

PREAMBLE

This Memorandum of Understanding (“MOU”) is entered into by the State of Maryland (“Employer”) and the State Law Enforcement Officers Labor Alliance (“Union”), and has as its purpose the promotion of harmonious relations between the Employer and the Union; the establishment of an equitable and peaceful procedure for the resolution of differences without disruption in the workplace; and includes the agreement of the parties on the standards of wages, hours and other terms and conditions of employment for the Bargaining Unit employees covered hereunder. The Employer recognizes the commitment of the Union and employees to organizational efficiency and high quality services and will actively encourage the sharing of concerns regarding management practices, policies and procedures. This MOU, including any appendices hereto, applies to all departments/agencies of the State whose employees are in the bargaining unit covered by this MOU, except as to those provisions of this MOU that are expressly limited to a particular department/agency.

It is understood that agreements on issues requiring approval by the General Assembly of Maryland are tentative pending approval of the General Assembly of Maryland. The provisions of this MOU shall in no way diminish or infringe any rights, responsibilities, power or duties conferred by the Constitution of the State of Maryland and the Annotated Code of Maryland, including Title 3, State Personnel and Pension Article (the State Employee Collective Bargaining Law), as amended, and all laws are hereby incorporated in this MOU as if fully set forth herein and, except as provided in Article III, in the event of a conflict between this MOU and the law, the law shall prevail.

Section 2. Integrity Of The Bargaining Unit

In the event the Employer proposes to use non-bargaining unit individuals to displace continuing bargaining unit positions, it will provide the Union with notice at the earliest opportunity, but normally at least seventy-five (75) days in advance. Commanders will not be assigned bargaining unit work for the purpose of limiting overtime opportunities for bargaining unit employees except when fiscal or operational exigencies necessitate.

Section 3. Inclusion/Exclusion Of Existing And New Classifications

If it is believed that the bargaining unit status of a classification has changed, the Employer or the Union, whichever is proposing the change, shall notify the other. Following such notice, the parties shall meet and attempt to resolve any disagreements about the issue. The Employer will promptly notify the Union of all decisions to establish new classifications. If a new classification is a successor title to a classification covered by this MOU with no substantial change in duties, it shall become part of this bargaining unit. Where the Union believes a new classification contains a significant part of the work done by any classification in this bargaining unit or shares a community of interest with classifications in this bargaining unit, the Union may notify the Employer, within thirty (30) days of receiving notice of the new classification, that it believes the classification should be in this bargaining unit. The parties will then meet to review the classification specifications and attempt to resolve the issue.

ARTICLE II - NON-DISCRIMINATION

Section 1. Prohibition Against Discrimination

It is the policy of the State to prohibit discrimination in employment against any employee or applicant for employment because of race, age, color, religion, creed, sex, sexual orientation, political affiliation, country of national origin, ancestry, genetic information, gender identity or expression, mental or physical disability, marital status, or labor organization affiliations, and to promote and implement a positive and continuing program of equal employment opportunity.

The Union will notify the Employer in writing of the names of the designated stewards prior to them assuming any duties. reasonable notice to his/her supervisor of such absence. Reasonable notice for Union sponsored meetings and conventions listed above is at least fifteen (15) days and the Employer shall respond within fifteen (15) days of receiving the representative's notice. Disciplinary appeals **or** grievances otherwise appealable through procedures established by law or regulation are not subject to this procedure.

Section 2. Procedure

Complaints regarding the MOU shall be presented and adjusted in the following manner:

Step One

Within 15 days after the event giving rise to the complaint or within 15 days following the time when the employee should reasonably have known of its occurrence, the employee aggrieved and/or the Union representative shall discuss the dispute with the employee's immediate supervisor. The Supervisor shall attempt to adjust the matter and respond orally to the employee and/or the Union representative within three (3) days.

Step Two

If the dispute has not been settled at step one, a written complaint may be filed and presented to the employee's appointing authority and/or designee within seven days after receiving the step one response. A Union representative must sign the complaint. The appointing authority or designee shall meet with the employee and the employee's Union representative and render a decision in writing no later than twenty (20) days after receiving the complaint.

skipped and the step two decision shall be appealed directly to step four.

The parties will meet within fifteen (15) days of receipt of the FMCS list to seek agreement on one of the listed fact-finders. This meeting may take place on the telephone. If the parties cannot agree on a fact-finder, the Employer and the Union will alternately strike one name from the list until a single name remains. A flip of the coin shall determine who shall strike the first name.

The fact-finder shall resolve all questions related to the procedure. Upon mutual agreement of the parties, threshold issues may be resolved prior to the parties proceeding with the substantive issues involved in the case. The cost of the fact-finder shall be shared equally by the parties.

If the last day a response or action is due falls on a Saturday, Sunday, or State holiday, the deadline shall be extended to the next non-holiday weekday. All deadlines in this Article may be extended by mutual agreement. Time limits for the processing of complaints are intended to expedite dispute resolution and, if not extended, must be strictly observed. If the matter in dispute is not resolved within the time period provided for in any step, the next step may then be invoked. If the employee or Union fails to pursue any step within the time limits provided, he/she shall have no further right to continue to seek resolution of that dispute.

Failure by management to provide a response in the time required shall be deemed a denial of the complaint. A failure to appeal such denial within ten (10) calendar days of the date a response was due shall constitute a withdrawal of the complaint except that the Union shall have thirty (30) days from the date the response was due to invoke step four. The Employer shall ensure that its supervisors and representatives

do not repeatedly fail to respond to complaints in a timely manner and shall also ensure that its designees are authorized to settle matters subject to the complaint.

- C. Each agency shall provide the Union with a list (including telephone number, fax number and mailing address) of its appointing authorities and Heads of Principal units (or designees).

The Union will provide a list of the names of the aforementioned (to include telephone numbers, fax numbers and mailing addresses) to the Executive Director of the Office of Personnel Services and Benefits. An employee's complaint must be signed by a Union representative of SLEOLA.
- E. Stewards and Union representatives referred to in this procedure shall be granted reasonable time off with pay to process grievances pursuant to this Article during working hours. Meetings scheduled pursuant to this Article shall be scheduled at a mutually agreeable time during the regular working hours of the Union representative and Employer representative, if possible, but such meetings may be waived by mutual agreement. If the Union and Employer representative do not work on an overlapping schedule, the meeting shall be scheduled during regular day shift hours and, upon request of the Union representative, his/her schedule shall be adjusted if it is consistent with operational needs of the agency.
