**46-S-OPT. SERVICES OPTION (cont'd)**

**MBE/VSBE Participation:** 4.0% / 0.5% (Administrative Fees)

**MBE/VSBE Compliance:** 1.6% / 0.98%

**Performance Security:** N/A

**Requesting Agency Remarks:** This renewal option is determined to be in the best interest of the State because it will allow State to facilitate a successful transition between the current contractor and a future contractor, in keeping with BPW Advisory 1995-1 7a(2), by aligning the terms all of the Department’s medical benefit contracts to allow for a unified re-procurement effort, which will benefit participation of the vendor community and alleviate the burden of responding to multiple procurements. Conducting a unified re-procurement will also promote administrative efficiencies and the opportunity for more competitive pricing for the State.

CareFirst is working to collectively revise its existing MBE Plan to add nine new firms, creating a new MBE plan under an upcoming modification. Once completed and fully executed they will be authorized to count and utilize these additional firms toward compliance and achievement during this final renewal option.
