Dear Secretaries and Agency Heads:

The Department of Budget and Management (DBM) establishes Meal and Incidental Expense (M&IE) reimbursement rates for the State of Maryland. These rates are generally in line with federal General Services Administration (GSA) rates; however, are not merely reflective of these rates.

I have determined that an increase in M&IE rates is appropriate and have authorized increases effective June 1, 2022, with the new rates to be reflected on DBM's website at that time. Also, please find the attached charts denoting our current rates, as well as the revised rates.

Should you have any questions concerning this correspondence, feel free to contact our Travel Administrator, Mr. Joseph Consoli, at 410-260-7195 or by email at joseph.consoli@maryland.gov.

Sincerely,

David R. Brinkley
Secretary
