

Maryland Institute for Emergency Medical Services Systems

MISSION

Consistent with Maryland law and guided by the Emergency Medical Services (EMS) Plan, to provide the resources (communications, infrastructure, grants, and training), leadership (vision, expertise, and coordination), and oversight (medical, regulatory, and administrative) necessary for Maryland’s statewide emergency medical services system to function optimally and to provide effective care to patients by reducing preventable deaths, disability, and discomfort.

VISION

To be a state EMS system acknowledged as a leader for providing the highest quality patient care and sought out to help other EMS systems attain the same level of quality care.
