Reminders:

- **New Non-State Employees in SPS, Satellite Employees for Benefits Only**

Satellite Agencies have been loaded into Workday to utilize the benefit module. This means that there are employees who may be rehiring or transferring into your SPMS agency or leaving your agency to the Satellite agency through Workday. The employees from these agencies should be handled as non-SPMS agencies. Satellite Agencies are **NOT** State agencies and the employees are **NOT** State employees

Transfer transaction is not used in SPS.

For employees leaving your agency to be employed at a Satellite Agency:

- You will need to **terminate** your employee with the reason: transferring to a Non SPMS agency

For employees that your agency is hiring from a Satellite Agency:

- You will use the correct **Rehire or Add Additional Employee** Job reason addressing reinstatement to rehire anyone into your agency from a Satellite agency. In JobAps, the corresponding Action for Add Additional Job is “**Secondary State Employment**”.

The Sup Orgs for Satellite agencies will have a name and their agency code in parenthesis. Example: Town Of Queenstown (950012). They will roll-up to Satellite Benefit Agencies.

- **Confidentiality Agreement HR Support Employees in SPMS, 3rd Quarter, February 9thEvent**

As a reminder and as part of our ongoing efforts to keep Personally Identifiable Information (PII) confidential, we have been distributing a Confidentiality Agreement on a quarterly basis for all SPMS support roles. You receive this agreement as an event in your SPS inbox each quarter. The last event was delivered on Feb. 9th. Please make sure all support staff are completing this process. They are asked to review the agreement and check the box to confirm and acknowledge their agreement with the document.

The **SPMS Review and Acknowledge Confidentiality Agreement Status report** helps the agencies follow up with staff that have not completed the agreement in a timely manner. This report shows staff that did not complete the task and includes the staff email address for easy reminders to staff. Please make sure you are running the report for the correct agreement by the date of the agreement, when selecting the event. The name of the most recent document is ***Review and Acknowledge Confidentiality Agreement for State of Maryland Supervisory Organization (2/9/2024)***.
