

# Uninsured Employers' Fund

## MISSION

The Uninsured Employers' Fund (UEF) strives to promptly pay awards ordered by the Workers' Compensation Commission in favor of injured workers against non-insured employers who default on payments, and to maintain an adequate fund balance from which to pay claims through the collection of applicable fines, assessments, and benefit recoveries.

## VISION

**Goal 2. To monitor awards and follow established procedures to ensure prompt payment to claimants and health care providers.**

**Obj. 2.1** By the use of active case monitoring, the agency will promptly initiate the appropriate benefit payments for each case following the determination of the Fund's legal obligation.

**Goal 3. To track and collect fines, assessments, and awards benefits paid by the Fund, and to maintain the adequacy and integrity of the Fund balance.**

**Obj. 3.1** The agency seeks to maximize its collections from non-insured employers utilizing all legal processes including, as a last resort, Central Collections.

**Obj. 3.2** To ensure that adequate funds are available from which to pay claims, the ratio of total Fund expenditures to total collections will remain less than 1:1. (Maryland law permits increasing the one percent permanency award assessment rate if required. Funds from this source are reliable as the payers are primarily insurance companies.)
