

USM - University of Maryland Eastern Shore

MISSION

The University of Maryland Eastern Shore (UMES), the State's Historically Black 1890 Land-Grant institution, has its purpose and uniqueness grounded in distinctive learning, discovery, and engagement opportunities in the arts and sciences, education, technology, engineering, agriculture, business, and health professions. UMES is a student-centered, doctoral research degree-granting university known for its nationally accredited undergraduate and graduate programs, applied research, and highly valued graduates. UMES provides individuals, including first-generation college students, access to a holistic learning environment that fosters multicultural diversity, academic success, and intellectual and social growth. UMES prepares graduates to address challenges in a global knowledge-based economy, while maintaining its commitment to meeting the workforce and economic development needs of the Eastern Shore, the State, the nation, and the world.

VISION

UMES will strategically maintain its doctoral research university classification and serve as a national model for producing globally competent citizenry in the 21st century by: (i) providing access to high quality, values-based educational experiences, especially to individuals who are first generation college students of all races, while emphasizing multicultural diversity and international perspectives; (ii) recruiting and retaining outstanding students, faculty, and staff who will learn, work and conduct world class research and development engagements that address the challenges of the future; and (iii) creating a culture to develop a systematic approach to successfully close the student achievement gap.
