

Disparity Grant, Department of Budget and Management

\$5.0 Million (A15000.01)

Mission: Department of Budget and Management

The Department of Budget and Management helps the Governor, State agencies, and their employees provide effective, efficient, and fiscally sound government to the citizens of Maryland. We support agency efforts to achieve results by helping them obtain the fiscal, capital, and personnel resources needed to provide services to Maryland citizens. We are dedicated to providing advice and assistance with professionalism, state-of-the-art technology, modern management techniques, and teamwork.

Purpose: Recovery Now Funding

Disparity Grants shall be distributed as follows: \$3,498,738 to Prince George’s County, \$360,034 to Dorchester County, and \$1,141,228 to Wicomico County.

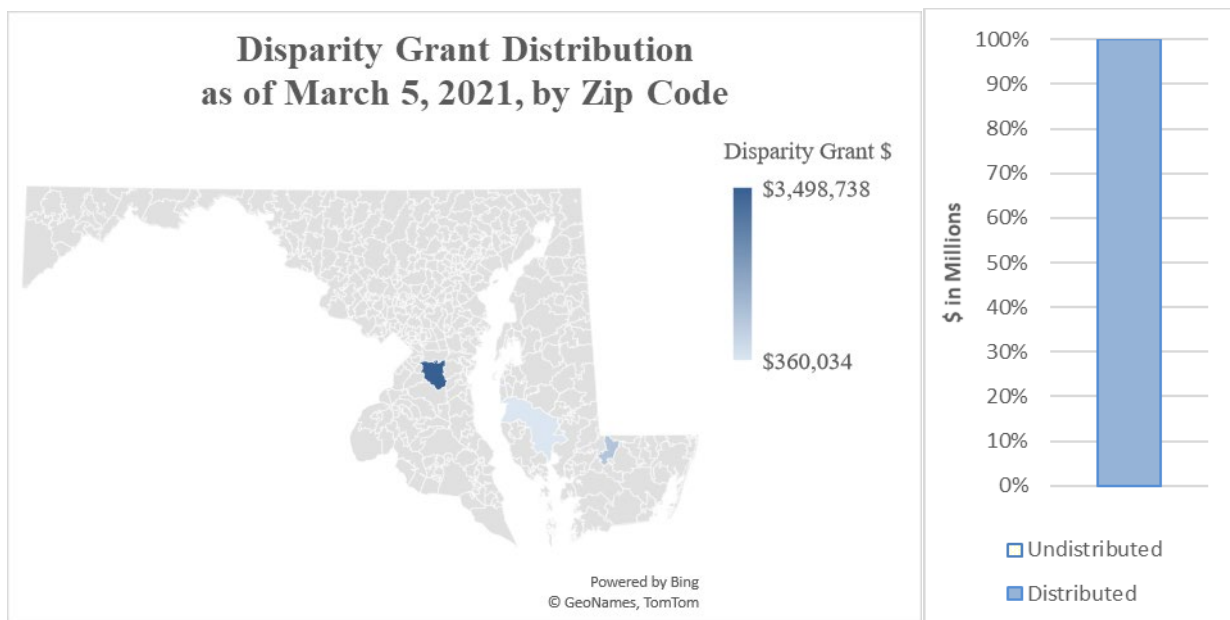

Program Highlights and Plans to Allocate Remaining Balance:

- Funding has been distributed to Prince George’s, Dorchester, and Wicomico Counties.
- An additional \$10.2 million in general funds is being provided to six counties in supplemental budget #5.

Programmatic and/or Implementation Issues:

- No programmatic or implementation issues are anticipated.
