby incorporated in this agreement as if fully set forth herein, and in the event of a conflict between this Agreement and the law, the law shall prevail.

ARTICLE 1. RECOGNITION

Section 1. Exclusive Representation

Pursuant to the Collective Bargaining Law (Title 3, State Personnel and Pensions Article), the Employer recognizes the Union as the sole and exclusive representative in all matters establishing and pertaining to wages, hours and other terms and conditions of employment for all employees in Bargaining Units A, B, C, D, & F. The Employer will not negotiate with any other union or employee organization on matters pertaining to wages, hours and other terms and conditions of employment for all employees in Bargaining Units A, B, C, D, & F and will not allow non-exclusive representatives or other employee organizations to address new employees at orientation meetings.

Section 2. Integrity of The Bargaining Unit

Unless otherwise provided by law, the Employer recognizes the integrity of the bargaining unit and will act consistently with the current policy to use State employees to perform all State functions in State operated facilities in preference to contracting out with the private sector. In the event the Employer proposes to use non-bargaining unit individuals to displace continuing bargaining unit positions, it will provide the Union with notice at the earliest opportunity, but normally notify the union at least sixty (60) days in advance (unless circumstances require a shorter notice) and be available to meet with the Union within one week after the notice is sent. Supervisors will not be assigned posts for the purpose of limiting overtime opportunities for bargaining unit employees except when fiscal or operational exigencies necessitate.

Section 3. Inclusion/Exclusion Of Existing And New Classifications

If it is believed that the bargaining unit status of a classification has changed, the Employer or the Union, whichever is proposing the change, shall notify the other. Following such notice, the parties shall meet and attempt to resolve the issue. The Employer will promptly notify the Union of all decisions to establish new classifications. If a new classification is a successor title to a classification covered by this Agreement with no substantial change in duties, it shall become part of this bargaining unit. If a new classification contains a significant part of the work done by any classification in this bargaining unit or shares a community of interest with classifications in this bargaining unit, it shall become part of this bargaining unit. The Union may notify the Employer, within thirty (30) days of receiving notice of a new classification, that it believes the classification should be in this bargaining unit. The parties will then meet to review the classification specifications and attempt to resolve the issue. If, within thirty (30) days of such notice, such issues are not resolved in determining the inclusion/exclusion of classifications, the parties shall consider the following factors:

- a. the community of interest of the employees involved;
- b. the Employer's organizational structure;
- c. The Collective Bargaining Law (Title 3, State Personnel and Pensions Article);
- d. the principals of efficient administration of government, including limiting the fragmentation of government administrative authority; and
- e. the recommendations of the parties involved.

ARTICLE 2. NON-DISCRIMINATION

Section 1. Prohibition Against Discrimination

It is the policy of the State to prohibit discrimination in employment against any employee or applicant for employment because of race, age, color, religion, creed, sex, sexual orientation, political affiliation, country of national origin, ancestry, genetic information, gender identity or expression, mental or physical disability, marital status, or labor organization affiliations, and to promote and implement a positive and continuing program of equal employment opportunity.

It is the policy of the Union that it shall not discriminate against any employee or cause or attempt to cause the State to discriminate against any employee because of race, age, color, religion, creed, sex, sexual orientation, political affiliation, country of national origin, ancestry, genetic information, gender identity or expression, mental or physical disability, marital status or labor or organization affiliation.

Section 2. Union Activity

Each employee shall have the right to join and while off work or on official release time, assist the Union freely, without fear of penalty or reprisal, and the Employer shall assure that each employee shall be protected in the exercise of such right.

Section 3. Equal Employment/Affirmative Action/ADA

The parties agree to comply with applicable Federal and State Equal Employment laws, Affirmative Action laws, and with the Americans with Disabilities Act.

Section 4. Representation

The Union recognizes its responsibility as the exclusive bargaining representative for this unit and agrees to fairly represent all employees in the bargaining unit to the extent required by applicable law and regulations.

ARTICLE 3. MANAGEMENT RIGHTS

The Employer retains the sole and exclusive authority for the management of its operations and may exercise all rights, powers, duties, authority and responsibilities conferred upon and invested to it by all laws including, but not limited to, the Collective Bargaining Law (Title 3, State Personnel and Pensions Article).

It is agreed by the parties that any section of this MOU that conflicts with current law, in particular the Collective Bargaining Law (Title 3, State Personnel and Pensions Article), can be changed by management after negotiations with the Union; to the extent required by Article 32 (Mid Contract Negotiations).

It is understood and agreed by the parties that the Employer possesses all other power, duty and right to operate and manage its departments, agencies and programs and carry out constitutional, statutory and administrative policy mandates and goals.

ARTICLE 4. UNION RIGHTS

Section 1. Access

The Employer agrees that it shall not discourage bargaining unit employees from Union membership or participation in lawfully permitted activities in the exclusive representative's Union. Local representatives, officers and Union staff representatives shall have reasonable access to the premises of the Employer with prior notice and approval by the Employer for the reason of administration of this Agreement.

The Union agrees to notify the Employer at least five (5) days in advance of a non-emergency, mass meeting. In emergency situations, the Union may call a meeting during work hours to prevent, resolve or clarify a problem with prior reasonable notice to and approval by the Employer. In addition, upon reasonable notice to and approval by the Employer and consistent with security and public service requirements, union representatives shall have access to the Employer's premises for the purpose of membership recruitment. Approval for access described in this section shall not be unreasonably denied.

Section 2. Stewards

The Employer will recognize stewards designated by the Union who will be responsible for investigating and processing grievances and participating in any hearings or conferences related to the

grievance. Typically, a grievance will have no more than one (1) steward in attendance, unless the presence of a second steward is part of the training process for the second steward, in addition to a staff representative, but there shall be no more than two (2) stewards in attendance at all times. In addition, at all correctional facilities, there shall be a primary and an alternate steward designated by the Union on all primary shifts who will be responsible for non-grievance activities related to the administration of this agreement and coordinating the activities of other stewards, to ensure the efficient use of release time.

The Union will notify the appropriate agency personnel director in writing of the names of the designated stewards prior to them assuming any duties. Designated stewards shall be allowed a reasonable amount of duty time without charge to pay or leave to administer the Agreement and otherwise represent employees in accordance with the Collective Bargaining Law (Title 3, State Personnel and Pensions Article), law or regulation. To the extent necessary to participate in hearings and meetings, a designated steward's shift shall be adjusted so that such participation shall be on official duty time. Release from duty and shift adjustments will not be unreasonably denied and will be consistent with the operational needs of the Employer.

Section 3. Union Activity During Working Hours

The Employer and the Union recognize that stewards play an important role in effectuating the terms of this agreement; however, both parties acknowledge that the duties undertaken as a steward are in addition to the stewards' job assignments.

Consistent with the operational needs of the Employer, the Employer shall grant time off with pay, including reasonable travel time when necessary, to attend:

- 1) grievance meetings;
- 2) Labor Management Committee meetings;
- 3) negotiating sessions regarding supplementation or amendment of this Agreement during its term;
- 4) committee meetings and activities if such meetings or activities have been jointly established by the parties; or
- 5) meetings called or agreed to by the Employer, if such employees are entitled and required to attend the meetings by virtue of being Union representatives or stewards.

Release hours will not exceed the employee's normally scheduled workday. Time off with pay will not be unreasonably withheld. The Union will normally provide the Employer with the names of its representatives who need release time within 48 hours of the scheduling of the meeting.

Union representatives shall be allowed reasonable work time to complete assignments that have been assigned by the Labor Management Committee. The employee's supervisor shall approve when the time can be taken.

The practices described in § 12-405 of the State Personnel and Pensions Article shall apply to grievants, witnesses and Union representatives.

The practices described in the current Transportation Human Resources Policy §7I, Subsection 10, shall be maintained.

Section 4. Release Time Account For Union Activities

On July 1 of each year, the Employer shall credit the Union's release time account with one (1) day for every fifteen (15) dues paying members. Union representatives will be allowed time off with pay charged against the Account consistent with the operational needs of the Employer for Union business such as state or area-wide committee meetings or state or International conventions, preparation time for negotiations or Labor-Management Committee meetings, and union sponsored labor relations training provided such representative provides reasonable notice to his/her supervisor of such absence.

Reasonable notice for Union sponsored meetings and conventions listed above is at least thirty (30) days and the employer shall respond within ten (10) days of receiving the representative's notice. Such time off will not be detrimental in any way to the employee's record and will be specifically taken into account when applying performance standards relating to quantity and timeliness of work. Time may be used in one (1) hour increments. Time off with pay will not be unreasonably withheld.

Section 5. Release From Duty Issues

The parties recognize their respective obligations to grant and utilize release time authorized by this Agreement in an efficient manner in the context of effective and efficient government operations. To this end, the Employer and the Union shall each designate a person to discuss and resolve issues associated with release from duty or time off. Due to geographical factors, more than one team may be created. An employee's supervisor may require the representative to provide the request for release time in writing. Requests for release time in accordance with this Agreement or State policy shall routinely be granted. When the Employer denies time off based on operational needs in accordance with this Agreement, it shall, upon written request of the Union, provide the reasons in writing and shall advise the representative when he/she can obtain the time off. Time off under this provision shall not be arbitrarily denied.

Section 6. Meeting Space

Union representatives may request the use of state property to hold union meetings. Upon prior notification, the Employer will provide meeting spaces where feasible. Such meetings will not interrupt state work and will not involve employees who are working. The Employer shall make space available for Union representatives to have confidential discussions with employees on an as-needed basis subject to availability.

Section 7. Union Offices

Where the Union is currently provided with office space, such space shall be maintained. In locations where the Union does not have office space, Union representatives shall be permitted to have a lockable Union provided filing cabinet in space provided by the Employer at the Employer's premises.

Section 8. Routine Office Supplies

Union representatives are authorized to make reasonable use of copiers, FAX machines, computers and other office equipment for representational purposes, provided such use does not interfere with official State business. Union representatives shall request permission to use such equipment. Approval for use will not be withheld unless such use interferes with official State business.

Section 9. Bulletin Boards

The Employer shall provide lockable bulletin boards at each work location in areas mutually agreed to on a local basis, for the exclusive use of the Union. The Union shall be responsible for all items posted on the bulletin board. Each item posted shall be dated and initialed by the Union official approving the posting. The Union shall ensure that items are not illegal, defamatory, political, or partisan and that no item is detrimental to the safety and security of the institution. At the time of posting, the Union shall provide a copy of all items to the Employer. The Employer shall not permit the posting of notices by non-exclusive representative employee organizations on Employer bulletin boards.

The Union shall be permitted to use internal state mail systems, including computer/electronic mail, for membership and bargaining unit mailings and for communication with the Employer. Confidentiality shall be maintained subject to the Employer's security needs. Where available, the Employer shall provide the Union with email addresses for bargaining unit members.

Before sending out mass or bulk emails, the Union shall consult with the agency personnel director to ensure that the agency's email system can accommodate such a transmission. In the event that a single mass or bulk email cannot be accommodated because of system limitations, the agency personnel director shall work with the Union to determine the appropriate size of bulk or mass emails. The Union will then be permitted to send smaller mass or bulk emails as needed.

Section 11. Distribution of Union Information

At non-secure facilities, the Union shall be permitted to place and distribute materials at mutually agreed to locations frequented by employees, before and after work, and during breaks and meals periods.

At secure facilities, the Union shall be permitted to place informational materials for employees at the work site. The placement will be limited to roll call areas, and in or near officers' dining room. The information shall be placed at a table provided by the Employer and may have a sign of identification. This placement must be done by an employee or a Union staff representative designated by the Union during the employee's non-working hours. Distribution of materials will be done in a non-secure area during non-work hours.

Section 12. New Employee Orientation

The Union will provide each agency personnel director with the names and addresses of up to two (2) authorized Union representatives per agency to receive notice of each formal orientation meeting held by the Department. The notice will be sent as soon as such meetings are scheduled (but not less

then ten (10) days in advance) and will include date, time and location. Due to operational exigencies, agencies may schedule an orientation which will provide the Union with less than the requisite ten (10) days notice; however the Union shall be notified as soon as possible after the scheduling of the orientation and the Union representative shall be released from duty. Agencies shall routinely schedule orientations in a manner that will allow for the ten (10) day advance notice to the Union.

During the formal orientation, the Union will be permitted to give a twenty (20) minute presentation which may include an enrollment in supplemental Union benefits. The parties shall encourage employee attendance, although attendance shall not be mandatory if an employee objects to attending the presentation.

In the event a formal orientation meeting is not held, or the Union is unable to attend the formal orientation because the designated Union representatives cannot be released under Article 4, the Employer shall allow the Union representative and the employee(s) to meet during duty hours at a mutually agreed upon time and location for twenty (20) minutes Employee participation in these meetings shall be encouraged although an employee shall not be required to attend such a meeting.

Section 12B. Agreement Orientation

The parties recognize that it is important for employees covered by this agreement to understand all of its terms and conditions as well as the contract administration matters that may occur during its duration.

Accordingly, the Union shall provide an annual orientation on the agreement to all current employees at all agencies and correctional facilities that conduct in-service training. The Orientation shall be held during a lunch period. The Union will be provided space (such as a classroom) and will be allowed to provide meals consistent with facility security procedures. Employee attendance is voluntary.

In agencies where the Employer does not require in-service training, the Union will be provided space to conduct an annual orientation on the agreement for all current employees to attend on non-duty time (before and after work or during lunch). The Union will be allowed to provide meals consistent with facility security procedures. Employee attendance is voluntary.

Section 13. Information Provided To The Union

In accordance with SPP §3-208, the employer shall provide, upon the written request of the Union, for each employee in the bargaining unit employee represented by the Union :

- a. name;
- b. Position classification;
- c. Bargaining unit;
- d. Home and work site addresses where the employee receives interoffice or US Mail; and
- e. Home and work site telephone numbers.

The Union may present a written request for employee information twice every calendar year. The employer may charge the Union a fee not to exceed the actual cost of providing a list of employees'

names, addresses, telephone numbers and work information to the Union. Employees may notify the employer that they do not want the information described in this section released to the Union in accordance with SPP §3-208(d). The Union shall abide by the restriction concerning the use of information as provided for in SPP §3-208 (e), (g) and (h).

Additional information, such as work e-mail address will be made available to the Union by each Department to the extent such information is readily available in an automated fashion.

Section 14. Exclusivity

No organization other than the exclusive representative shall have access to worksites or otherwise be provided with access to facilities and services of the employer unless they are doing business with the State or except as required by State or federal law.

ARTICLE 5. LABOR MANAGEMENT COMMITTEES

Section 1.

Within sixty (60) days of the union's request, a Labor Management Committee (LMC) consisting of an equal number of Employer and Union representatives will be established in each Department or Principal Unit. These LMC's shall establish agency level and, where appropriate, facility or regional LMC's.

Section 2.

The intent of the LMC's is to facilitate communication between the parties by providing a forum for discussion of issues related to conditions of employment. The committee shall not become involved in individual grievances.

Section 3.

The local Union President will select or appoint his/her members to the LMC. Departmental/Principal Unit LMC's may include at least 5 and up to 10 representatives in aggregate from bargaining Units A, B, C, D and F as Union. Upon agreement of the co-chairs, additional members may be added to the committee where the subjects under discussion warrant.

The composition (number of Union and Management representatives) of LMCs at the subdepartment level will be determined by agreement of the co-chairs of those respective committees.

The LMCs will establish procedures for scheduling meetings.

**ARTICLE 6. WORKWEEK, WORK TIME, SCHEDULES,
OVERTIME AND COMPENSATORY TIME**

Section 1. Scope

This Article is intended to define the normal hours of work and to provide the basis for the calculation and payment of overtime. It shall not be construed as a guarantee of hours per day or per week, or of days of work per week.

Section 2. Administrative Workweek

The administrative workweek begins at 12:01 a.m. Wednesday and ends at midnight on the following Tuesday.

Section 3. Standard Workweek

Except as noted below the standard workweek for full-time employees consists of five (5) consecutive eight (8) hour days, Monday through Friday each week. Non-overtime hours and starting and quitting times for such employees shall be the same throughout the standard workweek. The standard workweek does not apply to the following:

1. alternative and/or compressed workweek schedules and flextime arrangements;
2. cases where flexible hours are inherent to the job as an established condition of employment;
3. and those employees whose work is continued by other employees who relieve them and continue those same work tasks.
4. Employees described in 2 and 3 above who do not work the standard workweek schedule are subject to Section 4 below. The Employer may not change the work schedule of an employee who works a standard workweek to avoid the payment of overtime or accrual of compensatory time.

Section 3A. Unit C Employees

The following exemptions to the Standard Workweek apply to Unit C employees who do not work a standard workweek.

1. Additional employees of the Maryland Racing Commission whose schedule of workdays and hours are contingent upon the racing schedule.
2. Cases where flexible hours are inherent to the job as an established condition of employment and work time is flexed to allow for the orderly completion of work.
3. The flexible work schedules for those employees (classifications) who currently work such a schedule shall be maintained.

Employees described in 1, 2 and 3 are not subject to Section 4 of this article.

Section 4. Work Schedules

- A. For purposes of this Agreement, "work schedules" are defined as an employee's assigned work hours and days of the week. Where work schedules vary, they will be posted at least fourteen (14) calendar days prior to the effective date of the posted schedule unless the current practice is for a longer posting period, in which case the longer posting period will be maintained.
- B. Assigning an employee additional hours on an overtime basis is not considered a change to the work schedule.
- C. Hours worked outside of the established work schedule shall be considered overtime, unless:
 - 1. the employee voluntarily agrees to adjust the work schedule (volunteering or not volunteering to adjust his/her work schedule shall not be detrimental to the employee in any way); or
 - 2. the affected employee is given a minimum five calendar days notice and there are no more than two occasions when the schedule is changed within the two week pay period;
- D. Involuntary schedule changes must be for legitimate operational needs and rotated equitably among employees and must be for the total hours of the scheduled workday which is being changed.
- E. Nothing in this agreement shall preclude, with prior approval of management, "trading time" or swapping shifts among employees in the same classification provided they have the particular skills necessary to perform the work and such swaps do not increase Employer costs or substantially disrupt work. There will be no split shifts (unpaid break of greater than one-hour within the workday) unless requested by the affected employee(s).

Section 5. Schedule Change/Approved Leave

The Employer agrees it will not make an involuntary schedule change that affects an employee's previously scheduled and approved leave. This does not include short-term leave (3 days or less) unless it is approved thirty (30) days in advance. Management will make every effort not to disrupt leave approved for special events.

Section 6. Implementation New Days/Hours

- A. In the event the Employer seeks to permanently implement new days/hours for positions that had not previously worked such hours, the Employer shall provide the Union with notice and an opportunity to bargain in accordance with this agreement.
- B. Changes to procedures for selecting shifts and time and attendance recording practices (sign-in procedures, time clocks, etc.) will be negotiated in accordance with this Agreement.

Section 7. Work Time

- A. Work time includes time during which an employee:
 - (1) Is on duty, whether at the employee's principal job site or at a remote location as part of the State's Telecommuting Program;
 - (2) Is on paid leave;
 - (3) Participates in training activities as a job assignment;
 - (4) Is on the employer's premises and is on call and waiting for work;
 - (5) Is not on the employer's premises, but is on call and waiting for work, and the employee's personal activities are substantially restricted;
 - (6) Changing into and removing program-specified clothing and equipment necessary for the performance of the job;
 - (7) Participates in activities that are job-related immediately before the beginning or immediately after the end of an assigned shift;
 - (8) Travels to and from work after being recalled to work by the appointing authority or the appointing authority's designated representative after the employee has completed the standard workday;
 - (9) Travels to and from work after being called to work by the appointing authority or by the appointing authority's designated representative on the employee's scheduled day off if the employee works fewer than eight hours as a result of being called on the employee's scheduled day off;
 - (10) Travels between home and a work site other than the assigned office, in accordance with the Standard Travel Regulations;
 - (11) In accordance with this agreement, investigates and processes a disciplinary appeal or grievance, and participates at any conference or hearing relating to a grievance or appeal; or

- (12) With prior supervisory approval, uses reasonable time to investigate and process a complaint under State Personnel and Pensions Article, Title 5, Annotated Code of Maryland.
- B. Work time includes any other time defined as work time under the Fair Labor Standards Act (FLSA), if applicable.
- C. With the exception of those categories of employees cited in the Fair Labor Standards Act, 29 U.S.C. §201 et seq., or as otherwise provided in this agreement, an appointing authority may exclude meal periods and a maximum of 8 hours sleep from consideration as work time for employees who are on duty for more than 24 hours. If the employee's sleep is interrupted for the performance of work so that the employee is unable to sleep continuously for at least 5 hours, the appointing authority shall consider the entire period of sleep, up to a maximum of 8 hours, as work time.
- D. Additional Compensatory Work Time

Employees who are authorized by the Employer to perform work via the telephone in an emergency or non-emergency situation, before or after their regularly assigned tour of duty, in excess of de minimis time, shall be compensated at the straight time or overtime rate as appropriate and in accordance with the Fair Labor Standards Act. The Employer reserves the right to verify calls and require documentation of the call, including but not limited to: date, time and length of call; time spent addressing the emergency or required work; name of client or contact; reason for the emergency or required work; and signature of employee.

Section 8. Payment For Overtime Non-Exempt Employees

Employees with the approval of the Employer may elect to take compensatory time, paid at time and one-half, or for declared emergency conditions, double time, in lieu of cash payments for overtime. Employees will inform the Employer of their choice of cash overtime or compensatory time before working the overtime. Employees will be allowed to declare their election of compensatory time prior to working overtime but in no case more than on a pay period basis. Opportunities for employees to work overtime will not be affected by their election of cash or compensatory time. Employees can accrue up to 240 hours of compensatory time. Employees who work in a public safety activity, emergency response activity, or seasonal activity, can accrue up to 480 hours of compensatory time.

- A. FLSA nonexempt employees may request the substitution of compensatory time for cash overtime. Such a request must be initiated by the employee who always has the right to insist on cash payment for overtime. A request for compensatory time will be considered by the Employer on a case by case basis and approval shall not be unreasonably denied.
- B. A request to use earned compensatory time will be approved provided:
 - (1) The employee gave the supervisor reasonable notice of the employee's intention to use compensatory time; and

- (2) The employee's use of compensatory time does not unduly disrupt operations.
- C. There will be no time limit during which the employee must use his or her compensatory time. Employees shall not be required to use compensatory time. Use of such compensatory time will be granted in a fair and equitable manner. All unused compensatory time will be paid upon an employee's leaving State service or upon death, to the employee's estate, at a rate which is the higher of:
 - i. The final regular rate received by the employee; or
 - ii. The final average regular rate received by the employee during the last three years of employment.
- D. All FLSA non-exempt employees who are part-time shall earn overtime at the straight time rate until they exceed the FLSA threshold. Overtime hours exceeding the appropriate FLSA threshold shall be paid at the "time and one-half" rate. "Work time" for part time employees shall include all time described in Section 7.

Section 9. Call-Back Pay

Employees who are called to report to work on their regular day off or that have been recalled to work after having left the Employer's premises, shall be guaranteed a minimum of two (2) hours of pay plus travel time at the regular rate of pay for actual hours worked or at the applicable overtime rate, whichever is greater. Employees who are currently guaranteed a minimum of pay greater than two (2) hours shall continue to be paid at the greater minimum. Should the employee be paid for at least eight hours, travel time shall not be paid.

Section 10. Report Pay

An employee who is pre-scheduled to work an overtime shift in a 24-hour facility and reports to duty will be guaranteed three (3) hours overtime pay at the appropriate rate unless the employee is a holdover from a previous shift. The employer shall notify employees as soon as practical prior to their scheduled start time in the event the employee is not required to report for prescheduled overtime. Department of Transportation employees will continue to receive the greater benefits under callback pay when applicable.

Section 11. On-Call Pay

Employees are entitled to on-call pay if required to remain on the Employer's premises or so close thereto that he/she cannot use the time effectively for his/her own purposes. On-call payment shall be at the regular, or overtime rate of pay, whichever is applicable. An employee who is not required to remain on the Employer's premises, but is merely required to leave word a his/her home, or with the Employer where he/she may be reached, is not working while on-call. If an employee is called back to work, the provisions of Section 2 apply. Any DOT employee required to be in an on-call status shall be provided with a beeper upon request. DOT employees are not required to remain in any specified geographical boundary, however, if called, the employee shall report to work as soon as practical.

The Employer and the Union recognize that the Department of Human Resources has a regulatory requirement to respond to protective services' cases twenty-four (24) hours a day, seven days a week. It is also recognized that facilities are not continuously open which requires that staff is placed in an on-call status and that they must respond to calls in less than 1 hour. Because of the volume of calls, as documented by the workers, and that responding to calls is a bona fide emergency directly affecting public safety, it is agreed that DHR Caseworkers in an on-call status shall be compensated at \$5.15 per hour or more as approved by the DHR Secretary for their on-call time. Such employees, when in an on-call status, will be paid their regular or overtime compensation, as appropriate, when called to work. It is recognized that only non-exempt employees when they are on an on-call status will have the option of cash or compensatory time when overtime results. Exempt employees will only be eligible to receive compensatory time.

The Employer and the Union further recognize that this policy is unique to the Department of Human Resources and is not to be expanded to other employees.

Section 12. Short Turnaround Pay

Police Communication Operators of the Maryland State Police, as well as shift employees at the Department of Health and Mental Hygiene (including dietary employees), who work a non-overtime shift that begins less than twenty-four hours after the start of their previous shift, shall be paid time and one-half for all time worked on the short turnaround shift that occurs within twenty-four hours of the start of the previous days' shift.

Section 13. Flextime And Compressed Workweek Schedules

The Employer recognizes the value and benefits of compressed workweeks and flextime arrangements and encourages the development and implementation of compressed workweek schedules and flextime in appropriate work environments. Implementation will be by mutual agreement between the Employer and the Union. In addition to the above, discussion may include whether employees may have the option, but not be required, to work eight (8) consecutive hours without a meal break to complete their work requirement.

Section 14. Overtime Distribution

The Employer and the Union will discuss overtime distribution policies at the Departmental level. The Employer agrees to follow its existing overtime distribution policies until changed as a result of Employer/Union agreement.

Section 15. Wash-Up Time

The Employer shall maintain current practices.

Section 16. Report-In Procedures And Locations

All employees covered under the terms of this Agreement will be at their report-in locations ready to commence work at their starting time. Supervisors will normally excuse infrequent tardiness

(e.g., 4 per twelve month period) at work sites where the employee's absence of a very limited duration does not impair operations or generate overtime. Nothing herein shall be construed to prevent a supervisor from excusing occasional tardiness or allowing the employee to make up the time at the end of the workday upon a satisfactory explanation from the employee. When assessing discipline for tardiness, extenuating and mitigating circumstances surrounding tardiness will be taken into consideration by the Employer. Discipline for tardiness shall not normally be considered "insubordination." An employee who is charged leave or leave without pay shall not be required to work for any period covered by the charge. Employees who report to work at a work site other than their normal report-in location, which is farther from home than their normal report-in location, will have any additional travel time counted as hours worked. Time clocks or other timekeeping devices shall be immediately accessible to employees at the work site or the Employer must take the limited employee access to such devices into account when assessing tardiness.

Section 17. Rest Periods

Regular and overtime rest periods, overtime meal allowances, and the creation of unpaid lunch periods for employees who do not currently have them shall be the subject of discussion between the Union and the Employer at the Departmental level.

Section 18. Time Of Overtime Payment

The Employer agrees that one of the requirements of a request for proposal (RFP) for an automated time keeping/personnel benefits information system shall be an assessment of the cost and feasibility of real-time overtime payments. The Union will be provided with copies of the cost and feasibility study and the Employer agrees to negotiate with the Union over the timeliness of overtime payments.

Section 19. Savings

Employees who by policy, regulation, or established practice enjoy pay and/or scheduling practices that provide greater compensation than described in this Agreement shall continue to receive such greater benefit. However, if the Secretary of DBM believes such practice is not equitable, the Secretary may propose termination of the practice to the Union in accordance with Article 32 (Mid Contract Negotiations). If a practice is prohibited by law, it shall be terminated in accordance with Article 3 (Management Rights) and Article 32 (Mid Contract Negotiations).

ARTICLE 7. WAGES

Section 1. General Wage Increase

Effective July 1, 2007, a general wage increase consisting of 2% was added to each grade and step of the pay plan(s) affecting the bargaining unit employees.

If a less senior employee is designated, upon written request from the Union, the appointing authority or designee shall provide a copy of the acting capacity form as documentation of the selection.
 - e.) Should a supervisor assign an employee more than 50% of the higher-level duties of a position that is vacant or from which the incumbent is temporarily absent, the employee shall be considered designated for acting capacity pay.

An employee shall not be required to accept an acting capacity assignment if he/she would suffer a loss in pay.

Section 4. Bilingual Pay

This section does not preclude the assignment of an employee as the lead on a specific project of a limited duration (typically 90 days or less).

Section 6. Hazardous Duty Pay

Employees who have consented and are required to perform asbestos work will continue to be eligible for a 50% work differential for time spent performing such duties. Requests will not be denied unreasonably. The issue of more employees requesting the use of short-term leave than can be granted because of operational needs shall be resolved at the LMC. The Employer shall not request the reasons for the use of earned leave other than sick leave as permitted by Article 12. All leave may be used in tenth of an hour increments provided, however that use of personal leave to cover tardiness related absences shall not serve as a bar or defense to disciplinary action.

When an employee calls in accordance with established practice or policy, he/she shall leave a message if the supervisor or supervisor's designee is unavailable, or the Employer may instruct an employee to call a secondary number, and the employee will not be required to call back. The employee or designee must call each day of absence until the employee notifies the Employer of a date he/she will return to duty. The Employer shall not ask the employee to provide information as to his/her diagnosis or condition except as permitted by applicable law.

Section 3. Certificate Of Illness For Absences For Five (5) Or More Consecutive Days

The Employer shall require an employee to provide an original certificate of illness or disability only in cases where an absence is for five (5) or more consecutive workdays or in accordance with the procedures described in Section 4 below. The certificate required by this Section shall be signed by a health care provider in accordance with applicable law (SP&P 9-504).

Section 4. Certificate Of Illness For Absences Of Less Than Five (5) Consecutive Days

- C. After the first instance of an employee being absent for more than four (4) consecutive days without documentation, the employer may place the employee on notice that future absences of more than three (3) days, within a rolling twelve (12) month period, will require documentation.

Section 5. Procedures For Certification Requirement

Prior to imposing a requirement on an employee for documentation of sick leave use, the Employer shall orally counsel the employee that future undocumented absences may trigger a requirement for certification of future instances of sick leave. If the employee has another undocumented absence after such counseling, the Employer may then put the employee on written notice that he/she must certify all sick leave usage for the next six (6) months if the undocumented absences accumulate in accordance with Section 4. At the conclusion of the six (6) months, the certification requirement will be rescinded provided the employee has complied with the certification requirement. If the employee has not complied with the certification requirement, the requirement shall be extended for six (6) months from the date of the lack of compliance with the requirement. Although a requirement for certification is not a disciplinary action, an employee may grieve allegations of misapplication of this procedure.

Section 6. Chronic Conditions

Employees who suffer from chronic or recurring illnesses or disabling conditions that do not require a visit to a health care provider each time the condition is manifested, shall not be required to provide certification for each absence, provided that a general certification is provided unless the absence is for five (5) or more consecutive days. Such frequent absences shall also not be used as the basis for a certification requirement. Unless the employee has a condition identified as a permanent disabling condition, the Employer may require certification and follow-up reports from a health care provider no more frequently than every six (6) months of the continued existence of the chronic condition.

Section 7. Acceptable Documentation

For the purposes of absences of less than five (5) consecutive days, acceptable documentation shall consist of the following:

name of the provider, the date of treatment and address and telephone number of the provider.

- B. An employee who works less than his/her full work day due to having to provide care to the employee's child or member of his/her immediate family shall not be required to provide certification from an acceptable health care provider unless management has a basis to believe sick leave is being used for a purpose other than described in Section 1 above. Sick leave use in such circumstances shall not count as an occurrence under Section 4.

Section 8. Disciplinary Actions

The Employer may take appropriate disciplinary action against an employee for using sick leave for purposes other than described in law or this Agreement; for failing to properly notify the Employer of the use of sick leave; or for failure to provide appropriate documentation when properly required to do so.

The Employer may not penalize an employee with regard to scheduling overtime eligibility, performance evaluations or other right or benefit for sick leave usage for being subject to documentation requirement. This does not preclude appropriate disciplinary action for use of sick leave for purposes other than described in Section 1.

Section 9. Sick Leave Reduction Goal

The Employer and the Union agree that unscheduled absences, excessive sick leave usage and fraudulent sick leave usage unnecessarily increase overtime costs, exacerbate the workloads of other employees and negatively impacts morale. As a result, the Employer and the Union agree to form a LMC with the objective of reducing total hours of sick leave used by 10% from CY 2007 to CY 2009.

ARTICLE 13. LEAVE BANK AND LEAVE DONATION PROGRAM

Section 2. Access To Leave Bank

An employee becomes eligible for the State Employees' Leave Bank 90 days following the initial donation to the bank. Membership in the State Employees' Leave Bank is for two years, unless the leave in the bank is exhausted, at which time all employees will be notified and given the option of rejoining by donating an additional day. In these cases, employees who had served the 90-day waiting period for eligibility will not be required to serve an additional waiting period. Eligibility for use of leave from the bank will be determined in accordance with existing policy

(COMAR).

Unless there is a mandatory open enrollment, employees who take no action during open enrollment will automatically be re-enrolled in their current plans and coverage. The Employer shall ensure that health benefit fairs are held during open enrollment, that such fairs are well publicized and scheduled to facilitate employee attendance, and that the Union be provided with space at such fairs. Open enrollment information and forms will be available to all employees and the Union in a timely manner. The committee will review the EAP, EAP provider networks and EAP training programs for employees and supervisors.

Section 3. Confidentiality

Records regarding treatment and participation in the Employee Assistance Program shall be confidential and retained by the Employee Assistance Program.

In cases where the employee and the Employer have entered into a voluntary Employee Assistance Program Participation Agreement in which the Employer agrees to defer discipline as a result of employee participation in the Employee Assistance Program treatment program, the employee shall be required to waive confidentiality by signing appropriate releases of information to the extent required to enable the Employee Assistance Program to provide the Employer with reports regarding compliance or non-compliance.

In cases of supervisor referral to the Employee Assistance Program, records shall be released to the Employer solely in reference to the ability of the employee to perform the job safely and effectively and or whether the employees need to participate in the program.

In addition, the Employer shall be informed of the employee's compliance or non-compliance in the Employee Assistance Program.

ARTICLE 26. DRUG AND ALCOHOL TESTING

Section 3. Eating Areas

For employees who have an unpaid lunch (dinner) break, the Employer will provide employees with an area suitable for eating in reasonable proximity to their work area where possible. Wherever possible, the eating area will be away from residents, patients, inmates, students, and clients.

Section 4. After Hours For Department Of Human Resources Employees

Local level Labor Management Committees will periodically review currently established internal procedures for the prompt reimbursement to workers who incur expenses arising from their work duties at the Department of Human Resources. Additionally, the LMCs will explore options for emergency fund access for workers who are required to provide after hours emergency relief to clients.

ARTICLE 28. CASE LOAD MANAGEMENT GUIDELINES

Section 1. Scope

The parties recognize that the subject of caseloads for employees in DHR, DHMH, DJS, DPSCS and DLLR was an important issue for the Union during the negotiations, which resulted in this Memorandum of Understanding, and shall be a subject of discussion at these agencies.

Accordingly the parties have agreed to the following process, which has as its objective the evaluation of appropriate caseload management guidelines while also recognizing management's need

for efficient and flexible operations. Specifically, the parties agree to create caseload study subcommittees at the Departmental Level LMCs for the Departments or Agencies listed above. The subcommittees will evaluate and make recommendations to their respective Department Heads regarding:

- 1.) The types of work where caseload guidelines should be developed.
- 2.) Reasonably attainable minimum and maximum caseload management (numbers and types of cases) guidelines.
- 3.) Procedures that will be applied when caseload management guidelines are exceeded, or not met. The committee shall attempt to agree upon recommended procedures that will provide sufficient relief for the affected employee in instances where individual caseloads exceed agreed upon guidelines.
- 4.) Development of a caseload monitoring plan.
- 5.) Fiscal and legislative restrictions.
- 6.) The nature of work to be performed.

Section 2. Timetable

In order to set a timetable and procedural framework within which the subcommittees will accomplish their tasks, the parties have further agreed to the following:

The subcommittees referenced in Section 1 above will be appointed and have their first organizational meeting within six (6) weeks of the date of the MOU ratification.

Each subcommittee shall provide to the Head of the affected Department a final report no later than thirty (30) weeks after the date of the MOU ratification.

The Department Head who receives a final report will meet with the LMC to provide feedback on the report, indicating areas of acceptance and explaining the reasons **for rejecting any of the recommendations in the report.**

Section 3. Committees/Subcommittees

In the event either party believes a committee or subcommittee is not functioning appropriately, the Union's Executive Director and the Secretary of the Department (or their respective designees) shall investigate the situation and take any corrective action that they agree is appropriate.

ARTICLE 29. UNIFORMS AND EQUIPMENT

Section 1. Uniforms

The provisions of this Article apply to employees who are required to wear uniforms. The Employer shall provide the employee with five (5) sets of required uniform trousers and shirts (short and long sleeve) and the employee will be provided with sufficient uniform replacements to maintain five (5) serviceable uniforms. The Employer shall furnish American made uniform products to the extent possible.

All Department of Transportation employees shall continue to be subject to their Administration's existing policy.

- A. Subsequent to the original issue, if uniforms are in such a state of disrepair as to require replacement, they will be returned to the Supply Officer for a replacement. Replacement needs will be verified by appointing authority, or designee.
- B. All uniforms shall be in new condition and fit properly.
- C. New employees shall receive three uniforms, after 5 months they shall receive 2 additional uniforms to provide them with their 5 sets of uniform trousers and shirts.
- D. Where an employee's position and/or duties requires the wearing of safety shoes, the Employer shall either provide employees with such shoes, or provide reasonable reimbursement to employees for the purchase of shoes.
- E. The Employer shall purchase or provide reasonable reimbursement to employees who are required to wear non-prescription safety glasses. For employees who wear prescription glasses, where non-prescription safety glasses do not provide adequate protection, the Employer shall provide reasonable reimbursement for prescription safety glasses.
- F. The Employer shall provide reasonable reimbursement to employees for replacement and/or repairs of non-uniform clothing or other items worn by employees that are damaged by clients or members of the public.
- G. The appropriate labor management committee shall discuss other issues associated with uniform policies.

Section 2. Equipment

The Employer will ordinarily furnish and maintain in good condition the equipment needed by employees to perform their jobs. Employees required to supply their own equipment will be promptly reimbursed for such upon submitting a receipt. Reimbursement will be made expeditiously following submission of receipts.

ARTICLE 30. DISPUTE RESOLUTION PROCEDURE

Section 1.

Subject to any limitations of existing law, a complaint is defined as a dispute concerning the application or interpretation of the terms found only in this MOU. The provisions of this procedure shall be the only procedure for complaints concerning interpretation or application of terms found only in this MOU. Issues otherwise appealable through the existing disciplinary appeals/grievance procedures established by law or regulation are not subject to this procedure. AFSCME is the only Union representative that may represent employees in disputes regarding the terms found only in this MOU.

Section 2. Procedure

Step One

Within 15 days after the event giving rise to the complaint or within 15 days following the time when the employee should reasonably have known of its occurrence, the employee aggrieved and/or the Union representative shall discuss the dispute with the employee's immediate supervisor. The Supervisor shall attempt to adjust the matter and respond orally to the employee and/or the Union representative within three (3) days.

Step Two

If the dispute has not been settled at step one, a written complaint may be filed and presented to the employee's appointing authority and/or designee within seven days after receiving the step one response. A Union representative must sign the complaint. The appointing authority or designee shall meet with the employee and the employee's Union representative and render a decision in writing no later than twenty (20) days after receiving the complaint.

Step Three

If the complaint has not been settled at step two, a written complaint may be filed with the Head of the Principal unit within seven days after receipt of the answer at step two. The Head of the Principal unit or designated representative shall meet with the employee and the Union representative and render a written decision within twenty (20) days after receiving the written appeal. When the appointing authority is also the Head of the Principal unit, this step shall be skipped and the step two decision shall be appealed directly to step four.

Step Four

If the dispute has not been settled at Step Three, AFSCME's Executive Director, or designee, may file a written complaint with the Secretary of the Department of Budget and Management, or designee, within thirty (30) days of the Step Three response. If the Secretary, or designee, does not concur with the decision rendered at Step Three of the procedure, the Secretary, or designee, shall render a decision that is binding on the unit. If the Secretary, or designee, concurs with the Third Step decision, the Secretary, or designee, shall notify the Union within thirty (30) days.

Step Five

The Union can appeal the decision of the Secretary, or designee, within thirty (30) days to factfinding.

When factfinding is invoked, the Union and the Employer shall jointly request a list of seven (7) neutral factfinders from the FMCS. The parties will meet within fifteen (15) days of receipt of the FMCS list to seek agreement on one of the listed factfinders. This meeting may take place on the telephone. If the parties cannot agree on a factfinder, the Employer and the Union will alternately strike one name from the list until a single name remains. A flip of the coin shall determine who shall strike the first name.

The factfinder shall resolve all questions related to the procedure. Upon mutual agreement of the parties, threshold issues may be resolved prior to the parties proceeding with the substantive issues involved in the case. The cost of the fact-finder shall be shared equally by the parties.

Appeal of Fact Finder's Decision

If the Employer or the Union disagree with the fact-finder's decision, an appeal may be filed with the State Labor Relations Board within thirty (30) days of receipt of the decision in accordance with the Board's regulations. Only the Union's Executive Director or the Governor's designated collective bargaining representative may appeal a fact-finder's decision.

Section 3. General Provisions

- A. As used in this Article, "days" means calendar days. If the last day a response or action is due falls on a Saturday, Sunday, or State holiday, the deadline shall be extended to the next non-holiday weekday. All deadlines in this Article may be extended by mutual agreement. Time limits for the processing of complaints are intended to expedite dispute resolution and, if not extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may then be invoked. If the employee or Union fail to pursue any step within the time limits provided, he/she shall have no further right to continue to seek resolution of that dispute.

A failure by management to provide a response in the time required shall be deemed a denial of the complaint. A failure to appeal such denial within ten (10) calendar days of the date a response was due shall constitute a withdrawal of the complaint except that the Union shall have thirty (30) days from the date the response was due to invoke step four. The Employer shall ensure that its supervisors and representatives do not repeatedly fail to respond to complaints in a timely manner and shall also ensure that its designees are authorized to settle matters subject to the complaint.

- B. If a dispute arises from the action of an authority higher than the immediate supervisor, such dispute may be initiated at the appropriate step of this procedure.
- C. Each agency shall provide the Union with a list (including telephone number, fax number and mailing address) of its appointing authorities and Heads of Principal units (or designees).
- D. Only designated Union representatives may represent employees or file appeals under this procedure. For purposes of this Article, stewards, Union staff and Union officers shall be considered designated Union representatives. The Union will provide a list of the names of the aforementioned (to include telephone numbers, fax numbers and mailing addresses) to the Executive Director of the Office of Personnel Services and Benefits. An employee's complaint must be signed by a Union representative of AFSCME.
- E. Stewards and Union representatives referred to in this procedure shall be granted reasonable time off with pay to process disputes pursuant to this Article during working hours. Meetings scheduled pursuant to this Article shall be scheduled at a mutually agreeable time during the regular working hours of the Union representative and Employer representative, if possible, but such meetings may be waived by mutual agreement. If the Union and Employer representative do not work on an overlapping schedule, the meeting shall be scheduled during regular day shift hours and, upon request

of the Union representative, his/her schedule shall be adjusted if it is consistent with operational needs without regard to the restrictions in Article 6, Hours of Work. There shall be no overtime or compensatory time earned for the processing of a complaint or attendance at a meeting under this Article.

F. A written complaint shall state the issues including a citation to the relevant portion of the MOU allegedly being violated.

G. Each party shall make every effort to resolve a dispute at the lowest level possible.

ARTICLE 31. ACCOUNTABILITY

Supervisors shall not knowingly violate the rights of employees contained in the MOU; but if such violations occur, management shall take corrective action, including progressive discipline where appropriate.

ARTICLE 32. MID-CONTRACT NEGOTIATIONS

Section 1.

The Employer and the Union acknowledge their mutual obligation to negotiate as defined and required by law over Employer proposed changes in wages, hours and other terms and conditions of employment affecting bargaining unit employees not specifically covered by this Agreement. The Union's ability to negotiate does not provide the Union with a "veto" power over Employer initiated changes and shall not unduly delay the implementation of Employer initiated changes. The Employer expressly agrees not to propose changes in working conditions that are mandatory subjects of bargaining to the General Assembly that have not been subject to the bargaining process described in this Article.

Section 2.

The obligation to bargain is limited to those changes that will substantially affect the working conditions of bargaining unit employees.

The minimum notice to the Union of an intended change in working conditions is fifteen (15) days. If required to meet a legislative mandate or an emergency situation, management will notify the Union as soon as possible.

The Union may request bargaining within this fifteen (15) day period and shall submit proposals in response to the Employer's intent to change working conditions within ten (10) days of its request to bargain.

Section 3. Mediation.

If after good faith negotiations at the local level, the parties are unable to reach an agreement on a mandatory subject of bargaining, the issue will be forwarded to the Executive Director of the Office of Personnel Services and Benefits and the Executive Director of AFSCME to negotiate the issue.

At this point, if an agreement still has not been reached, either party may request the assistance of a mediator from the Federal Mediation Conciliatory Services (FMCS). Should there be a cost involved, this cost will be the responsibility of the party requesting the mediator.

If the mediator is unable to bring the parties to an agreement, both sides will ask for a recommendation. If the recommendation does not support the State's position, the State may implement its proposal upon providing written notification to the Union identifying the reason(s) the State is going forward with the proposed change. However, this procedure does not prevent the State from implementing proposed changes in an emergency situation declared by the Governor, or when the proposed changes are required to meet a legislative _mandate.

ARTICLE 33. MISCELLANEOUS

Section 1. Agreement

To the extent that this Agreement addresses matters covered by existing or future administrative rules, regulations, guidelines, policies or practices, that are mandatory subjects of Bargaining, management agrees to make any necessary changes in the rules, etc. to be consistent with this agreement. References in this Agreement to "COMAR," "rules" "regulations," or "Transportation Services Human Resources System (TSHRS)," is understood by the parties to be negotiable when consistent with the law under Article 32.

Section 2. Preservation Of Benefits

The Employer agrees not to make changes to State statutes, administrative rules, regulations, guidelines, TSHRS or policies that are mandatory subjects of bargaining per the law until negotiated in accordance with this agreement (Article 32).

ARTICLE 34. SAVINGS

Should any part of this Agreement be declared invalid by operation of law or by a tribunal of competent jurisdiction, the remainder of the Agreement shall not be affected but shall remain in full force and effect. In the event any provision is thus rendered invalid, upon written request of either party, the Employer and the Union shall meet promptly and negotiate a substitute for the invalid Article, Section or portion thereof.

ARTICLE 35. CHILD CARE

At the request of the Union, the Union and the Employer agree to form a statewide joint labor-management committee on childcare. The committee will be composed of six (6) representatives for the Union and six (6) representatives for the Employer.

ARTICLE 36. WORK STOPPAGES

It shall be a violation of this Agreement for the Union to engage in a strike or work stoppage against the State of Maryland. The Union shall forfeit its status as the exclusive representative of

employees in this bargaining unit if the Union engages in a strike or work stoppage against the State of Maryland.

ARTICLE 37. HEALTH AND SAFETY

Section 1. General Duty

The Employer will provide, to the extent possible, safe, secure, healthful working conditions for all employees. The Employer agrees to comply with the federal Occupational Safety and Health Act (OSHA) and all other applicable federal, State and local laws and regulations, and departmental safety rules and regulations. All employees shall comply with all safety rules and regulations established by the Employer.

Section 2. Unsafe Conditions

In accordance with 29 CFR § 1977, occasions might arise when an employee is confronted with a choice between not performing assigned tasks or subjecting himself/herself to serious injury or death arising from a hazardous condition at the workplace. If the employee, with no reasonable alternative, refuses in good faith to expose himself/herself to the dangerous condition, he/she would be protected against subsequent discrimination. The condition causing the employee's apprehension of death or injury must be of such a nature that a reasonable person, under the circumstances then confronting the employee, would conclude that there is a real danger of death or serious injury and that there is insufficient time, due to the urgency of the situation, to eliminate the danger by resorting to regular statutory enforcement channels. In addition, in such circumstances, the employee, where possible, must also have sought from his employer, and been unable to obtain, a correction of the dangerous condition.

Section 3. Health And Safety Committees

In order to provide a safe and healthful workplace, principal unit level LMC's shall establish Health and Safety Committees where they do not already exist and at the request of the Union. Each committee will be composed of an equal number of representatives appointed by the Union and the Employer and will be co-chaired by a Union and Employer representative. A Union representative must be a member of the unit but either party may be accompanied by staff and/or other subject matter experts who may participate, but not vote, at meetings. Each party shall prepare and submit an agenda to the other party one week prior to any scheduled meeting. If neither party submits an agenda, the meeting shall be canceled.

Each committee's general responsibility will be to provide a safe and healthful workplace by recognizing hazards and recommending the abatement of hazards and educational programs. Each committee will:

1. establish an accident reduction target for each fiscal year;
2. Meet on an established schedule;
3. arrange periodic inspections to detect, evaluate and offer recommendations for control of potential health and safety hazards;
4. appoint members of the committee to participate in inspections, investigations, or other established health and safety functions to the extent necessary;

5. receive and review a quarterly summary of job-related health and safety reports including accident reports and make appropriate recommendations;
6. investigate all types of employee job-related accidents and all types of occupational illnesses and make recommendations;
7. promote health and safety education;
8. study the use of VDTs and make appropriate recommendations to ensure the health and safety of employees regarding such use;
9. maintain and review minutes of all committee meetings; and
10. review the availability and adequacy of first aid supplies and equipment and address any inadequacies;
11. review and recommend any measures to maintain a secure work force in view of the potential for a terrorist threat.

In cases where summary reports are provided, a committee member may request and receive an individual case file or report. In no case will an employee's records be provided when the law forbids disclosure. In addition, employees' names will normally be deleted but may be provided to all committee members in instances where committee members need to know the name(s) of employee(s) to effectively represent the bargaining unit(s) and disclosure of name(s) is not prohibited by law. The Employer may require committee members and union representatives to sign confidentiality statements.

Members of each Health and Safety Committee will be paid by the Employer while performing committee duties, including travel time, and will also be paid for any time spent in committee approved training related to health and safety. The Committee will develop an annual training program for its members.

Each Health and Safety Committee will establish rules consistent with the above principles. A mechanism to coordinate the efforts of individual Health and Safety Committees will be established at each agency

Section 4. Personal Protective Clothing And Equipment

The Employer will provide all personal protective clothing and/or equipment that are required by applicable laws, regulations, and policies. The Employer shall purchase or provide reasonable reimbursement to employees who are required to wear non-prescription safety glasses. For employees who wear prescription glasses, where non-prescription glasses do not provide adequate protection, the Employer shall provide reasonable reimbursement for prescription safety glasses.

Section 5. Communicable Diseases

Employees will be provided with information on all communicable diseases to which they may have routine workplace exposure. Training provided to employees will include the symptoms of the diseases, modes of transmission, methods of self-protection, proper workplace procedures, special precautions, recommendations for immunization and any relevant regulations, guidelines and CDC recommended precautions.

Employees who have any contact with blood and other body fluids will be offered Hepatitis B vaccinations and follow up testing and vaccination at the Employer's expense.

Any screening of incoming clients, residents or inmates in health care facilities or residential or correctional institutions for communicable diseases will be performed according to relevant Centers for Disease Control (CDC) guidelines. If a resident or inmate is found to carry a communicable disease, all appropriate precautions will be taken.

The Employer will comply with the latest CDC guidelines on post exposure treatment whenever an employee receives an exposure, while on duty, to potentially infectious bloodborne or otherwise transmittable diseases, except for cases of employee misconduct or gross negligence. Employer arranged testing associated with such diseases will be paid by the Employer and will be done on work time.

Section 6. Cardiopulmonary Resuscitation (CPR) Training

Ongoing CPR training will continue to be provided in accordance with current practice at Employer cost. The Employer will develop emergency facility evacuation plans and provide appropriate training, including fire drills.

Section 7. Ergonomics/Back Injury Prevention

At the request of the Union, the Employer and the Union shall establish an Ergonomics Committee which shall consider and make recommendations on methods to prevent injuries. The Ergonomics Committee will develop an informational program on musculoskeletal disorders (MSDs) and their causes for referral to management for its review and subsequent dissemination to the work force.

Section 8. Staffing Levels

To the extent legislative appropriations and PIN authorizations allow, safe staffing levels will be maintained in all institutions where employees have patient, client, inmate or student care responsibilities. In July of each year, the Secretary or Deputy Secretary of each agency will, upon request, meet with the Union, to hear the employees' views regarding staffing levels. In August of each year, the Secretary or Deputy Secretary of Budget and Management will, upon request, meet with the Union to hear the employees' views regarding the Governor's budget request.

Section 9. Asbestos

All employees who work with or around asbestos shall have the proper required training and personal protective equipment where necessary. When an asbestos hazard is discovered, employees shall be promptly notified of the existence and location of the hazard.

Section 10. Workplace Violence

The Employer, in cooperation with the Union, shall develop a comprehensive workplace violence prevention program. As a part of this program, the Employer will provide training in

handling violent and aggressive patients, customers, inmates, and co-workers. Such training shall be provided at least annually to all employees who deal with patients in DHMH facilities, and to all employees in Juvenile Services and Public Safety positions, who come in contact with inmates or juvenile offenders. Other employees shall receive such training at a frequency to be decided by the appropriate health and safety committee.

In the event an employee is threatened or attacked, he/she may take appropriate legal action and will be released from duty with pay for the time necessary to file the report.

Where armed security personnel are deployed, such personnel will escort employees to their vehicles after normal business hours upon request.

Section 11. Indoor Air Quality

The Employer shall ensure a healthful air quality and attempt to ensure comfortable air temperature in buildings it owns and in space that it leases.

Section 12. Reproductive Hazards

Any pregnant employee assigned to work in an environment that may be harmful to the pregnancy or to the fetus may request reassignment to alternative work, at equal pay, within her department. Such environments include, but are not limited to, exposure to toxic substance such as ethylene oxide or lead, communicable disease such as cytomegalovirus or rubella, physical hazards, or where there is a reasonable expectation of violence against the employee. Management shall assess any suspected hazard on a case-by-case basis. The Employer shall attempt to accommodate such a request.

Section 13. Physical Exams

The Employer agrees to provide without cost to employees, physical examinations and/or other appropriate tests when such tests are deemed necessary by management to determine whether the health of employees is being or has been adversely affected by exposure to potentially harmful physical agents, toxic materials, or infectious agents, or by attacks and assaults. The Employer agrees to provide to each affected employee who requests it a complete and accurate written report of any such medical examination or other appropriate tests related to occupational exposure. Additionally, written results of an industrial hygiene measurements or investigations related to an employee's occupational exposure will also be provided, upon request, to the employee or the employee's authorized representative. The Union and/or members of the applicable Health and Safety Committee will be provided copies of summary reports, but such reports will not contain personally identifying information.

Section 14. Duty To Report

All employees who are injured or who are involved in an accident during the course of their employment must fill out an accident report as soon as possible but not more than three (3) working

days after the injury on forms furnished by the Employer. Employers may not unreasonably require the employee to delay medical treatment for the purpose of filling out forms.

Section 15. Vehicle Inspection

All State agencies must have a formal vehicle inspection program for State vehicles to assure that vehicles are clean, properly equipped, maintained, and in good repair. Each program must provide:

1. the designation of a responsible official for the program and notification to the Union and employees of the name and contact information of that individual;
2. inspections conducted at least every six months;
3. maintenance of inspection records at agency headquarters and allowance for inspection by any employee or the Union;
4. correction of unsatisfactory conditions within seven (7) days and such action shall be recorded on the inspection sheet.

Section 16. Imminent Weather Related Conditions

ARTICLE 38. LAYOFFS AND SEPARATIONS FOR LACK OF APPROPRIATION

Section 1. Layoff/Separations

The Employer agrees that prior to deciding a layoff, or a separation for lack of appropriations, the Employer will consider all of its reasonable alternatives. Prior to imposing a layoff or a separation for lack of appropriations, the Employer will meet with the Union in an effort to develop appropriate arrangements for affected employees. All layoffs shall be in strict conformance with applicable law and regulation including State Personnel and Pension Article '11-206 regarding seniority points. The Secretary will have 30 days from receipt of the proposed side agreement to review and approve unless a longer period of time is requested. Should the Secretary not approve the supplemental side agreement, the local parties shall be notified.

If approved at this level, it is forwarded to the Executive Director of the Office of Personnel Services and Benefits and AFSCME who will have twenty-one (21) days to review and approve, unless a longer period of time is requested. If for any reason the side agreement cannot be approved at this level, the Secretary of the respective Department shall be notified.

Such side agreements may not change the terms of the MOU but may supplement the MOU. Upon sign off by all parties, side agreements shall be enforceable under the terms and for the duration of the current MOU.

ARTICLE 41. DEFINITIONS
