QUESTIONS AND ANSWERS # 4
PROJECT NO. F10B8200018 WebFleetMaster (WFM) Support
August 6, 2008

Ladies/Gentlemen:

This Question and Answer #4 (No. 13) is being issued to answer a question recently received. The statements and interpretations of contract requirements, which are stated in the following question of potential offerors, are not binding on the State, unless the State expressly amends the RFP. Nothing in the State's response to this question is to be construed as agreement to or acceptance by the State of any statement or interpretation on the part of the vendor asking the question as to what the contract does or does not require.

13. On page 24, Section 3.4.2.4 Offeror Experience and Capabilities, the RFP states:

As part of its offer, each Offeror is to provide a list of references for which similar software maintenance and support services have been provided, in the following categories:

However, nothing is listed after the phrase "in the following categories:" Are there specific categories to address, or should the sentence end after the word "provided"?

RESPONSE:

There are no specific categories to address in Section 3.4.2.4, Offeror Experience and Capabilities, so the sentence should end after the word provided. Amendment # 2 will be issued to address this correction to the RFP section 3.4.2.4.

Remember offers are due on August 13, 2008 no later than 2:00 p.m. If there are questions concerning this solicitation, please contact me via e-mail at jepstein@dbm.state.md.us or call me at (410) 260-7570 as soon as possible.
