

Board of Public Works

MISSION

In order to protect and enhance the State's fiscal integrity, the Board of Public Works ensures that significant State expenditures are necessary, appropriate, fiscally responsible, fair, and lawful. In reviewing and approving capital projects, procurement contracts, impacts to the State's tidal wetlands, and the acquisition, use and transfer of State assets, the Board assures Maryland citizens, legislators, government contractors, bond-rating houses, and Federal funding partners that executive decisions are made responsibly and responsively.

VISION

A State in which Maryland citizens are confident that government actions concerning the stewardship of State assets and State's tidal wetlands, and the expenditure of General, Special, Federal, and General Obligation Bond funds are taken in a prudent, open, and fiscally responsible manner.
