3. On the **Open Enrollment** page you will see “tiles” for each coverage type. The benefit elections are listed by category: Medical, Prescription, Dental, Life Insurance, etc. All current elections will display. You can select the **Manage** or **Enroll** button for each category to enroll or make changes to current elections.

- A **Manage** button indicates an enrollment in this category
- An **Enroll** button indicates coverage is waived in this category

4. In this example, we will click the **Manage** button in the Medical category.

By clicking the **Manage** button the system will open up the Medical selections where you have options to select a Medical plan, change your Medical plan, Waive Medical coverage and add or remove a dependent.

The screenshot shows the 'Open Enrollment' page with a projected total cost of \$21.24. It is divided into 'Health Care and Accounts' and 'Insurance' sections. Under 'Health Care and Accounts', there are tiles for Medical (CareFirst BCBS EPO, \$184.94, Employee + Family, 3 dependents), Prescription (Drug, \$10.14, Employee + Family, 3 dependents), and Dental (United Concordia DPO, \$46.16, Employee + Family, 3 dependents). Below these are tiles for Healthcare FSA and Dependent Care FSA, both marked as 'Waived'. Under 'Insurance', there are tiles for Life Ins - Guaranteed (Waived), Life Ins - Supplemental (Waived), Spouse Life (Waived), Child Life (Waived), and AD&D (Waived). At the bottom, there are buttons for 'Review and Sign' and 'Save for Later'.

This is a close-up of the Medical category tile. It shows the plan name 'Medical CareFirst BCBS EPO (Employee)', the monthly cost of \$184.94, the coverage type 'Employee + Family', and 3 dependents. The 'Manage' button at the bottom is highlighted with a red box.
