PREAMBLE

This Memorandum of Understanding (“MOU”) is entered into by the Maryland Transportation Authority (“Employer”) and the Maryland Transportation Authority Police Lodge #34, Fraternal Order of Police Inc., (“Union” or “FOP 34”), and has as its purpose the promotion of harmonious relations between the Employer and FOP 34; the establishment of an equitable and peaceful procedure for the resolution of differences without disruption in the workplace; and includes the agreement of the parties on the standards of wages, hours and other terms and conditions of employment for the Bargaining Unit employees covered hereunder. The Employer recognizes the commitment of FOP 34 and employees to organizational efficiency and high quality services and will actively encourage the sharing of concerns regarding management practices, policies and procedures.

The provisions of this MOU shall in no way diminish or infringe any rights, responsibilities, power or duties conferred by the Constitution of the State of Maryland and the Annotated Code of Maryland, including Title 3, State Personnel and Pension Article (the State Employee Collective Union Bargaining Law), as amended, and all laws are hereby incorporated in this MOU as if fully set forth herein and, except as provided in Article III, in the event of a conflict between this MOU and the law, the law shall prevail. To the extent that any provision in this MOU conflicts with any provisions of the Maryland Transportation Authority’s Trust Agreement, the provisions of the Trust Agreement shall prevail.

ARTICLE I – RECOGNITION

Section 1. Exclusive Representation

The State of Maryland and the Maryland Transportation Authority recognizes FOP 34 Union as the sole and exclusive representative of all Maryland Transportation Authority police officers at the rank of First Sergeant and below. The Employer will not negotiate with any other union or employee organization on matters pertaining to wages, hours and other terms and conditions of employment for all employees in the Bargaining Unit. The Employer will allow FOP 34 to address new employees at orientation meetings in accordance with Article IV, Section 10, but will not allow non-exclusive representatives to do so.

Section 2. Integrity of the Bargaining Unit

In the event the Employer proposes to use non-bargaining unit individuals to displace continuing bargaining unit positions, it will provide FOP 34 with notice at the earliest opportunity, but normally at least seventy-five (75) days in advance. Commanders will not be assigned bargaining unit work for the purpose of limiting overtime opportunities for bargaining unit employees except when fiscal or operational exigencies necessitate.

ARTICLE II – NON-DISCRIMINATION

Section 1. Prohibition Against Discrimination

It is the policy of the State of Maryland to prohibit discrimination in employment against any employee or applicant for employment because of race, age, color, religion, creed, sex, sexual orientation, political affiliation, country of national origin, ancestry, genetic information, gender identity or expression, mental or physical disability, marital status, or labor organization affiliations, and to promote and implement a positive and continuing program of equal employment opportunity.

It is the policy of FOP 34 that it shall not discriminate against any employee or cause or attempt to cause the State to discriminate against any employee because of race, age, color, religion, creed, sex, sexual orientation, political affiliation, country of national origin, ancestry, genetic information, gender identity or expression, mental or physical disability, marital status or labor organization affiliation.

Section 2. Union Activity

Each employee shall have the right to join and while off work or on official release time, assist FOP 34 freely, without fear of penalty or reprisal, and the Employer shall assure that each employee shall be protected in the exercise of such right.

Section 3. Equal Employment/Affirmative Action/Americans with Disabilities Act

The parties agree to comply with applicable Federal and Maryland Equal Employment laws, Affirmative Action laws and the Americans with Disabilities Act.

Section 4. Representation

FOP 34 recognizes its responsibility as the exclusive bargaining representative for this unit and agrees to fairly represent all employees in the bargaining unit.

ARTICLE III – MANAGEMENT RIGHTS

The Employer retains the sole and exclusive authority for the management of its operations and, except as expressly limited by a specific provision of this MOU, may exercise all rights, powers, duties, authority and responsibilities conferred upon and invested to it by all laws including, but not limited to, Title 3, State Personnel and Pensions Article.

Except as provided above, it is agreed by the parties that any section of this MOU that conflicts with current law, in particular Title 3, State Personnel and Pensions Article and Title 2, Public Safety as it applies to the Maryland Transportation Authority Police, can be changed by management after negotiations with FOP 34.

It is understood and agreed by the parties that the Employer possesses all other power, duty and right to operate and manage its departments, agencies and programs and carry out

constitutional, statutory and administrative policy mandates and goals. The Employer will provide FOP 34 an opportunity to review new or revised Directives not implicating mandatory subjects of bargaining no less than five (5) calendar days prior to implementation. In exigent circumstances, the Employer reserves the right to implement new or revised Directives that are not subject to mandatory collective bargaining immediately and without FOP 34's review.

ARTICLE IV – UNION RIGHTS

Section 1. Access

The Employer agrees that local representatives, officers and Union staff representatives shall have reasonable access to the premises of the Maryland Transportation Authority with prior notice and approval by the Maryland Transportation Authority for the reason of administration of this MOU.

FOP 34 agrees to notify the Maryland Transportation Authority at least five (5) days in advance of a non-emergency, mass meeting. In emergency situations, FOP 34 may call a meeting during work hours to prevent, resolve or clarify a problem with prior reasonable notice to and approval by the Employer. In addition, upon reasonable notice to and approval by the Maryland Transportation Authority and consistent with security and public service requirements, Union representatives shall have access to the Maryland Transportation Authority's premises for the purpose of membership recruitment. Approval for access described in this section shall not be unreasonably denied.

Section 2. Stewards

The Employer will recognize stewards designated by FOP 34 who will be responsible for investigating and processing grievances and participating in any hearings or conferences related to the grievance. A grievance will have no more than one (1) steward investigating or processing the grievance, or in attendance at grievance hearings. It is understood that shop stewards assigned to the same work location will not be absent from duty concurrently as a result of his/her responsibilities as a steward, with the exception of preapproved union leave. The FOP 34 may have a maximum of 15 stewards, distributed as follows:

- Patrol Division: Each Patrol Detachment (6 current Detachments) and any future Detachments may have one (1) steward. CVSU may have two (2) stewards with one assigned to Metro and one assigned to JFK.
- BWI/TM Airport Detachment may have two (2) stewards and the Port Detachment may have one (1) steward.
- Special Operations Division: General Positions may have three (3) stewards.
- Logistics Division and Support Services Division: may have one (1) common steward.

In the event FOP 34 determines that redistribution of steward assignments is necessary or that additional stewards are warranted on account of changes in department structure, the Employer and FOP 34 shall negotiate in good faith to accommodate such a request by FOP 34. FOP 34 will notify the Maryland Transportation Authority in writing of the names of the designated stewards prior to them assuming any duties. Designated stewards shall be allowed a

reasonable amount of duty time without charge to pay or leave to handle grievances. To the extent necessary to participate in grievance hearings, the Maryland Transportation Authority shall take reasonable steps to adjust a designated steward's shift so that such participation is on official duty time. Release from duty and shift adjustments will not be unreasonably denied and will be consistent with the operational needs of the Employer.

Section 3. Time Off With Pay During Work Hours

(A) Granted Time Off With Pay Generally

The Employer shall grant time off with pay, consistent with the operational needs of the Employer, including reasonable travel time when necessary, during work hours, the total of which on a daily basis will not exceed the employee's normally scheduled workday, to attend grievance meetings described in Chapter 13 of the Police Directives Manual, labor/management meetings, negotiating sessions regarding supplementation or amendment of this MOU during its term or the negotiation of a successor MOU, committee meetings and activities if such meetings or activities have been jointly established by the parties, or meetings called or agreed to by the Employer, if such employees are entitled and required to attend the meetings by virtue of being FOP 34 representatives.

(B) Granted Time Off With Pay for Negotiations

In addition to the time off described in paragraph (A), FOP 34 is entitled to release time for six bargaining unit members (in addition to the FOP President) for all bilateral negotiation sessions and as is necessary to participate in internal union caucuses that are approved by the State during the pendency of negotiations. Such caucuses may be held on days when bilateral negotiations are not scheduled. It is understood that such release time may on occasion need to be rescheduled because of emergency circumstances. Release time for negotiations will be allowed consistent with the operational needs of the Employer and will not be unreasonably denied.

(C) Creation of Release Time Account

The Employer shall create a Release Time Account. On July 1 of each year, the Employer shall credit the Release Time Account with one (1) day for every fifteen (15) bargaining unit members. In addition, all officers covered by this MOU shall be required to contribute four (4) hours of annual leave per calendar year. These hours will be deducted from the members and placed into the Union's Release Time Account as follows:

Unused time in the Release Time Account shall roll over from year to year.

- Beginning on January 1st of each calendar year, each member will have four (4) hours deducted from their annual leave.

FOP 34 shall receive an itemized tracking sheet from Payroll on a monthly basis that shows the amount of release time used and balance of time in the Union Release Time Account. Employer will require confirmation of attendance for time used.

(D) Use of Release Time Account

Union representatives will be allowed time off with pay charged against the account consistent with the operational needs of the Employer for union business such as state or area-wide committee meetings or state or international conventions; preparation time for negotiations or Labor/Management Committee meetings; union sponsored labor relations training, and any other FOP business deemed necessary by the President, provided such representative provides reasonable notice to his/her supervisor of such absence. Time may be used in one (1) hour increments.

(E) Notice & Approval

The Employer requires requests for time off with pay made under paragraphs (A) or (D) above to be in writing. In general, requests for time off with pay made under paragraphs (A) or (D) shall be made at least ten (10) calendar days in advance, except in the event that the requested time off consists of three (3) or more consecutive days, in which case the requests shall be made at least thirty (30) days in advance. The Employer shall respond within five (5) days of receiving the request. Under exigent circumstances, FOP 34 may request and the Employer may grant requests for time off with pay on less than ten (10) days' notice. These exigent requests, however, will be limited. Requests for time off with pay under paragraphs (A) or (D) will not be unreasonably withheld. When the Employer denies time off based on operational needs in accordance with this MOU, it shall, upon written request of FOP 34, provide the reasons in writing and shall advise the representative when he/she can obtain the time off. Such time off will not be detrimental in any way to the employee's record and will be specifically taken into account when applying performance standards relating to quantity and timeliness of work. If requested Union Leave falls on the employee's regular leave day, the employee may request and the Employer may approve moving the regular leave day to another day within that pay period. These situations shall be limited and may not create a negative impact on the normal business of the Employer.

(F) Designated Persons

The parties recognize their respective obligations to appropriately administer the MOU in an efficient manner in the context of effective and efficient government operations. To this end, the Employer and FOP 34 shall each designate a person to discuss and resolve issues associated with release from duty or time off with pay.

(G) President of FOP Lodge

The President of FOP Lodge #34 will be granted a full-time position to handle union business under the following terms and conditions:

1. With the exception of all mandated training, the FOP President would be placed on a paid leave of absence from his/her current assigned duties.
2. The FOP President would remain on the payroll of the MDTA for the purposes of performing full-time union business as the President of FOP Lodge #34.
3. MDTA will credit up to 50% of the administrative leave (up to a maximum of 1,040 hours annually) and the FOP Release Time Account would donate the other half. MDTA will reconcile the balance of administrative leave provided to the President at the end of each fiscal year to ensure that MDTA has not contributed more than 50%. Except that the

President will continue to use earned annual leave, personal leave, holiday leave, and sick leave pursuant to established policies.

4. The President will work forty (40) hours per week, Monday through Friday, from 8:00 a.m. to 4:00 p.m. These stated hours may be adjusted for duties that require the President's participation at other hours of the day or night. On a weekly basis, the President shall submit a written synopsis of his daily work activities on behalf of the union to the individual designated by the Chief of Police.
5. The President will work from the FOP Lodge office located at 730 Wampler Road, Middle, River, Maryland, 21220. The FOP shall maintain workers' compensation insurance coverage for the President to cover all union related activities. The President's duties for union related activities include, but are not limited to: preparation and negotiation of this MOU; issues concerning interpretation of this MOU; grievances on behalf of union members; union sponsored labor relations training; Labor/Management Committee meetings; assisting members in departmental related issues; participation in weekly in-service training of the union; Executive Board and membership meetings of the union; daily operations of the union; maintaining communications to members; attendance at State Lodge FOP Bi-Annual conventions; attendance at National Lodge Bi-Annual conventions; participation in specialized training offered by the State Lodge FOP; participation in Police Memorial Week in Washington, D.C.; meeting with State legislators concerning pending legislation impacting the union; attendance at hearings before the General Assembly; and attendance at Maryland State Lodge weekly legislative meetings during the Assembly session.
6. FOP Lodge #34 hereby agrees to waive, release, and hold harmless the MDTA including its members, officers, employees, agents, contractors and volunteers from any and all losses, demands, liabilities, expenses, suits, actions, causes of action, damages, costs and claims of any kind arising out of, or in connection with, the activities, actions, or conduct of the full-time President performing duties on behalf of FOP Lodge #34.
7. When performing law enforcement duties, the FOP President will have the same protections as other MDTA law enforcement officers.
8. During such paid leave of absence, the President will continue to accumulate seniority and receive all benefits as if he were fully on duty including, but not limited to, pension accruals and fringe benefits.
9. The FOP President will not be provided with an assigned MDTA vehicle during the leave of absence.
10. All MDTAP directives and policies remain applicable to the FOP President while on the paid leave of absence.
11. The FOP President must still be able to perform the essential job functions for his/her classification as determined by the State Medical Director.

12. The FOP President will be supervised, to the extent possible, by a position identified by the Chief of Police. This supervisor will review and approve pay cards, approve earned leave requests, conduct monthly equipment inspections, and handle other administrative duties as necessary.
13. Additional training related to the mission of the MDTA Police or career growth may be approved by the designated supervisor upon request. The FOP President shall be entitled to meal/travel reimbursements for additional approved training where such is made available to other similarly situated employees.
14. No overtime, compensatory time, double back shift differential, meal/travel reimbursements or other special compensation will be permitted while the FOP President assumes this full-time position (assigned to work a 40-hour work week). The President shall be permitted to work voluntary overtime offered by the MDTA Police during non-scheduled work hours.
15. Since the FOP President will not be performing assigned duties, there will be no annual performance evaluation required during this leave of absence. The lack of a performance evaluation for the President shall be construed that the President is performing in a satisfactory manner for the purpose of being eligible to receive a yearly step increment to which he is entitled.
16. If the FOP President no longer occupies the office of President, the Chief of Police shall return him to his prior assignment if such position is vacant. If the position is not vacant, the Chief is under no obligation to return him to such assignment.

Section 5. Meeting Space

Union representatives may request the use of state property to hold union meetings. Upon prior notification, the Employer will provide meeting space where feasible. Such meetings will not interrupt state work.

Section 6. Routine Office Supplies

FOP 34 representatives, as directed by a member of the FOP Board of Directors, are authorized to make reasonable use of copiers and fax machines pursuant to Departmental policy, provided that such use does not interfere with departmental operations and is used for legitimate Union purposes. If such equipment is not used consistent with these requirements, the Employer may revoke such privileges after notifying FOP 34 of its intent to revoke such privileges and identifying in writing the specific usage(s) which is the basis for the revocation of such privileges. The Employer also reserves the right to charge a reasonable fee for copies.

Section 7. Bulletin Boards

The Employer has provided lockable bulletin boards at each work location in the break room or other appropriate locations that were mutually agreed upon. These are for the exclusive use of FOP 34. FOP 34 shall be responsible for all items posted on the bulletin board. Each item posted shall be dated and initialed by the FOP 34 official approving the posting. The use of computer/electronic mail/fax are subject to the same rules of use as described in Section 6. Confidentiality shall be maintained subject to the Employer's security needs. Mass mailings by internal state mail will be limited to six (6) times per calendar year. Such mass mailings may be individually addressed or distributed by work assignment or facility location. FOP 34 shall give the Employer reasonable notice in advance of mass mailings. FOP 34 and the Employer shall develop a system for these mailings.

Section 9. Distribution of Union Information

At MDTA facilities, FOP 34 shall be permitted to place informational materials for employees at the worksite before and after work, during mutually agreed upon breaks and meal periods, and during any other time agreed to by the Detachment Commander. The placement shall be limited to the area designated as the police officer's room commonly used to distribute inter-office mail. The information shall be placed in the area designated by the Employer and may have a sign of identification. This placement must be done by a police officer designated by FOP 34 who holds the appropriate security credentials.

Section 10. New Employee Orientation & Annual MDTAP In-Service Training

The Employer will provide FOP 34 with an opportunity to address each new recruit class while in the Training Academy. FOP 34 will be permitted to give a thirty (30) minute presentation, which may include an enrollment in supplemental union benefits.

The Employer will provide FOP 34 with an opportunity to meet with bargaining unit members once a week during MDTAP Annual In-Service Training. FOP 34 may provide up to a thirty (30) minute presentation by one FOP 34 presenter. One (1) hour, to include preparation, travel and presentation, will be deducted from the union release time account each presentation. The Employer will provide a suitable meeting location, i.e. a classroom that was being used for in-service training. The scheduling of the thirty (30) minute presentation will be designated by the Employer in consultation with the FOP. _

Section 11. Information Provided to FOP 34

The Maryland Transportation Authority shall provide to FOP 34 a list of information, to include: new hires, separations, promotions, transfers and reclassifications (including agency code, position numbers involved, classifications, grades, and effective dates) for all bargaining unit employees. New hire employee information will be provided at the beginning of each month and will include actions processed during the preceding month for bargaining unit employees. Other personnel actions listed above for bargaining unit employees will be provided to FOP 34 on a quarterly basis. The above information shall be provided in an electronic format convenient to the Employer. FOP 34 shall treat the information as confidential.

Upon request by FOP 34, the Employer will provide, within a reasonable amount of time, any other information and documents that FOP 34 is entitled to as the exclusive representative of bargaining unit employees. The Employer may charge reasonable compilation and copying fees.

Nothing herein shall be construed to restrict FOP 34's right to request and receive information in accordance with applicable public information acts.

The Employer will keep FOP 34's electronic mail address on the CAD Serious Incident Notification System. The Employer will immediately notify the FOP President or his/her designee whenever a MDTA Police Officer is seriously injured, killed, or is involved in an incident where another person is seriously injured or killed as a result of actions involving a MDTA Police Officer unless the employee specifically requests that such notification not be made to the FOP.

Section 12. Exclusivity

No organization other than the exclusive representative shall have access to worksites or otherwise be provided with access to facilities and services of the Employer unless they are doing business with the State or except as required by State or federal law. This does not apply to non-union professional organizations that work with the State.

Section 13. Manuals

The Employer will provide FOP 34 with one hard copy of the Maryland Transportation Authority's Police Directives Manual, as well as access to said Directives electronically.

Section 14. Check-off of Dues

Upon the presentation by FOP 34 of a list of the individual employees covered by this MOU for each of whom FOP 34 certifies to have on file a written authorization for dues deduction executed by the employee, FOP 34 shall be entitled to have such employees' membership dues deducted from their pay checks on a bi-weekly basis and remitted to FOP 34 or an entity designated by FOP 34 on a biweekly basis. ARTICLE V – LABOR/MANAGEMENT COMMITTEE

The parties recognize that the holding of periodic meetings for the exchange of views and information contributes to the effectiveness of the labor/management relationship. Therefore, the parties shall establish a Labor/Management Committee (LMC), in accordance with the provisions in this Article, for the purpose of addressing matters of concern in the areas of personnel policies, practices, conditions of employment, and other matters affecting employees.

The LMC shall have the following features:

- (d) The LMC will consider, evaluate, and make recommendations with respect to matters bearing upon the economy and efficiency of Maryland Transportation Authority Police operations and the welfare of its employees whether or not such matters are negotiable. The willingness of the parties to discuss such matters in the LMC is without compromise as to whether any such subject constitutes a mandatory subject of bargaining.
- (e) The LMC will review issues related to the waiving of waiting periods of Acting Pay.
- (f) FOP 34 representatives will be deemed to be in on-duty status while attending such meetings.

Commanders may not refuse to designate an employee as an acting employee when that employee has actually assumed additional supervisory responsibilities normally assigned to an employee in higher rank, to avoid paying acting pay.

Section 7. Overtime - General

(A) Consistent with current practice, each time an officer covered by this MOU submits an overtime slip, the officer may elect to receive compensatory leave at one and one-half times the overtime hours worked rather than overtime pay. The Employer agrees to continue the practice of permitting the employee, with the approval of the Employer, the right to earn compensatory time and cash overtime during the same pay period, provided that the employee may not earn compensatory time and cash overtime on the same day. However, there may be certain times during the year where due to systems issues the employee may only be able to select compensatory time or cash overtime during the same pay period. These certain times during the year will be announced at least three (3) pay periods ahead of time.

(B) Employees who are called to work by a supervisor during non-scheduled work hours, and who are able to work from their residence or off-site, i.e., make phone calls from off-site location to correct or address the problem, etc., and do not have to report to a facility, shall be compensated a minimum of 30 minutes at their overtime rate. Any time beyond 30 minutes,

upon request the employee will be compensated for the actual time on the phone at the overtime pay rate. Any additional telephone calls relating to the same matter will not be eligible for an additional 30 minutes minimum of overtime pay. If the total time of all the telephone calls exceeds 30 minutes, then compensation will be paid for the actual time on the phone.

(C) Consistent with current practice, any hours worked over eighty (80) hours during the fourteen (14) day pay period will be paid at the employee's overtime rate.

(B) Immediate Shift Overtime shall be offered based on seniority starting with the most senior bargaining unit member at the vacant rank who is on duty and assigned to the detachment/unit when the overtime becomes available. If the overtime position(s) is/are not able to be immediately filled, the overtime shall be offered to any bargaining unit member who is on duty at the detachment/unit at the vacant rank of the position needed. If the overtime is still not able to be filled then the overtime will be offered based on seniority to the members of the next higher rank first, and then continue one rank at a time based on seniority in that rank until filled. If still unfilled, the overtime position(s) shall be emailed to all bargaining unit members via agency email and filled on a first come, first serve basis.

(C) Projected Shift Overtime shall be offered for the vacant rank to bargaining unit members, regardless of seniority, assigned to the detachment/unit when the overtime becomes available. The offer will be made available for a minimum of two (2) hours, and if not filled in that time, the overtime will be offered to members of the next higher rank first, and then continue one rank at a time until filled. If still unfilled, the overtime shall be emailed to all bargaining unit members via agency email and filled on a first come, first serve basis.

(D) Extra Duty Overtime shall be offered to any bargaining unit members, regardless of seniority/rank, and if assigned to the agency detachment/unit when the overtime becomes available. (E) The parties agree to establish a working group through the LMC comprised of members of both the FOP and Employer to discuss minimum advance notification of cancellation of Extra Duty Overtime and minimum overtime compensation and completion of Shift Overtime.

Section 9. Court Overtime

All officers covered by this MOU will receive a minimum of four (4) hours pay at their overtime rate whenever they are required to attend court or judicial proceedings for work while off-duty. This will be calculated as follows: All court appearances attended in the morning hours (0001-1159 hrs) will be eligible for the minimum four (4) hours overtime pay, regardless of the amount of cases or docket times. All court appearances attended in the afternoon hours (1200-2400 hrs) will be eligible for the minimum four (4) hours overtime pay, regardless of the amount of cases or docket times. If the amount of time required in court, exceeds the minimum four (4) hours, officers will be compensated for the actual time spent in court. Officers who travel to and from court in a personal vehicle are not eligible for mileage reimbursement.

Section 10. Canine Compensation

The Employer agrees to maintain the current policies and practice related to canine compensation.

Section 11. Physical Fitness

An annual physical fitness bonus of \$1,000 will be given to bargaining unit members who successfully complete and meet the standards of the MDTA Police physical fitness assessment. Employees who do not successfully complete any part of the physical assessment or meet the minimum standards are not eligible for the bonus until they successfully complete and meet all fitness standards. Employees may participate in more than one of the physical assessments until they successfully meet the standards. Only one bonus will be awarded to the employee per calendar year.

Section 12. Compensation for Formal Education

Members will be eligible for additional compensation based on their level of formal education. The payment of this additional compensation will be contingent upon the employee providing an official transcript from an accredited college or university to the Employer. An accredited college or university is one that is found in the U.S. Department of Education Database of Accredited Postsecondary Institutions and Programs. The transcript must indicate that a degree was awarded. The additional annual compensation will be as follows:

Associate's Degree	\$125
Bachelor's Degree	\$250
Master's Degree	\$375
Doctorate	\$500

Employees who have earned more than one degree may only receive compensation for one degree. This additional compensation will be payable in the first calendar quarter of 2016 and in January of each subsequent calendar year. *(Note: Employees that were previously compensated the one-time payment for their degree prior to October 1, 2015, pursuant to the former college incentive program, are not eligible for the annual compensation)*

Section 13. Special Assignments

(A) There are times when an employee is assigned to a “special assignment” such as civil disturbance deployments, in-service, firearms training, out-sourced training, specialized unit training to include but not be limited to Electronic Enforcement Unit, Training Unit, K-9 Unit, Marine Unit, Motor Unit, Homeland Enforcement and Traffic Unit, Collision Reconstruction Unit, Special Response Team, Crisis Negotiation Team and Emergency Operations Unit, and other training opportunities, for a scheduled set of hours outside the employees’ regular duties.

(B) These special assignments will be defined in advance on a Personnel Order or in the Police In-Service Folder, which will outline the assignment, the date and time the employee will report for assignment, and the anticipated number of hours.

(C) The Employer will make every attempt to schedule these special assignments during an 8-hour day within the pay period. These special assignments will also include the Physical Fitness Day, which consists of roll call, the importance of exercise segment, nutrition segment, stress management segment, lunch, fitness test and cool down and debriefing.

(D) The below scenarios shall apply to those special assignments listed above scheduled for 8 hours:

1. Employees regularly assigned to 8-hour shifts: At the conclusion of the special assignment, the employee shall be dismissed for the day.
2. Employees regularly assigned to 10 or 12-hour shifts: If the employee is on an 8-hour day, at the conclusion of the special assignment, the employee shall be dismissed for the day. If an employee is not on an 8-hour day, the employee shall record the difference between their regular assigned shift hours, 2 or 4 hours respectively based on their regular schedule, as Virtual Time in MTrack. Instructions for recording the Virtual Time and Special Codes for the special assignments will be provided.

(E) For special assignments including but not limited to Meters Recertification, Off-Duty Weapon Qualification, Award and Promotional Ceremonies, where the assignment is completed in less than 8 hours, the assignment will be built into the employee’s regular assigned shift hours. For example: if an employee is regularly assigned to an 8-hour shift and the employee completes the special assignment in 2-hours, the employee would work 6 hours at his/her detachment/unit before or after the special assignment. The same would apply to employees regularly assigned 10 or 12-hours shifts.

(F) The below scenarios shall apply to those individuals participating in promotional testing, which shall be considered a 4-hour work day:

1. Employees regularly assigned to 8-hour shifts: At the conclusion of the promotional testing, the employee shall be dismissed for the day and those employees will record the difference in their regular schedule, as Virtual Time in MTrack. Example, if the employee works an 8-hour shift and testing is 4 hours, the employee shall record 4 hours of Virtual Time.
2. Employees regularly assigned to 10 or 12-hour shifts: If the employee is on an 8-hour day, at the conclusion of the special assignment, the employee shall be dismissed for the day. If an employee is not on an 8-hour day, the employee shall record the difference between their regular assigned shift hours, 6 or 8 hours respectively based on their regular schedule, as Virtual Time in MTrack. Instructions for recording the Virtual Time and Special Codes for the special assignments will be provided.

(G) Detachment/Unit Commanders are responsible for coordinating with employees to schedule these special assignments and hours, which schedules shall be adjusted based on the types of assignments to fit within an 8-hour day. The use of the term "regularly assigned shifts" in this Section only refers to the total number of hours in a day and not actual shift times. Regular assigned shift times can be adjusted based on the special assignment.

ARTICLE VII – SENIORITY

Seniority is determined by the highest Rank, and then Time in Rank. In the event that two or more bargaining unit members are the same Rank and Time in Rank, seniority will be based on tenure with the MDTA Police from the date of appointment as a Police Officer. If two or more bargaining unit members have the same Rank, Time in Rank, and tenure with the MDTA Police Department from the date of appointment as a Police Officer, seniority will be based on police academy class rankings.

An Employee who is demoted in Rank shall have a "Time in Rank" date, as it pertains to seniority under this Article, to be the date and time of his/her original promotion to the lower rank.

ARTICLE VIII – LEAVE WITH PAY

If an employee is denied the opportunity in a calendar year to use annual leave in excess of seventy-five (75) days or six hundred (600) hours, the head of the employee's department may allow the employee compensation, at the employee's regular rate of pay, for those excess leave days. The Division Commander may approve a request for compensation only if (i) the appointing authority documents the unusual administrative reasons for having denied the employee the use of annual leave; and (ii) funds are available for that purpose.

Section 9. Military Leave

The parties agree to maintain the current Maryland Transportation Military Leave policy, except that the Employer agrees to work in good faith with officers needing to use military leave in an effort to adjust his/her work schedule, consistent with operational needs, so as to minimize the need for officers to use other kinds of leave in order to meet their military obligations.

Section 10. Salary Reduction Days

Any Administrative Leave credited to an employee due to the 2011 Salary Reduction Plan may be used at any time prior to the employee's separation from employment with the State.

ARTICLE IX – LEAVE WITHOUT PAY

Section 1. Injury/Illness Leave

(A) Employees may be granted a leave of absence without pay for a documented temporary illness or disability when there is medically documented evidence that the employee can return to his/her full range of duties within six (6) months. The Employer will grant or deny such request on a fair and equitable basis. Such employees will not be separated from the payroll and will be restored to their positions within the six-month (6) period.

(B) If after the initial six (6) months, the employee is still unable to return to his/her full range of duties, because of the employee's illness or disability, an additional six (6) months of leave without pay may be requested. After twelve (12) months of leave without pay, employees will be separated from the payroll and may be eligible for reinstatement to any available current vacancy for which they qualify. Requests for reinstatement will be granted, or denied, on a fair and equitable basis.

Section 2. Suspension Without Pay

The Employer agrees to reimburse any bargaining unit member who is charged with a felony and suspended without pay in the event the felony criminal charges are disposed of by a court with a finding of not guilty or where the prosecutor declines to further pursue all of the felony charges by way of a nolle prosequere. This section will not apply in cases where: (1) a plea bargain reduces the original felony charge to a misdemeanor; or (2) the employee is terminated via the administrative disciplinary process as a result of the initial felony charge. Reimbursement will not occur prior to the conclusion of the administrative disciplinary process.

Section 3. Furloughs

The Employer agrees that no bargaining unit members will be subject to a furlough for the term of this MOU unless otherwise required by the Employer's Second Amended and Restated Trust Agreement with its bond holders. If for any reason furloughs are projected, they shall start and continue with the employee(s) having the least amount of sworn police tenure with the MDTAP, regardless of rank.

establish a working group through the LMC to develop language to memorialize the working schedules.

(H) The FOP and Employer agree to work together to develop a universal schedule for implementation at all detachments. The FOP and Employer will through the LMC establish a working group formed from members of both the FOP and the Employer that will present a report to be submitted to the Chief of Police no later than December 31, 2019. Should the FOP and Employer not be able to reach a mutual agreement, the Employer shall continue the existing policies and procedures applicable to work schedules at each detachment.

(I) Yearly work schedules shall be completed and posted for assigned personnel by December 1st of the current year for the entire next calendar year and shall include January of the subsequent year.

Section 2. Schedule Changes

(A) A member shall be given a minimum of eight (8) calendar days' notice of any change in his/her regular scheduled days off. The Employer reserves the right to give less than eight (8) calendar days' notice for exigent circumstances. Bargaining unit members may choose to voluntarily waive this provision at their discretion. The choice to waive or not to waive such provision shall not be used to negatively impact said unit member's position/standing within the agency.

(B) Notice given of less than eight (8) calendar days' notice shall entitle the member to an additional four (4) hours compensation at their overtime rate of pay. In addition, the member shall receive the leave day back. The member shall schedule the substitute day off within the same work period, governed by manpower constraints and as approved by the supervisor. If the member is unable to reschedule the substitute day off within the same work period, he or she shall be compensated at his/her regular rate of pay for the day forfeited.

(C) An employee shall be given a minimum of eight (8) calendar days' notice of any change in his/her regular scheduled shift start time when that shift start will be moved more than two (2) hours. The Employer reserves the right to give less than eight (8) calendar days' notice for exigent circumstances. Bargaining unit employees may choose to voluntarily waive this provision at their discretion. The choice to waive or not waive such provision shall not be used to negatively impact said unit employee's position/standing within the agency.

(D) Notice given of less than eight (8) calendar days to an employee when his/her customary shift start time is moved more than two (2) hours shall entitle the employee to an additional four (4) hours compensation at their overtime rate of pay.

For officers working twelve (12) hour schedules, doubling back will occur when the scheduled ending time of one shift and the start time of another shift are less than eleven (11) hours apart. For officers working ten (10) hour schedules, doubling back will occur when the scheduled ending time of one shift and the start time of another shift are less than thirteen (13) hours apart. Employees required to work overtime in advance of or after their regular shift on account of minimum staffing requirements (i.e., another employee calls in sick on less than 24 hours' notice and with that officer minimum staffing requirements will not be met) are not entitled to double back overtime pay for the second shift.

When doubling back occurs, an employee shall be paid at the time and one-half rate for the double back shift. Customary shift assignment of the employee may not be modified to avoid paying Double Back. This section does not apply: (1) in emergency situations; (2) if the double back occurs as the result of the affected employee requesting a shift change that results in a double back; (3) the employee voluntarily agrees to double back; (4) if there are fewer than the required number of hours between shifts as the result of overtime that occurs after the first shift or prior to the second shift.

Section 5. Pre-approved Leave

The use of personal, annual, holiday or vacation leave once approved in the normal course may not be revoked in whole or in part. The Employer reserves the right to cancel or revoke leave for exigent circumstances to include a state of emergency declared by the Governor. The Chief of Police or his/her designee must approve such revocation of approved leave.

Additionally, Employees who are reassigned or transferred at their request will have all pre-approved leave reviewed for consideration in their new assignment. The Employer may modify or revoke any pre-approved leave based on the needs of the new assignment.

To be considered for approval by seniority, extended leave requests must be submitted between December 15 of the current calendar year and January 15 of the next calendar year. They will be approved or disapproved by January 31 each year. Employees may submit more than one

extended leave request but only one request will be granted based on seniority. Requests should be numbered in order of preference.

Leave requests of greater than twenty-one (21) scheduled working days can only be approved by the individual's Division Commander.

Routine leave requests submitted to a supervisor after January 15th and throughout the year will be processed on a first come, first serve basis. They will be reviewed for approval/disapproval as soon as practical, not to exceed two (2) of the requesting employee's scheduled work days after the supervisor receives the request. If the requesting employee's supervisor is unavailable to approve/disapprove the request due to extended absence, the request will be approved by the detachment commander or designee within two (2) of the requesting employees scheduled working days.

Routine leave requests must be approved if the manpower for the shift is above the previously established minimum at the time the leave request is submitted, unless there is a hold placed on the schedule by the Detachment or Unit Commander.
