QUESTIONS AND RESPONSES #12 SOLICITATION NO. Q0016025

DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES PHARMACY SERVICES APRIL 3, 2018

Ladies/Gentlemen:

This list of Questions and Responses #12, question #288 is being issued to clarify certain information contained in the above RFP.

In most instances, the Department's response to the submitted questions merely serves to clarify the existing requirements of the RFP. Sometimes, however, in submitting questions potential Offerors may make statements or express interpretations of contract requirements that may be inconsistent with the Department's intent. To the extent that the Department recognizes such an incorrect interpretation, the provided answer will note that the interpretation is erroneous and either state that the question is moot once the correct interpretation is explained or provide the answer based upon the correct interpretation.

No provided answer to a question may in and of itself change any requirement of the RFP. If it is determined that any portion of the RFP should be changed based upon a submitted question, the actual change may only be implemented via a formal amendment to the RFP. In this situation the answer provided will reference the amendment containing the RFP change.

288. The REVISED answer to Question #171 (from Questions and Responses (Q&A) #1 issued October 13, 2017) is as follows:

171. Please outline any staff for current contractor working in any MD DOC facilities other than the 5 clinical PharmDs and the Clinical Liaison.

RESPONSE: The RFP requirement in the current solicitation no. Q0016025 only requires that five (5) full-time equivalent (FTE) Clinical Pharm.D.s, licensed by the Maryland Board of Pharmacy, work on-site 40 hours per week at various DPSCS facilities, as directed by the DPSCS CM or CMO. See also RFP Section 3.2.17.
